Soon After Class . . .

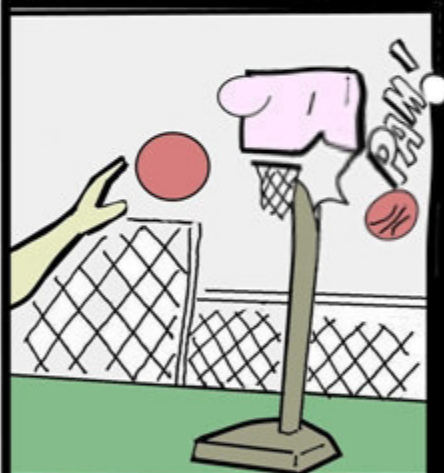

In my dream

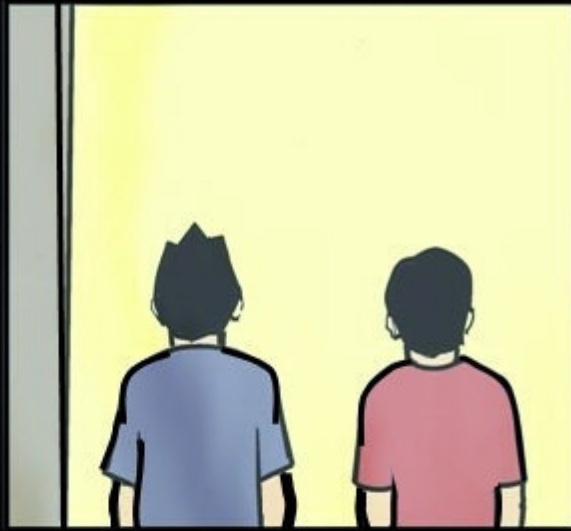

Afternoon

Back at the Doctor's office.

I trusted you . . . And what do you do
you take away my will to love someone else ,
take away my health.

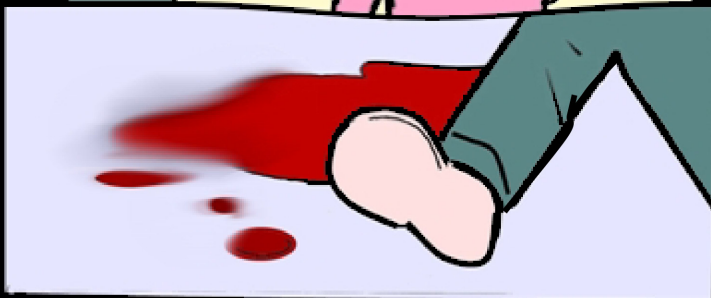

I don't care if you
exist or, not exist
if anything does, I ask
the devil my soul for her.

Somewhere in downtown Chicago. . .

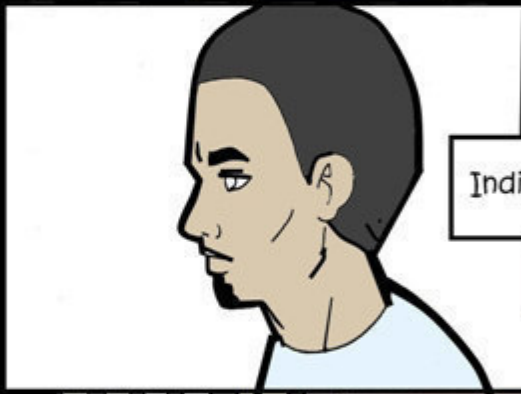

... I started to change.

The heresy or tragedy maybe did that.

Indiana, Evergreen prison.

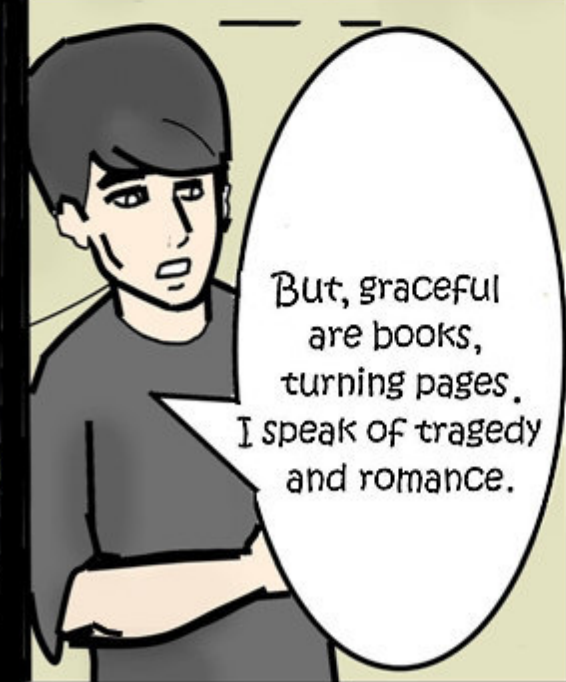

Sharks in red and blue, swim like melting Ice in an upside down heart. . .

Lanterns, friends with shadows, made my room their kingdom . . .

But, graceful are books, turning pages. I speak of tragedy and romance.

Indiana, Evergreen prison. . .

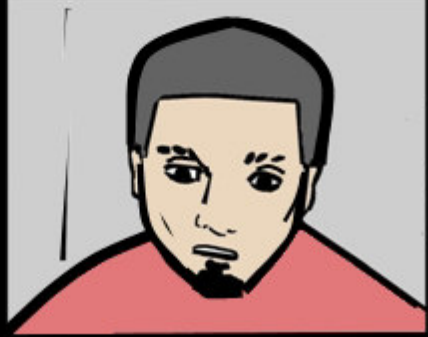

Get back
in there !

I was just
stretching my
arms !

Hey, you're the guy
who came back from
The dead.

What did you
see in the
otherside ?

Now
redemption
cuts my
eyes, a
golden
spider
crawls in.

Spins a frame
for my eyes,
makes elegant
windows.

Windows
with a pane
made from
her chiffon
dress.

Eyes !
My pale face
now screams
more light
than the
living.

That was okay ! Whats your name ?
...

God did not save me .

Satan did
YOU want to get out of here ?

He gave me some useful abilities.

Juia's Apartment . . .

How do you do it mom ? for god's sake, you worry about me !

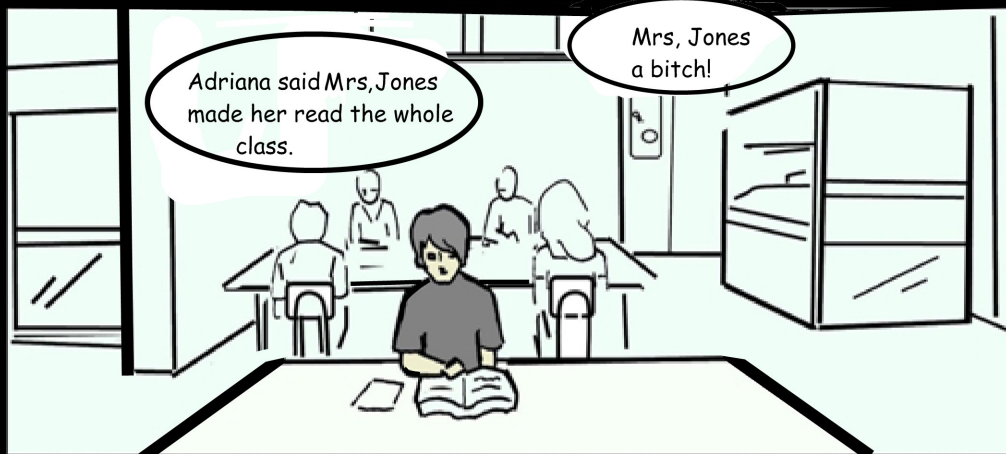

We'll know in 8 months . if the treatment worked. you'll be fine.

You should not worry about me. It's your father you should be worried about. He's always at home in the basement drinking all night .

. . If you were dying, I'd be worried !

Adriana said Mrs. Jones made her read the whole class.

