This book is about what God wants from us as I have learned from my studies and guidance of the Lord. What we must learn that we are all sinners and in order to give that up we must be willing to read the Bible daily,

Listen to God speak to us to do His will.

## JUST A NOTE TO ALL

The Indians have long believed that a child was born with two wolves one good and one evil, and whichever one you feed the most is the one that stands for life. Which one will we feed the most? Or are we slipping and not feeding him or her enough to be good or has evil taken over before our eyes! I only tell you this because we have a human side and a spiritual side which one will we feed for the right live of faith, Love, understanding we need to make life good for us as God wants us to have A good life.

WE ARE BORN THEN WE DIE,

AND

IN BETWEEN WE GARDEN

When we received the Lord Jesus into our life, he is the Seed of life, and like a seed planted in the ground he is the seed of life planted in us, and like a seed we nurture it and cultivate it, and give it time to grow and do all we can to help it grow to produce fruit. This is the same way when we accept Jesus into our life, we nurture it cultivate it, and allow it time to grow. This is done on our part of the way we live, think and of things we do. We do our part and God will make it grow. God has given us everything we need to do it, and he is with us every step of the way! Eph.3:16-21 2Peter 1:3-4 Trust God and let the root of Jesus grow deep in our soul, and like using insecticide to ward off the bugs that invade our garden, we use the armor of God to ward off the evil that invades our life's.

Eph.6:10-18

THE TRUTH OF OUR FAITH

1Tim3:16

Christ (God) was revealed in human form and (made pure, justified) by the Spirit, He was seen by angels and announced to the nations (opened the way for all people) He was believed in throughout the world and was taken to heaven

## **About My Belief**

*As a minister of Jesus Christ, and have pledged to work for the SPIRITUAL welfare of all People of all Nations Preaching and sharing the Gospel of the Bible and teaching of Jesus Christ our Brother and God our Father and as I walk through L.I.F.E. {Really means Living In Faith Ever} I have discovered that the modern day general Christianity lacks The true Spiritually needed to set the world to working in the lives of our Brothers and Sisters, the Bible teaches and {show that there was and is a more refreshing, honest, open, spiritual, loving, and exciting way to be a Christian, Over the voices of those called general Christianity, not only prevailed, but has continued ever since to define Christianity, foremost, as a belief system}, that our faith is free, open, and creative. One does not have to be told how to act, or what to believe. We have the ability to think for yourself and read the Bible as it also teaches*

### **1Corinthians 2:14**

*But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; neither can he know them, because they are spiritually discerned.*

*Us that we should seek God through Jesus Christ our Brother {Jesus answered, "I am the way the truth and the life. No one comes to the Father except through me." John 14:6} it is very important for the good of our lives {L.I.F.E. Means: Living In Faith Ever}; we seek God in love, and belief.*

*My website is {<http://paladinnews1.blogspot.com>} The Paladin News {of the Twelve 'the twelve disciples' to keep the Faith and protect the innocent} therefore isn't about accepting mine or anybody else beliefs but its purpose is to share an early and widespread style of Christian faith that can deepen, transform, and affirm the way many are indeed as true Christians today. Until the discovery of the other Gospels, the way to be Christian was simply "to believe." This Orthodox or Fundamentalist's interpretation of Christ made Christianity another religion-- to oppose others. "Believe in Christ or go to hell." "Believe literally in their chosen books as the only way to know God." "Obey the rule of their authoritarian church." In doing so, you would receive the gift of salvation.*

*This was the message from the teacher's {of the day} to be a "believer," as it appears the way they're teaching Christians today. Throughout Jesus' and the Disciple's time they were ridiculed for denying "reality," {humanism} as being absolute. Now, there is a new story about their {Jesus and the Disciples} strong Spiritual Faith and belief in the real Jesus, the Gospels and writings can now speak for themselves, they raised questions, which have the potential to free Christianity for centuries of simple answers, and for many, unacceptable positions and beliefs, allowing all truth to be a part of the process of faith, to get the kind of spiritual Christian Jesus was teaching us to be and what we need in our L.I.F.E. {Living In Faith Ever}.*

