Man cheated by death

Written by

Isaí Cervantes JM

Within a lost mind by excess drug, imaginary stories occur. In the span of the narcotic effect this man is in a deep sense of numbness, between reality and fantasy.

An old tree saw in him a survivor sat to dry her tears. The dry weather that completely. Because his hands are strong, wise, and he knows that the future is in the land.

Chapter 1

Fancy desolate sea

Fantasy begins.

In the human mind and sub-happen real strange dreams.

This begins on a beach with many couples sitting at the seashore, expressing their love in different ways.

At the top of the coast sitting next to a tree, watching the setting of the sun, it is our character that challenges man love, life and death dreaming.

His name is Dante Oliver.

On the hill there is a tree melancholy.

Dante/O. ---> **(Angry)** Wretched life took many years waiting on this beach, looking like the romances grow and overflow everywhere.

Dante/O.---> **(Angry)** Ahhhhh! All I have is this damn tree I'd whisper things in mind. I'm sick of waiting so long.

Tree ---> **(Serenity)** Quiet stubborn man, spent years on this beach and eh seen the ocean waves coming and going for decades. I do not complain as much as you.

Dante / O. ---> **(Ironic)** ha! A damn tree like you cannot complain. Only you are in my thoughts, you have no conscience; you cannot feel what I.

Tree ---> Sure! That I can feel, I am a living being. Men only can express their happiness in the company of their peers, is in its nature. Instead we express our love and happiness with everything around us, including you. I protect from the sun giving you a cool shade and a log fort where you can rest.

Dante / O. ---> **(Gesture)** Ahhhhhh! Ahhh!

Night falls, the whispering of the wise cease tree. The man starts talking to the subconscious, looking at the sky for comfort.

Dante / O. ---> **(sad)** I'm tired of this place, not take it anymore. I'm tired of waiting under this tree; watching love is born all over the beach.

Dante / O. -> (Sad) mmmhhhhh! Ahh! (Sad) Sometimes I think God I miss this place. (Sorry) Why God? Why? Too bad I did to deserve this intense punishment. Give me your peace, give me calm and let's get out of this terrible nightmare.

A wind blows coldly on the Beach (Wind)...

Dante / O. ---> **Ahhhh! Uhhh! (Trembling)** that cold does, I have much sleep you better get some sleep.

The wind hisses loudly, in the distance you hear a voice whisper.

Unknown Voice ---> (**Softly**) Wake..... Wake up..... Dante Wake.....

Dante / O. ---> what is it? Are you a tree? What do you want? Let me sleep! (Angry) aahhhh!

Unknown Voice ---> (**Softly**) come on ... wake up.... Dante ... wake up.... Come.... Come...

Dante / O. ---> (Surprised) ray! It is the tree that talks to me is ... (**Scared**) Someone else!

Unknown Voice ---> (Softly) Come.... Dante ... Come...

Dante / O. ---> (Astonished) the voice comes from that path, (shouts) WHAT DO YOU WANT? , What are you looking at me?

Unknown Voice ---> (Whispering voice) Come ... Dante... Come.... Follow me.... Come ... you never free from your solitude...

Unknown Voice ---> I will deliver you from that place which you can't.

Dante / O. ---> Can you really do that?

Unknown Voice ---> (Whispering voice) See... Follow me...

Dante gets up slowly follows the path of bush where the voice comes. The unknown voice whispering wind is the name of the man.

Dante/O.---> That voice comes from that path, I will see it goes.

Unknown Voice ---> (Intense loud voice) Stop! Des not a step!

Dante stops in the middle of a large area surrounded by trees.

Unknown Voice ---> (Voice firm) cannot pass beyond this area.

Dante/O.--->(Scared) What happens?, Why I cannot follow? Damn! I want to leave this place now!

Unknown Voice ---> (**firm voice**) Quiet, you explain why you're here.

Dante/O.--->(Surprised) What! Do you know why I'm here?