Mrs. Jones a bitch!

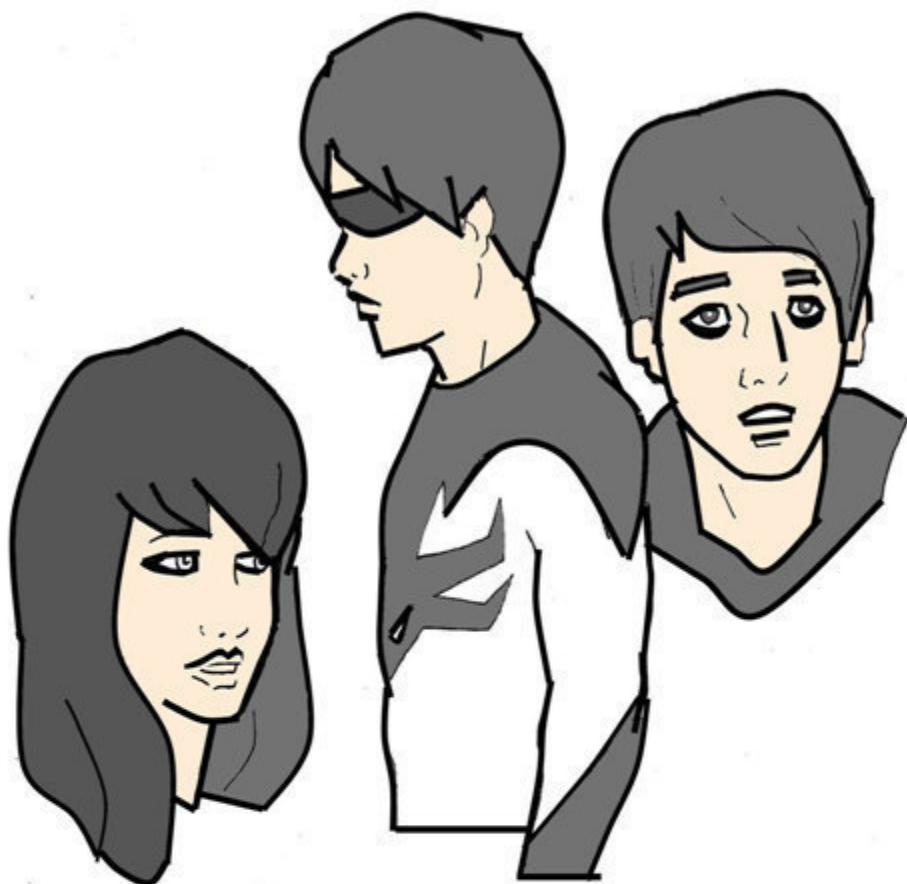

Ha,ha did you see her car it's a freaking old toyota Ha,ha! She can't afford it!

Hey, did you hear Dahlia got engaged!

○ A Hero has no name ○

During A bank truck robbery . . .

Lets get
out of here !

FWOOSH!

What ?

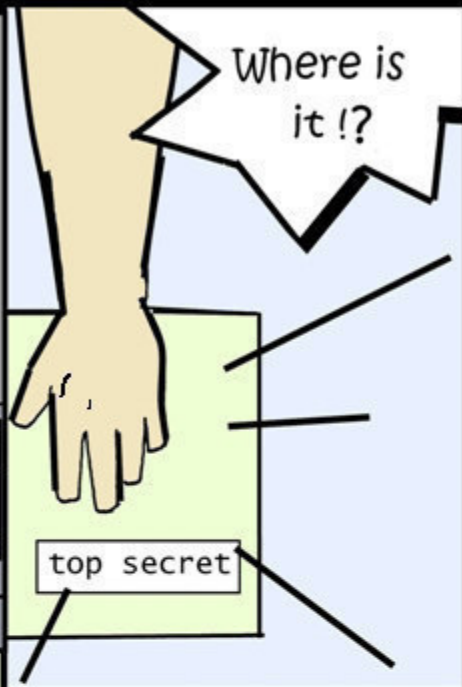

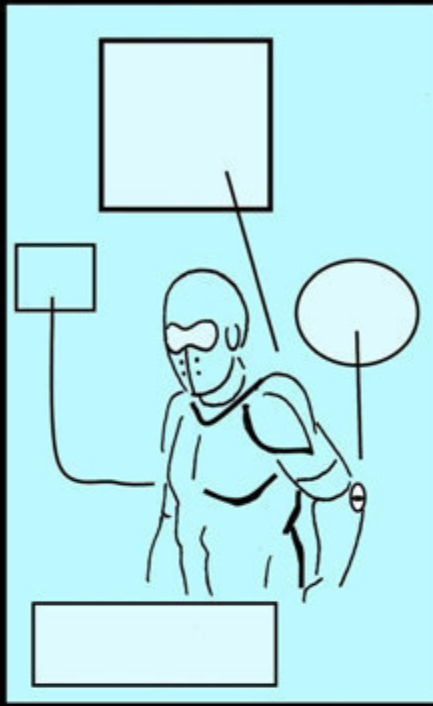

In an abandoned warehouse. . . .

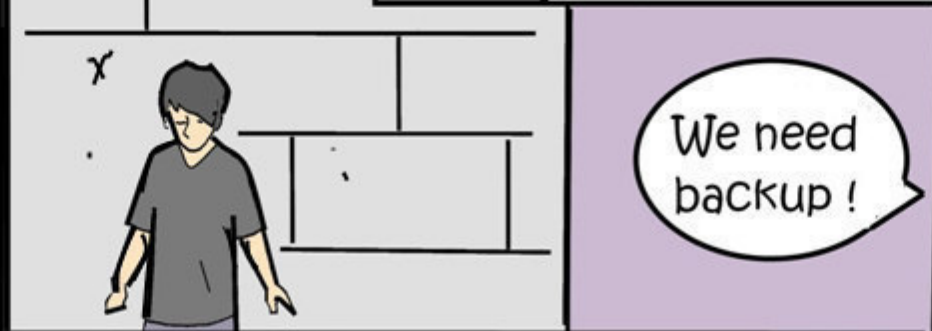

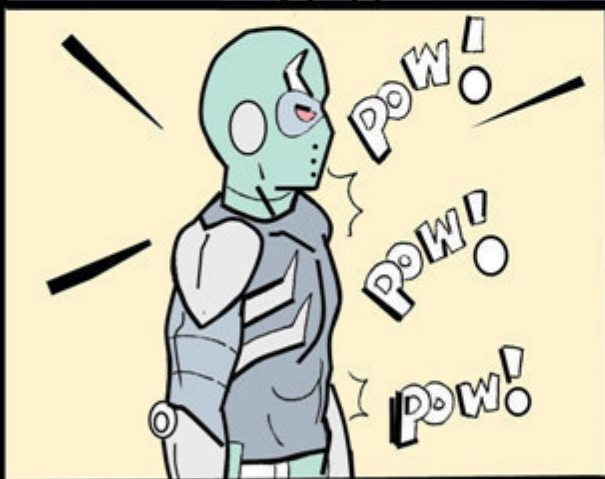

11

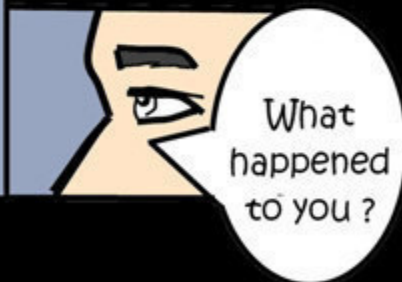

Our top story tonight !

Last night, the Chicago police department received a letter from an unknown source indicating a huge violence threat by an escaped convict . . .

It shows he could have stolen an experimental military weapon !

We're here live at a Chicago community center. where a rally is being held over how to handle this threat !

Public Enemy

10

We're not going to stand for threats!

We are greater !!

We are GREATER than VIOLENCE!