## ***"Christ's Way Was A Spiritual Journey"***

***Yes ours can also be a Spiritual Journey if***

***We would just follow the teaching of the Bible,***

***And we too will be in the Spiritual L.I.F.E. {Living In Faith Ever}***

***And only then we will, begin to,***

***See the Invisible, Believe the Incredible, and Receive the Impossible***

***Then and only Then will we be true SPIRITUAL CHRISTIANS***

***A Different Way To Be a true Spiritual Christian.***

***The true Christian is an asker, seeker, and finder of the one true God, and is open to the true knowledge, of faith, love, and understanding, and is not fixated on the past but does trust totally in the "Living God." and only then will we begin to See the Invisible, Believe the Incredible, and Receive the Impossible as is God's will.***

# I Can See

I can see what you're looking to for in your LIFE  
The light in my LIFE  
The peace in my LIFE I have  
The love, understanding I have  
I see what I have  
To the People from my ministry  
I am a part of heaven's plan  
I talk to to the people of God's love  
I share God's word to all my brothers and sisters  
With the inspiration of God I do His will  
We are all part of heaven's plan  
If we choose the God's hand to lead us  
Now it's all I can do is to tell you of God's love for you  
So the Lord has sent me to share God's message  
It's to save the people and little children of the world  
Not just those in poor country  
I want you to have an everlasting LIFE  
I want you to catch the ride all the way to paradise  
I got my ride to heaven, I want you to come to  
The good Lord will and does provide  
I believe He will  
So come along and take the ride with me  
They're tuning to the Lord all across the land  
To hear Him speak of the wonderful things they'll have

## *I Am*

I am not a perfect person,  
My hair doesn't stay in place,  
I spill things a lot,  
I seem pretty clumsy,  
I sometimes fight,  
Some days nothing seems to go right,  
But when I think of you Lord,  
And take a step back,  
I remember how amazing my LIFE is,  
I just start to see that maybe,  
I would be better off imperfect,  
As how else would I learn...

## *Through My LIFE*

I'll go through my LIFE loving you Lord  
I give all my LIFE to you Lord  
I've been saved by you by you Lord  
And I know I'll live again with you Lord  
Even then I know it will never end  
For I'll go through my LIFE loving you Lord.

Oh, to take my place with you Lord forever  
There's nothing I wouldn't give to help you Lord  
I'd prove to myself daily what you really mean to me

I'll lay down my life for you Lord  
I'll work day and night to show everybody what  
you can do for all of them

when you call me home I'll be ready  
For I'll go to you Lord when you call me  
I'll go through my LIFE with you Lord

***God is in all Things***

Apprehend {Understand/Perceive} That God is in all Things

For life cannot be without God within

Every single thing in life has God within

For God is the life force of all things

For God teaches us to

See the Invisible, Believe the Incredible, and Receive the Impossible

So Apprehend the fact that God is in all Things even you and I

LIFE is Living In Faith Ever

## ***Bible***

- As I have and do read through the Bible
  - I find that God and Jesus is teaching

  - His tools are Love, Faith, and Understanding
  - His word is from God, and Prayer
  - His People are the poor in spirit,
  - The lame to life, the Blind of life,
  - The misunderstood of life's ways
  - He opens the ears with God's word, with Truth
  - He opens Hearts with God's word, with Love
  - He is gentle and humble
  - He is full of forgiveness
  - His teachings are of God's gift of everlasting life
  - God's Heart brings Heaven to earth
  - With Love and Understanding to mankind.
- 
- Is there any greater Book then the one that teaches us not only how to live but how to be with our God, ourselves, our Brothers and Sisters as well, so let's take from this great example's of Jesus and do what is right always not just once in a while or year lets truly work to make not only our lives great but our Brothers and Sisters as well. "Living In Faith Ever" as God intended.

## ***To The Glory of God***

RISE AND SHINE for JESUS...  
For we are Crucified to the cross...  
And saved by His resurrection...  
Where He give His LIFE...  
Then He was raised from death...  
On the third day the angel came...  
The huge rock rolled away...  
An angel who told them...  
Where the LORD lay no more...  
For they saw an empty tomb...  
He was raised from the dead...  
As the prophets had for told...  
As JESUS had said...  
It was all as was written...  
The scriptures were fulfilled...  
Jesus was raised from the dead..  
As his father told of it...  
He met once again the disciples...  
With the faithful twelve...  
After blessing them all...  
He ascended to heaven...  
He sits now His throne...  
His physiognomy does shine...  
He died for us all...  
For your sins and mine...

