Good one, Doug. That's Robert Meyers to the right of Tim Utter. I'm a bit surprised you didn't recognize (bottom row, r-l) Peter Holmes (you used to rhyme his name with dinosaur bones) and Freddy Fredericks (Wal's good friend at the time). By the way, I always liked harpsichords/harpsichord music. Had a Hammond organ with a "button" (didn't quite do it - circa 1976).