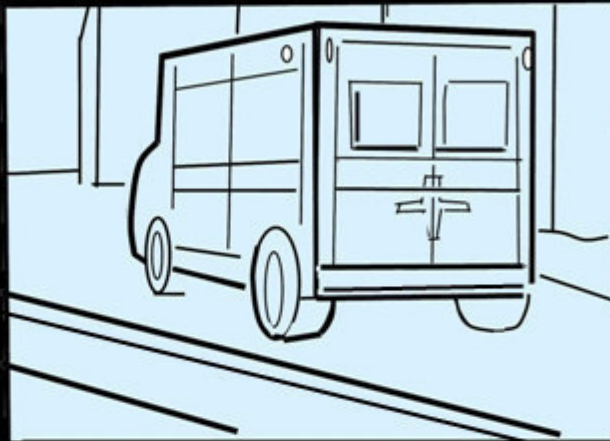

They ain't got me scared!

100

Three people were killed in a downtown Chicago riot mob attack. No suspects have been arrested!

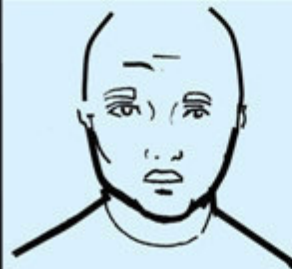

Two officers are dead after last week's violent cop shooting spree.

Police are on alert after a cop was killed and car and gun stolen!

One man has been arrested for the killing of a cop but the killing continues

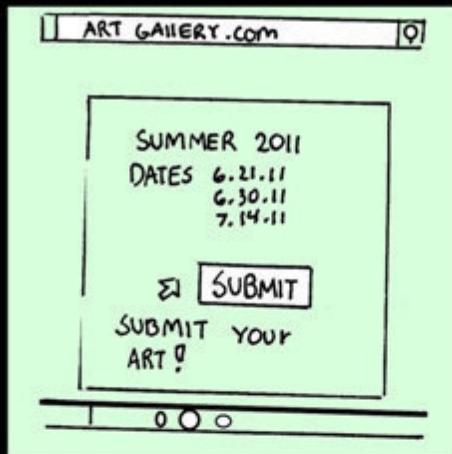

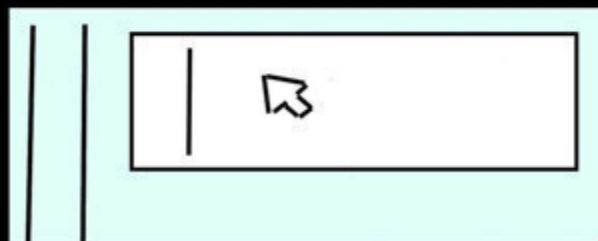

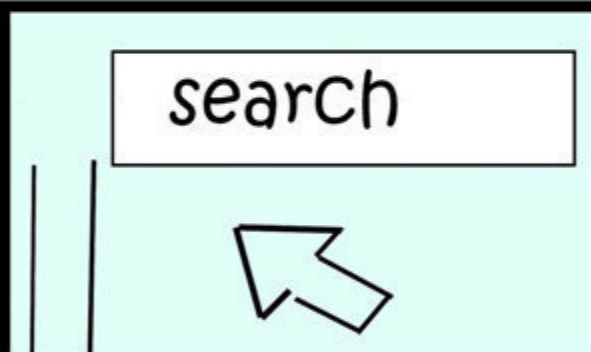

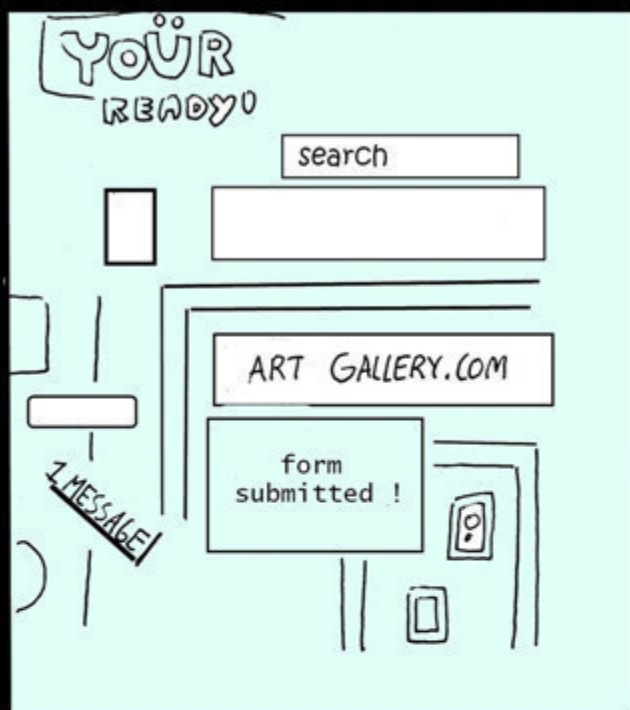

What do you do when your head doesn't let you feel reality?

Do you become someone else?

When it doesn't let you sleep at night !!!

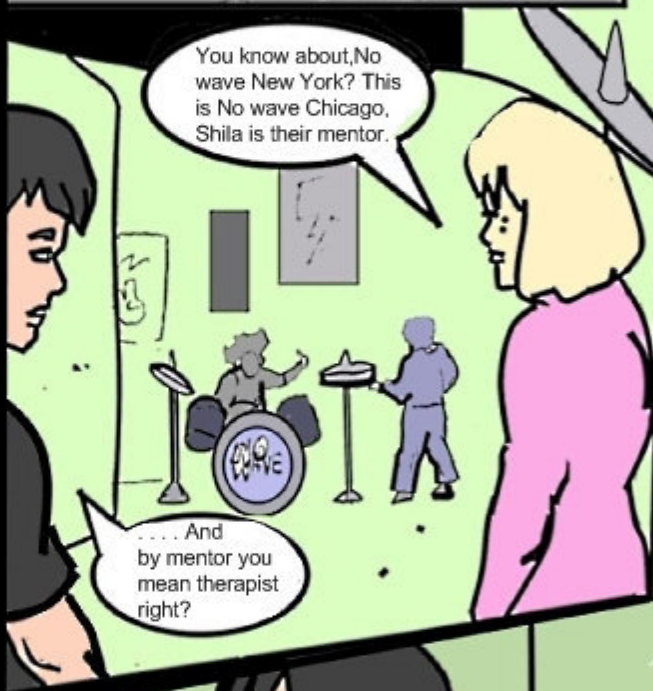

Do you make this person feel no emotions, eliminate thoughts?

Eliminate anger, hate sadness Love

Yes.

You know about, No wave New York? This is No wave Chicago. Shilla is their mentor.

... And by mentor you mean therapist right?

You must be Brian ! I have reviewed your art. it has potential. I'm glad Julia introduced me to you !

So, do I get a part in the gallery show I'll make a masterpiece I promise you ! Really !

Don't worry ! You get a spot on the show. you know where Galle 5 is?

Let me
threw !

I want to
say
something !

I want to say I'm
the person who stands
up for good people.

I have no super
powers but I got
the power to stand
for what's right !

And, we can all
be heroes for
the people who
are victims of
violence and
wrong !

We can all
be heroes !

Criminals they turn our
streets into their game !

And , it's time to change but this isn't change coming from a politician. This is real change !

I believe we need to be our own superman cause he ain't coming !

We have the power of freedom ! Why don't we finally use it to help !

Stop waiting for politicians to help us !

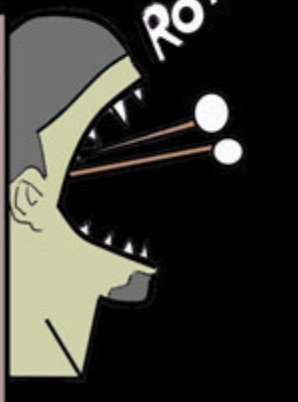

Cause truth is I'm the closest you'll ever get to getting superman !