## **Jesus Loves You**

Jesus loves you children  
He'll help you through your LIFE  
He's always there to make you right

When tears come pouring down your face  
And you can't find your way  
It's hard to believe He's their  
To help you through your LIFE  
When you're feeling like  
You'll never see mornings light

Come to Jesus  
He'll see you through your LIFE

Jesus loves you children  
He'll help you through your LIFE  
He's always there to make you right

When you think the whole  
world has passed you by  
You keep on trying  
Cause you really know  
He's their helping you through

Children when you need a smile  
To help the evil go away

Come to Jesus  
He'll see you through your LIFE

## ***I'm Calling on Jesus***

I need a sign to let me know you are here  
All of these lines are being crossed across Heavens  
I need to know that things are going to look up  
'Cause I feel I am drowning in a dark sea spilled on me  
When there is no place safe and no safe place to put my head  
When you feel the world shake from the words that are said

I'm calling on Jesus, please  
I'm calling on Jesus, please

I won't give up if you don't give up  
I need a sign to let me know you are here  
'Because the LIFE around just keeps it all from being clear  
I would like a reason for the way things are around me  
I need a hand to help build up some kind of hope inside of me

When children have to play inside so they don't disappear  
While private eyes peer on us while lies cause us not to talk for years  
And world leaders are threatening to destroy the world  
and losing sight of having dreams of Heaven  
In a world that we want is only what we want until it's lost  
Until we have nothing left to loss  
Except our soul's

I'm calling on Jesus, please

## ***An Ode To LIFE***

As I lay my head down and start to fall asleep I see myself being carried off to a place  
and time the place of our Lords birth in Bethlehem of Judea

As in the Bible tells the story of His life and how he lived and died in that human seance  
and rose on the day He told of

I do not remember being here but I remember the story I was taught so many years  
ago

As I walk through the streets of Bethlehem I see each scene and hear every word as I  
am learning the story they telling is true

The writer writes of a jealous King and his way of dealing with his people and of Mary  
and Joseph who came to Bethlehem to have a child

The story tells of the three wise men who saw a star in the north and heard of a child  
who was born to be the King of the Jews and come to see and bring Him gifts

An angel from the Heavens above came to Mary and Joseph in a dream and told them  
they had to leave Bethlehem or King Herod would have their son killed

So they left Bethlehem and went to Egypt and there they lived until King Herod no  
longer ruled

As I follow along in my dream I see each scene and hear every word as I am puzzled  
by the fact I understand each

I don't understand why I'm going through this time but I know I must continue on this  
journey

As I am pulling through a time where I reach the place of Jesus' in Nazareth of Galilee  
As I watched Him grow and work in His father's shop I could see the thing in Him that  
were with me

As I walk along the streets and look around I hear the people talk of a child that speaks  
of wondrous love that's all forgiving and of a Father in Heaven that's loving and true

## ***We Are the Fountain***

***Yes we are the fountain***

***For those who need Christ***

***Yes we must let our fountain flow***

***With the faith, love, understanding, and unity***

***Yeas were the fountain of Christ***

***To spread and share His message***

***With all People of all Nations***

***Yes we are the fountain***

***To ever flow with God's word***

# My Children

Say you know me,  
I'm here with all People,  
I am the breeze,  
I am the light.  
I am the sea,  
I am the life,  
I am the beginning and the end,  
I know your pains,  
I know your sorrows,  
I know your joy  
I know your happiness,  
I am everywhere,  
Although you can't see or touch me,  
Although you don't realize it,  
Because I am part of all People everywhere,  
If you want me in your heart,  
I'm knocking at your door ask me in,  
For all People I am here.

## ***Will We Know Him?***

Will we know Him if He stood in front of us?

If He walked by us on the street?

Will we know Him?

If we have a chance to meet Him in our lifetime?

In that split second that we meet Him?

Our eyes met for the first time?

Will we know Him?

Yes reading the moment we stood side by side?

Our smiles are very clear

Our heart jumps around

Yes we do know Him?

