A FOREWORD FROM THE LOWER WORLD.

Me, JOAQUÍN C. PLANA, son of a son, publicly declare that this book includes the translation of some of the content written in the scroll discovered by and preserved at the University of Artstown and that this present translation is faithful to the original as per my knowledge extent.

THE OMEN.

Dear beloved ...

Brothers and sisters in the SPANISH LANGUAGE FAITH ...

I humbly offer you this scroll. In it, you all would find WORDS
of TRUTH ...

The WORDS in this scroll I have been dictated in a DREAM by
a POWER I can not know. The goodness of this transcription
only GOD can judge.

The WORDS in this scroll would save you from enrolling the
WRONG ACADEMY of LANGUAGES and live like a
SINNER the rest of your earthly life.

So read it and use it wisely.

The SALVATION of your soul is at stake: the DEVIL can
assume any shape ...

These are WORDS of REVELATION.

Hold my hand, have no fear ... I will guide you.

IN THE BEGINNING.

In the beginning ...

... In the beginning, GOD created the HEAVEN and the EARTH of the SPANISH LANGUAGE WORLD, the PARADISE of LEARNING and KNOWLEDGE.

GOD saw it was good. Then HE created WOMAN and MAN to live in PARADISE. And for them to LEARN, HE made the TREE of KNOWLEDGE, filled with APPLES that were nothing but WISDOM. Shiny and bright green looked the round fruits. WOMAN and MAN gave little bites to them, and the delicious taste gave them the idea of TRADE: to make a profit out of WISDOM.

A SNAKE was sleeping on a branch nearby and woke up at a sudden burst of laughter. When it heard their conversation and plans, the SNAKE ran away apalled.

That WOMAN and MAN turned out to be more poisonous than vicious creatures that crawl the EARTH.

THE RELIGION.

WOMAN and MAN believed in the GOD that created them. They had the FAITH. It was not much later that they thought FAITH as a tool. If they could get other women and men to have the FAITH, they could be manipulated at will.

That's when the RELIGION started. WOMAN and MAN planned a parish. For that, they needed apostles, preachers, priests, martyrs ...

And a parish needs a TEMPLE.

GOD watched everything and cried TEARS of IMPOTENCE. HIS idea of sowing the SEEDS of LOVE and ETERNITY had become the SEEDS of ABUSE and DEATH.

THE CHURCH.

WOMAN and MAN found themselves a flock. Flocks need a stable. Or a hut. Any dwelling could be auspicious, because a sign on the facade is all that is needed. To attend.

To belong.

Once the gates of the now called TEMPLE closed behind the new BELIEVERS, the FEAR started: WOMAN and MAN's FEAR. Because the BELIEVERS paid with GOLD for the SPANISH KNOWLEDGE to be taught. WOMAN and MAN feared that the GOLD would stop coming.

FEAR was the word now: WOMAN and MAN feared the GOLD LOSS. So, apostles, preachers, priests, martyrs should also feel FEAR, any FEAR. WOMAN and MAN made them believe that the SPANISH KNOWLEDGE was the path to SALVATION, of a better life. And that missing that path would drive to HELL. The idea of HELL was left undefined, so each one would fill the void with their own FEAR.

And every apostle, preacher, priest and martyr infected the flock with FEAR: the FEAR of missing the SPANISH KNOWLEDGE and, with it, the path to SALVATION, the promise of a better life.

The BELIEVERS themselves closed the CHURCH's gate behind them.

THE BOOK.

... and where there is FEAR, there should be a BOOK to keep it safe. To represent it. To create a heritage of FEAR through GENERATIONS.

WOMAN and MAN needed a HOLY text that could be taught. A GOSPEL away from GOD SPELL. Apostles, preachers, priests and martyrs should write it, so they could have a BOND and defend that, without the HOLY BOOK, there WAS no SALVATION.

There IS no SALVATION.

And the HOLY BOOK was written and WOMAN and MAN named it: THE BAY OF SPANISH KNOWLEDGE. The reminiscence of HEAVEN, suggested in an AROMA.

THE SEAL.

The SEAL was a COIN.

THE ALLEGORY.

SPANISH KNOWLEDGE can be BOUGHT: PRIZE with a
PRICE.

THE INQUISITION.

WOMAN and MAN found out that some of the apostles, preachers, priests and martyrs had no FEAR. And that was understood as a BLASPHEMY. So they started the first purge: some of the apostles, preachers, priests and martyrs were expelled from the REALM of WISDOM, damned to walk the EARTH with no hope of shelter.

But WOMAN and MAN considered that, then or later, other apostles, preachers, priests and martyrs could also incur into BLASPHEMY: so the EYE of WATCH was created and WOMAN and MAN announced it to them. From then on, apostles, preachers, priests and martyrs would be GUILTY of having no FEAR, but also consciously responsible of their own GUILT.

INQUISITION of the self in the making.

THE MISTAKE.

THE SIN.

THE CURSE.

Among the members of the CHURCH, one of the priests happened to be unusually good-hearted. MAN and WOMAN made a MISTAKE: BOTH mistreated the priest. Only then the GOD of the SPANISH LANGUAGE WORLD, fighting HIS own FEAR and TEARS, returned to CONCIENSCE, spurred by the HURT and the PAIN that was inflicted to the innocent, as HE HIMSELF felt the hurt and the pain.

HE addressed WOMAN and MAN in the shape of a storm:

- That is a SIN you committed. Of this I accuse you: the DAMAGE of a SOUL I created.

WOMAN and MAN arrogantly lifted their chins and arrogantly stared at the talking changing clouds.

Thus GOD continued:

- The mark of the SIN would dwell permanently in your countenance: at first, it would be invisible to the insensible and visible to the sensible. But, one day, the sign would become visible for all and you will perish poor and abandoned. This is my CURSE.

The storm evolved into a breeze and WOMAN and MAN breathed its air.

THE END had begun.

THE END.

Their lungs rotten, WOMAN and MAN **DIE**d. But GOD's mercy gave them the DREAM of LIFE in DEATH: WOMAN and MAN forever dream that they are alive and have a prosper life in the SPANIH LANGUAGE INDOCTRINATION.

This is their own HELL: a NEVERENDING IGNORED END.

Praise GOD.

AND AFTERWORD FROM THE LOWER WORLD.

Here the dictation in the dream ended. Here then I succumbed again to pain in the spectral light of the awake ones and wrote down GOD'S WORDS of WISDOM in this scroll.

Waiting for my own GOD's mercy, I bid farewell.