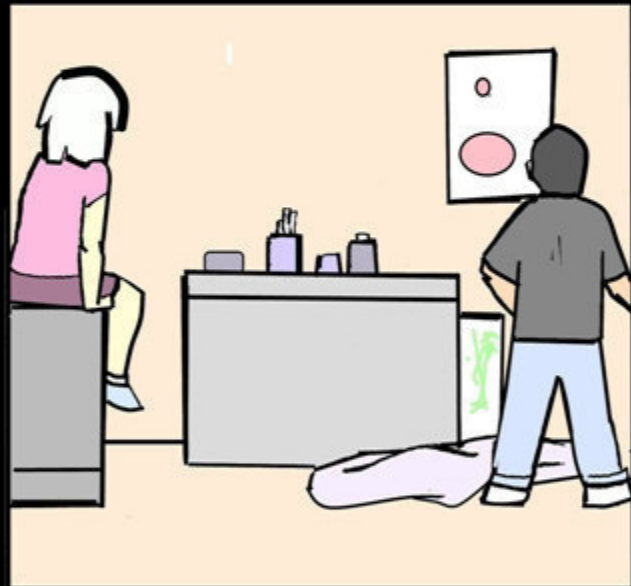

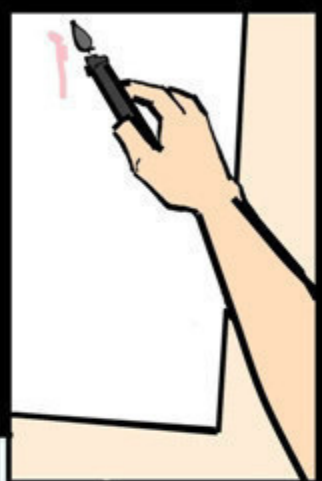

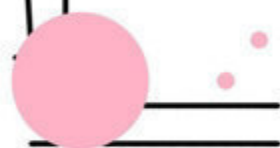

I paint surreal imagery .I like it because it's like bodies and nature trying to be words and numbers.

Trying to tell you something.

Did you change your look ?

... yeah.

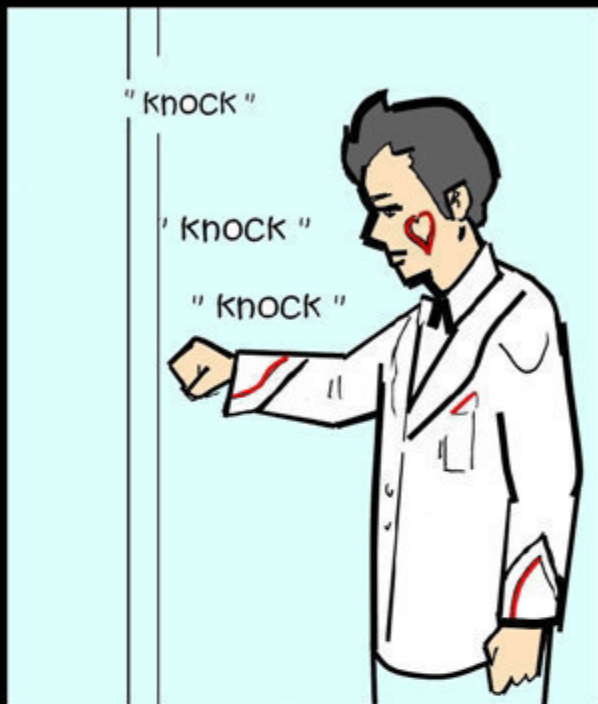

I do it to block unnecessary emotions .

You know, I'm kind of a philosopher myself, "To believe in belief is easy" I made that up!

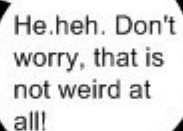

He.heh that's good.

So why do you fight crime as a superhero?

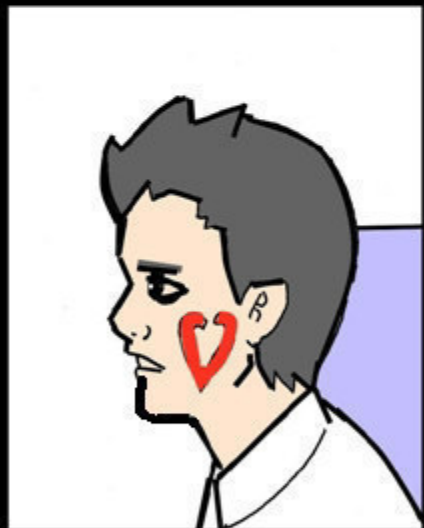

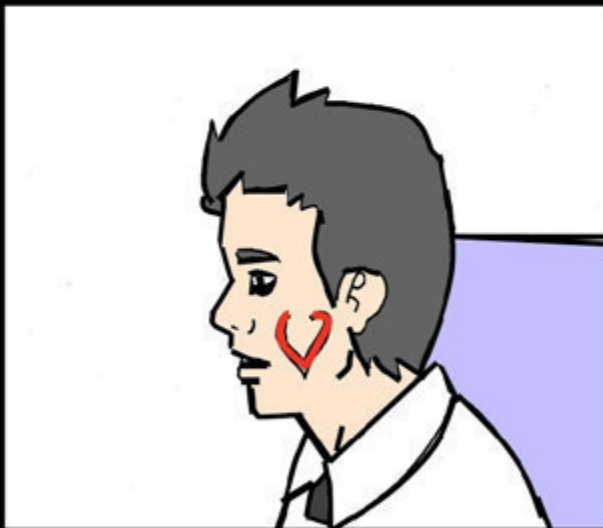

I know this is weird but, I somehow always wanted to be a superhero.

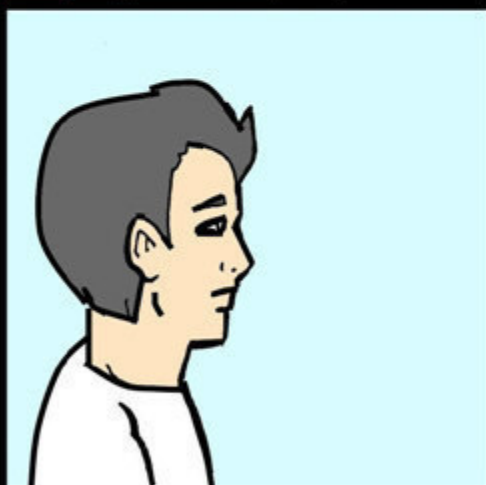

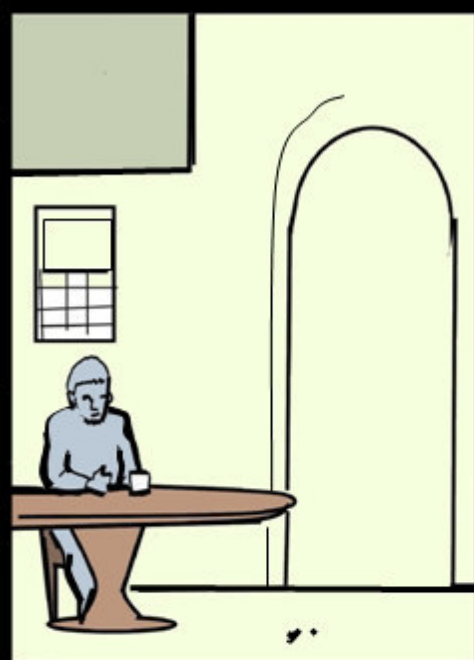

He.heh. Don't worry, that is not weird at all!

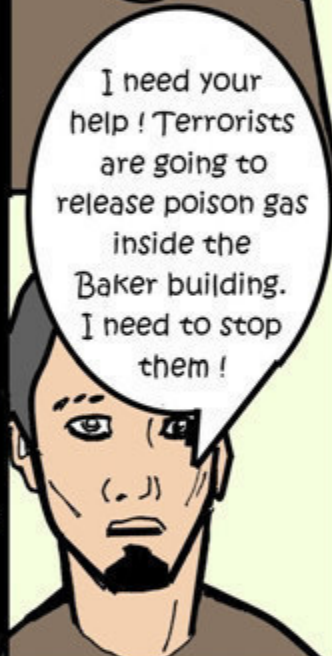

This city is full of criminals. Somebody has to stop them.