That look, and that feeling

When we know we've found our home

Yes we do know Him

Yes we know what to say to Him

As we walk away together

Yes we know Him as He knows us His children

We are finally together

## **A Thought for our LIFE**

I would say a good,  
LIFE is when you,  
Assume Nothing,  
Do More,  
Need Less,  
Smile Often,  
Dream Big,  
Laugh A lot,  
Realize how Blessed,  
We really are,  
For God is with,  
Us Always.

## ***JESUS***

***Jesus, Jesus where do you go?***

***Jesus far, from home,***

***With the word of God comes the man named Jesus,***

***He travels with God's armor and lives in this ungodly land,***

***And His words of God come like the calling wind, setting men  
free,***

***A soldier in God's army is the man named Jesus,***

***Jesus, Jesus where will you go,***

***Jesus far, from home,***

***He goes where He is lead,***

***The Word of God is His trust,***

***As the Word of God is pronounced,***

***The ungodly fear the man named Jesus.***

## **US IN JESUS**

***Before US were thought of or time had started,***

***God put US in His Son's name..***

***And each time we pray, you'll see its true,***

***You can't spell Jesus without including US.***

***We're a pretty big part of His wonderful name,***

***For US, He was born; that's why He came.***

***And His great love for US is the reason He died.***

***Isn't it thrilling and splendidly grand***

***He rose from the dead, with US in His plan?***

***The stones split away, the gold trumpet blew,***

***And His resurrection was for US.***

***As JesUS left the earth with His upward ascension,***

***He felt there was one thing He just had to mention.***

***"Go into the world and tell them it's true***

***That I love them all - Just like I love you."***

***So many people are Christian brothers and sisters,***

***Don't all the others have a right to know JesUS too?***

***It all depends on what we do,***

***He'd like them all to know,***

***But it all starts with US.***

# ***“Hello It’s Jesus”***

***I’m 6’ 2’ and 220lb man and He brought me to his knees,***

## **God Gives Us Wisdom In Small Doses**

Sad is the People of the lost hope  
LIFE is often a long drive nowhere  
Golden is the song joy brings  
Deep is love that truly lives  
Dark are troubles that they ware  
Lost are hopes never to see  
Young is the ones of youth  
God is the stand of truth  
They rarely ever yields fruit  
Some are waiting for there fate  
Death is the heart that hates  
Sadness never ever repairs  
The heart that hats or judges  
As they seek to stop their time  
They think their LIFE can turn on a dime  
Surrender to Jesus and win  
Lies often destroys friends and Family  
  
God helps us mend and live again.

## My Time Has Come

My time is over here in this body

I am being called home as my work is done here

I hear my Lords voice calling me home

Although I know I will miss this old world

With all the I have seen and done

All the People I have met and talked to

My body can go on no more for it has reached it's time

## ***"I'm Going Home"***

***Lord thank you for this life,***

***As I have lived a full life,***

***It was not always as I would have liked,***

***But I lived it to the best of what I could,***

***I'm going home; Home to the place I want to be,***

***I'm going home to Jesus where He waits for me,***

***I have been a long weary believer,***

***As I've been away too long,***

***I now know what I've been searching for,***

***As He's been there with me all along,***

***I'm going home; Home is the place I want to be,***

***I'm going home to Jesus where He waits for me,***

***Now I yearn for familiar faces in familiar places,***

***I hear familiar voices calling me to come home,***

***I see familiar faces looking at me,***

***I'm going home; Home is the place I want to be,***

***I'm going home to Jesus where He waits for me,***

***My time is near, the hour I know not,***

***I have been and seen lots of places in life's journey,***

***I see Jesus' face across the Heaven's,***

***I hear His soft sweet voice calling me home,***

***I can't wait for my real life to begin,***

***I'm going home; Home is the place I want to be,***

***I'm going home to Jesus where He waits for me.***

## *I Will*

If a kiss were a drop of water,

I will send you a shower,

If a hug were a second,

I will send you an hour,

If a smile were the sun,

I will capture it for you,

If you ever need love,

I will be there for you,

Always and forever...

To My Wonderful Wife

Honey do you know how much you mean to me

You give of yourself so unselfishly

You care, share and are always there

I just wanted you to know

What a wonderful wife you are to me

I thank God every day for how wonderful you are

Yet I know it is the only way you are

I Love and Respect you so greatly

For being the Greatest Wife in the world in every way

I will always Love you no matter what

Love always Sam