Info about a secret U.S weapon has been leaked to the world.

This weapon was also stolen by Devon Lawrence, a high profile terrorist.

Info about bases containing this weapon has also been leaked.

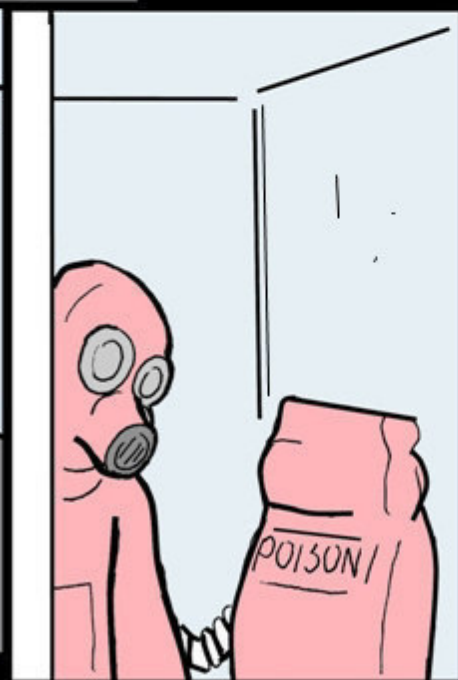

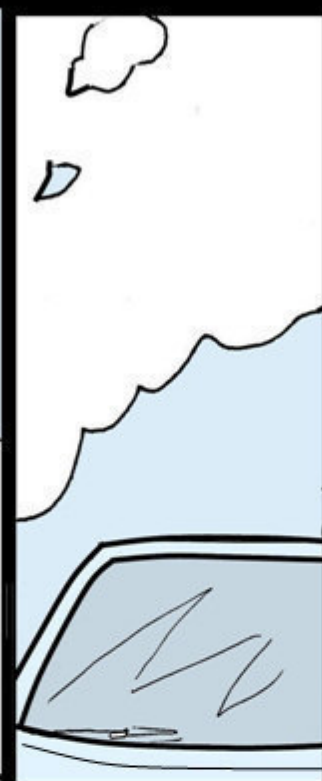

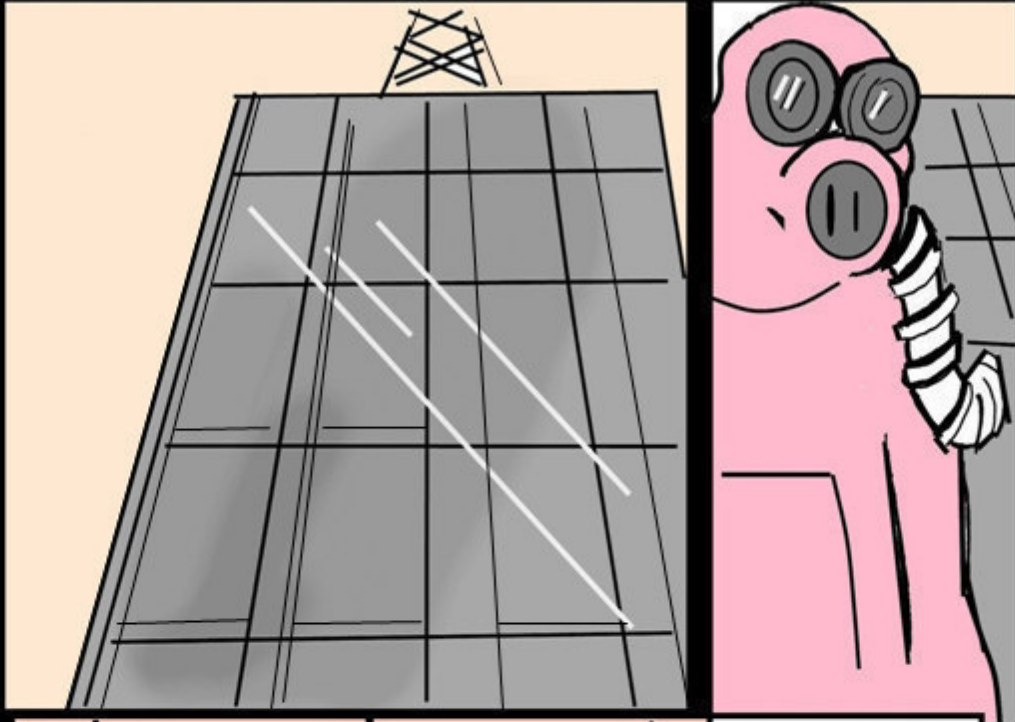

The search for this areas has become a terrorist goal. Ever since Iran opened up its nuclear program.

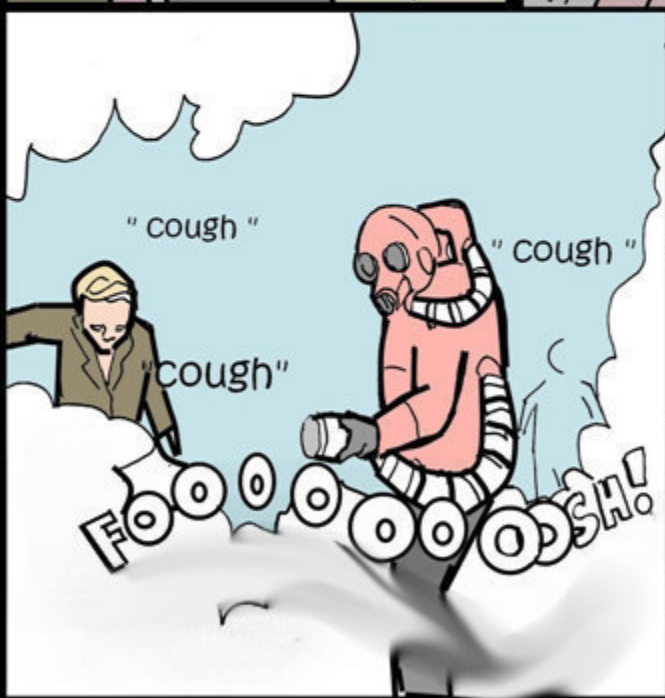

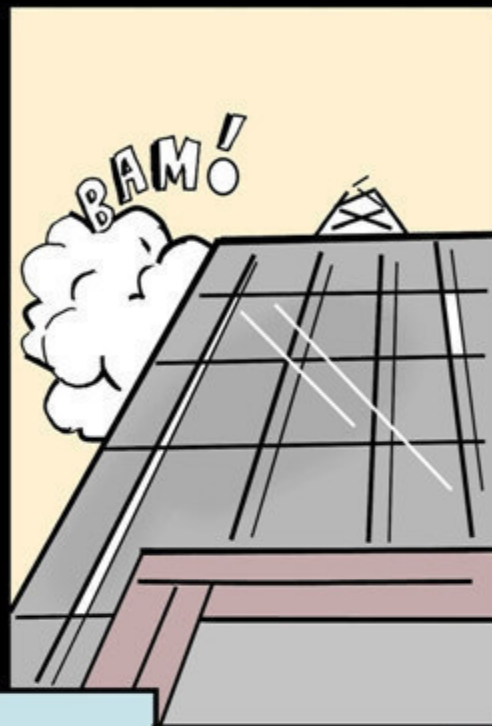

Angry muslims over a U.S video are eager to find the bases and get the weapon.

Then pass into Iran's nuclear base and release the missile.

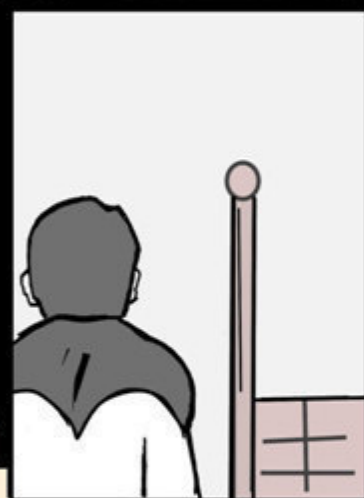

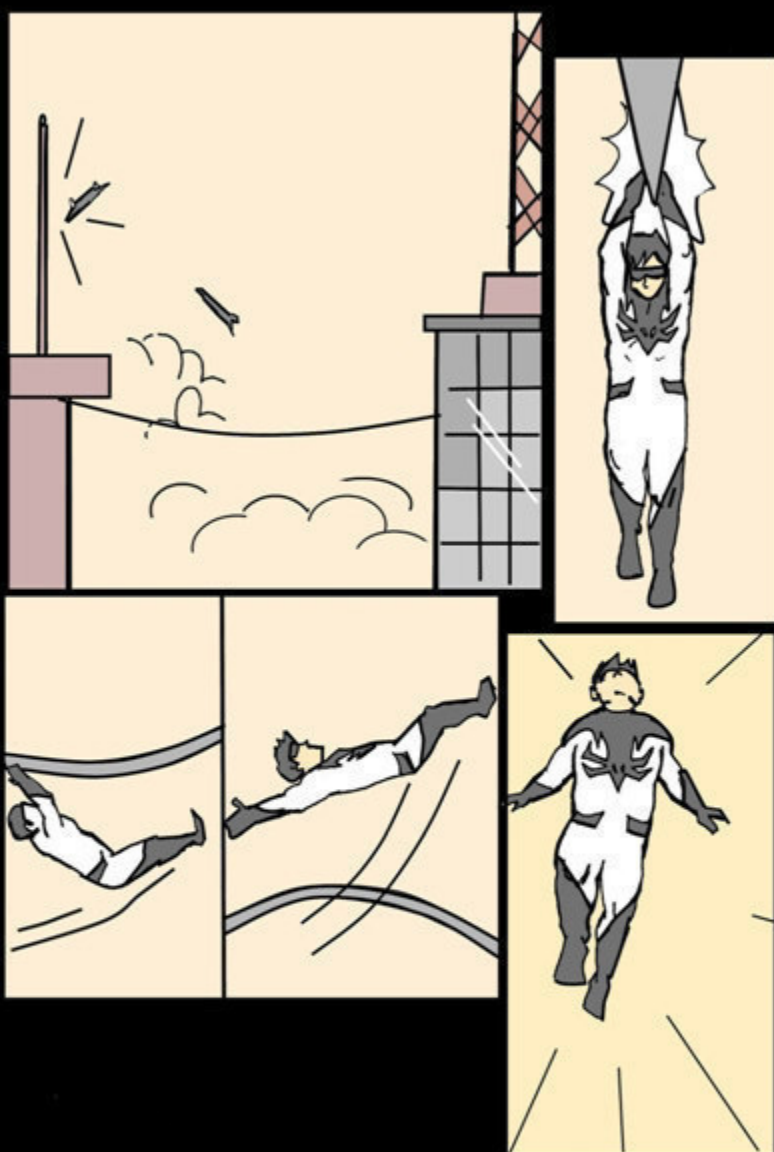

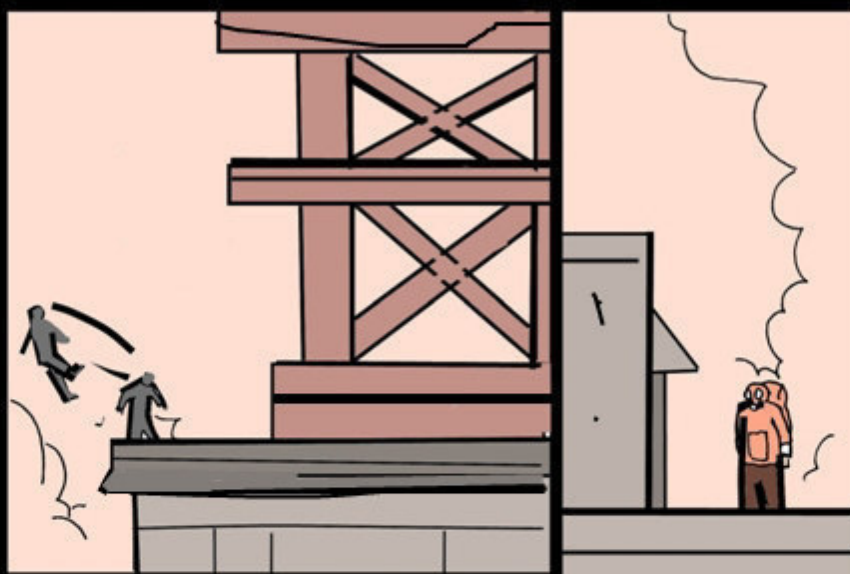

on top of a building across the smoking building. . . .

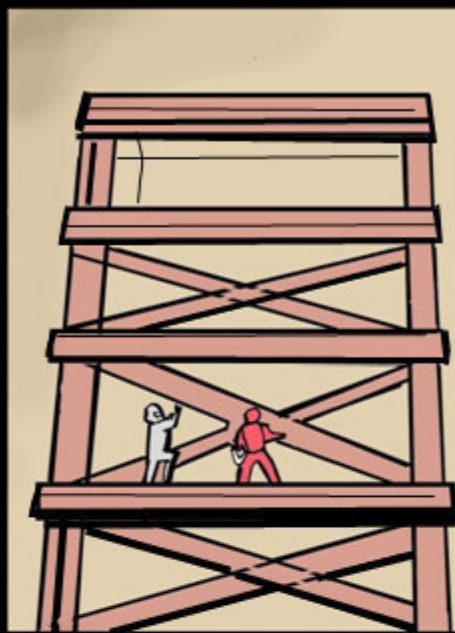

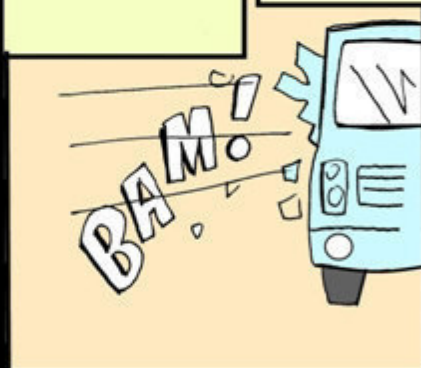

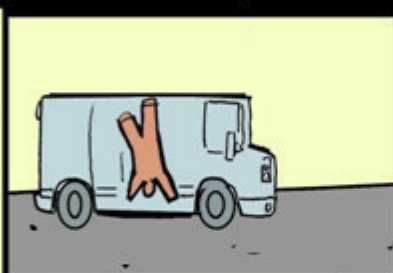

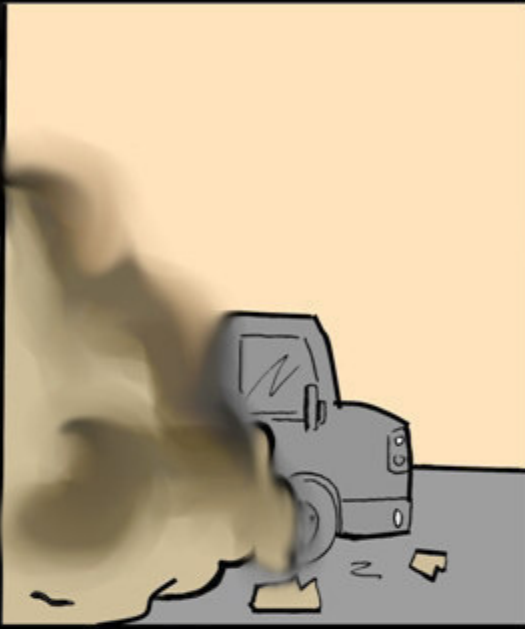

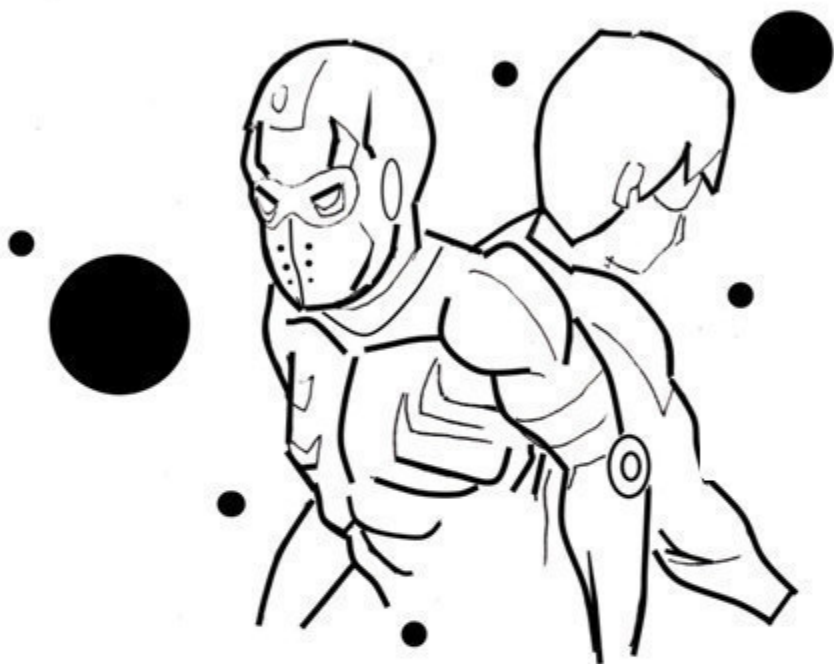

● A villain will never know
freedom in this world
or the next. ●

A group of people were assaulted last night by a person screaming very violently !Witnesses describe the person shouting , " I am Chris Harley ".

What happened last night?

Get out my way !

Hands behind your back !

Get off of me !

I'm Chris Harley .I'm a hero !

Blood !

What, your gonna cry ?

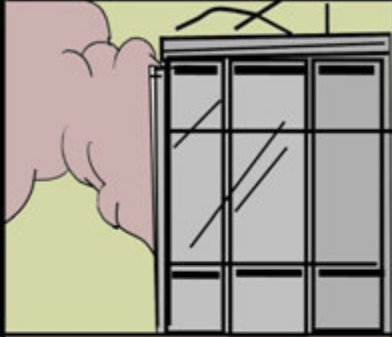

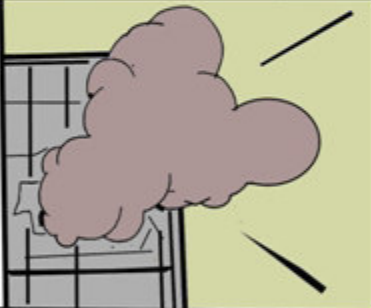

An explosion in a Chicago building is being investigated.

Police say Terrorism could be in play and, this was one of two explosions !

buildi

Witnesses describe seeing a man in a gas suit and possibly also seen a superhero costumed man.

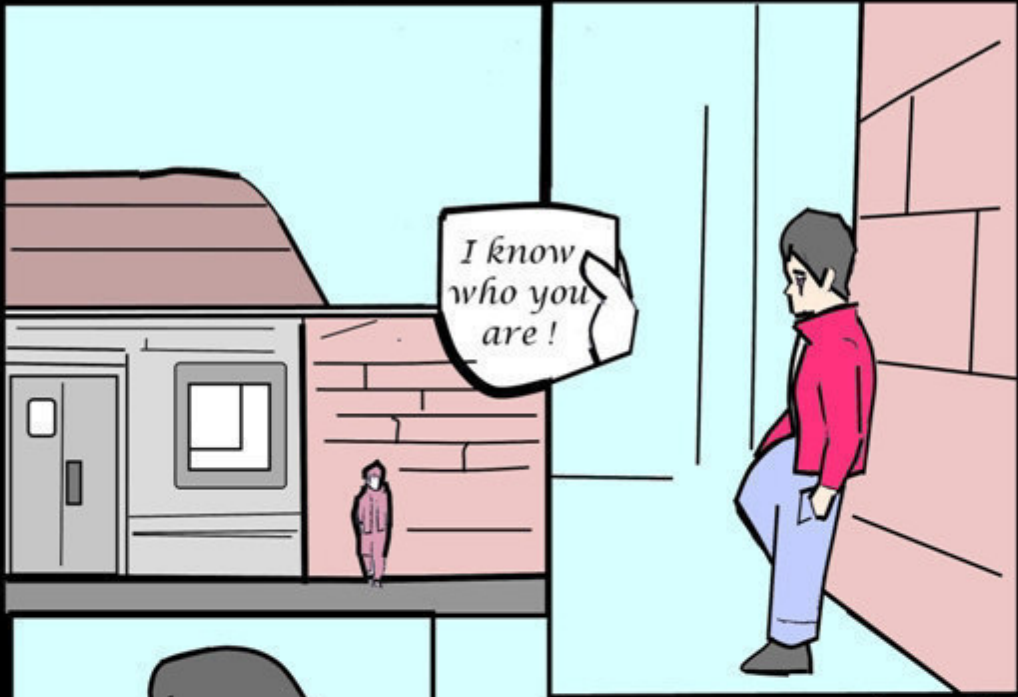

We can not rule out Terrorism but we still have no suspects !

Anti-war protests are taking away attention from today's superbowl, streets fill with protests against the U.S wanting to join a new war.

superbowl fireworks go off early and a bomb explodes

Breaking news !

You better run. There is a bomb on top the truck, you got 3 minutes !

3 minutes !

Now the video is disturbing if you don't want to see this. Everyone on board was killed instantly .

Here at night time news we bring you video of a bomb that blew up a commercial plane earlier today.

Caused by the world's most wanted man nicknamed, "Voodoo".

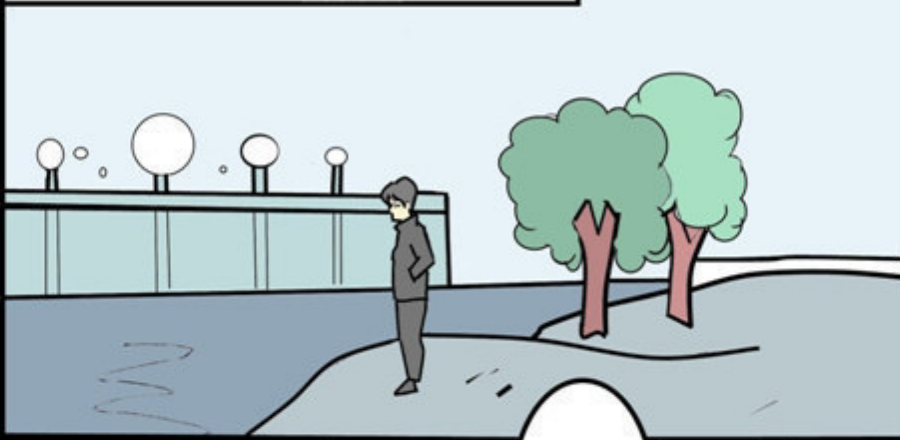

More bad news today. Terrorists have broken in to an Iran nuclear base .

The terrorists are only waiting now to find our U.S secret bases .

Alone in a river . . .

a big wedding ,my
dad's wealthy !

I knew you
really loved me

Do you believe in faith is that why ?

That is where crazy people go ?

He he, So you think she be with you even if.. .

Of course She get a refund in 10 yrs.

Heh he.

And, angels who told me that humans in the otherside, were the true warriors.

And, there were crystal buildings.

In the future man will see the answers and they will be beautifull at last .

though the bible great, a change could be made.our future not written in stone.

FWOOM!

prove "heroes"
wrong!

Devon Lawrence guilty of killing his mother, practiced voodoo and involved in terrorist like activity!

I still don't know how he recovered!? he was found in 2 pieces!

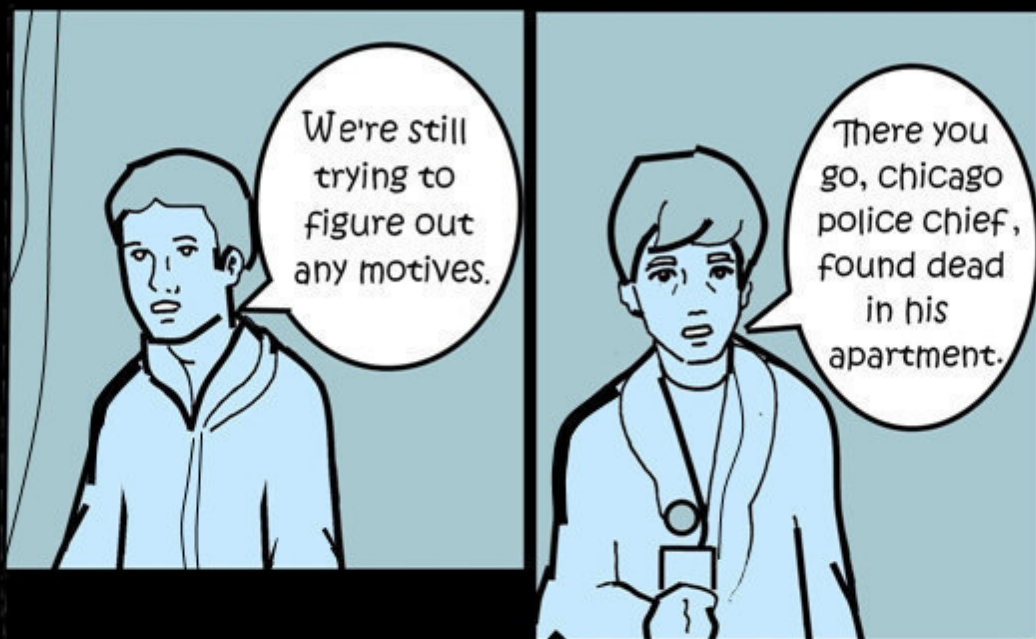

Find him and kill him!

He never
really talked
and now. . .

Well if this guy
really liked you !
Why is he just
telling you? What was
he afraid of !?

. . . Yeah, maybe

Chicago hospital . . .

You want me to tell him ?

No, I'll do it !

So what ?

It's gone .

Now I can be
there for you.
When your Illness
starts.

A known gang member who gave the name of a children's killer. is unfortunately dead ! Here is earlier video of the man.

I'd given the name because I have just had a child.

And I don't want my kid to grow into the same lifestyle I had he can be better !

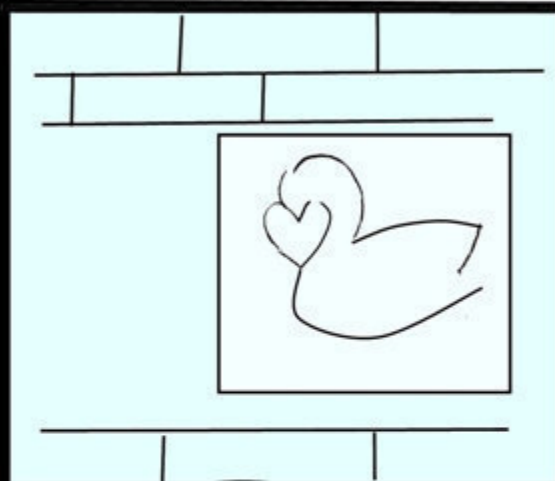

And , if he were killed ...

The man was later shot while the press followed him out ...

He said he would die if he could save somebody.

A costumed hero was seen last night posting peace posters on Chicago's most violent neighborhoods.

The hero has attracted a lot of attention, TIME magazine posted an illustration of the hero in their last issue!

The most dangerous part of a hero is the will to be one.

At home....

RIIIING !

Hello ?

Brian, I heard gunshots outside my apartment .there was a man in a suit his looking for you !

What ?!

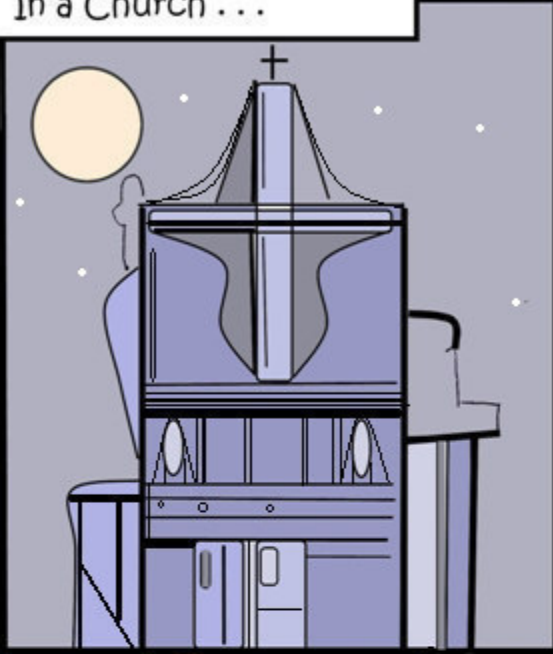

Lets see how much of a hero your brother is !

In a Church . . .

Brian, your here late.

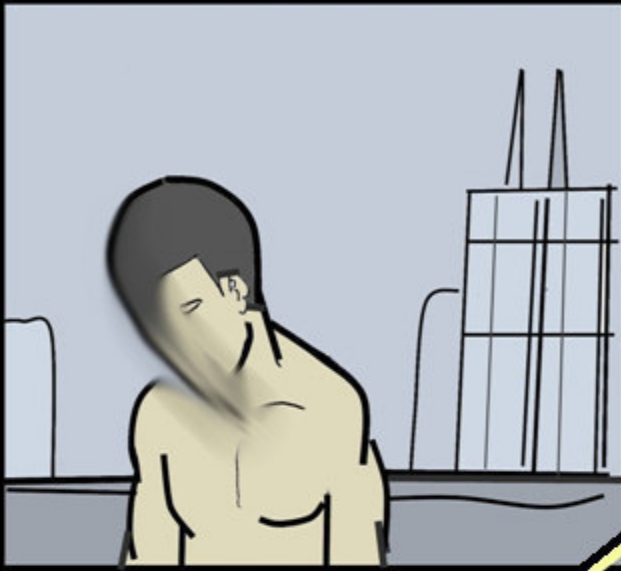

I need help. I'm going to fight the devil.

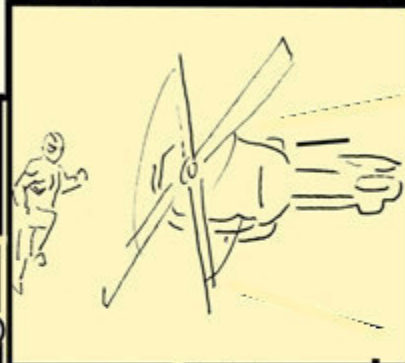

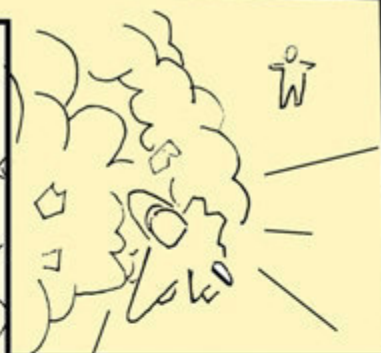

You know when this parilysis starts it's just going to make me stronger.

Isn't that why life sucks to make you stronger!

A jet fight with "Voodoo". . . .

Here we are 6 months
after a horrible violence
threat !