Unknown Voice ---> (Strong voice) clear! Let me introduce you.

Exits a small malnourished child from the bushes, in their hands has several knife cut marks, gaunt and haggard eyes staring at the man.... And he says:

Child ---> (**Voice of Children**) Hello! (**Laughs**) hahaha! how are you?

Dante/O. ---> (**Angry / shouting**) damn! Brat stupid what the hell do you want? I have no time for games, the further away from the beach I feel more and more suffocating me.

Dante turns towards the coast, he screams...

Child ---> (**Deep voice / firm**) Stop! No you do not take another step. I have not yet submitted.

The little infant eyes get red hot, as 2 burning flames.

Child ---> (**Deep voice / firm**) Come here and sit down I have many things to explain.

Child ---> (**Voice of Children**) My name is... My name is... (**Laughter**) LoL, I have no name, actually I have several. (**Deep voice / firm**) You can call me "Final".

Dante/O.--->(**Amazed**) "Final" (**Silence**) ... you're the one who brought me here? Who are you?

Final ---> (**Deep voice**) who I am is not important, I can only say that status to men, the end of time, eh tour this and other worlds in search of how to satisfy this hunger.

Final ---> (**Deep voice**) now I will tell you is this site. The beach is a dream for lovers, living happily with their partners for a long time, until the sea rises and takes them forever, paragraphs and plunges into the depths of his dark abyss. It's a damn to those who are perishing blindly for his unbridled love.

Dante/O.---> (**Wonder**) But I'm doing here? If I have not known true love, I'm on top of the hill, next to a tree, imprisoned for a long time unable to wake up from this terrible reality, why? Why am I in this area?

Final ---> (**Voice of Children**) hahaha you're a special case, your punishment is to watch all the couples from the beach watching his love overflowing, feeling envy and sadness for not having it, huhu.

The young Dante exclaims:

Dante/O.---> What did I do to deserve this punishment!

Final ---> (**Voice firm**) Long ago rejected a love that I get to you, despising this great opportunity to find it. You are in this place for your past mistakes.

With a look that floods the man's withered soul. Ask forgiveness for your mistakes.

The infant hunger and pain flooded, it gives a little hope to get out of that tragic condemnation.

Final ---> (Deep voice) only killing all the love in the beach you amend your mistakes young Dante. You'll have to kill all, destroy all forms of affection that lives in that sea.

Final ---> (Deep voice) Kill them all!

Final --->(Deep voice) This large trunk that I have has many weapons you might serve.

Final ---> (Voice of Children) Come on, choose the weapon you like best are all yours. Hahaha let's play.

Dante Oliver looks into the trunk where all the weapons, choose a sharp and large machete.

Dante/O.---> Well, this seems perfect, but just in case I'll take also this little knife. So now what's next?

Final ---> (Deep voice) now go to the beach and ends with all couples.

Dante/O.---> **(Thoughtful)** Mhhhh! I have not the value dammit! This is too, I've never killed anyone.

Final ---> (Deep voice) do not be a coward! It's the only way you can get out of here, destroying all the love that is generated on the beach; you have to kill the last trace of affection.

Final shows a small bell-shaped flower.

Final ---> (Voice of Children) Here, take this little flower will give you the courage to do it, will transform your subconscious, take out what you have hidden, your anger, frustration, hate, pain. Come... come ... And you will be someone else!

Dante/O.---> As long as you leave this place I will.

Dante eats the flower, he does so slowly and nasty attitude.

Dante/O.---> **(Asco)** Hiaaaww... Pffff tastes awful!

Period of time elapses, Dante feels an immense and intense heat, begin to feel dizzy, nausea and stomach pain.

Final ---> (**Voice of Children**) hahaha the effect begins soon be the man without fear; feel like changing your personality.

Final ---> (Deep voice) you feel like your true self emerges. Without fear, without prejudice, without limits, come on! Go for your freedom.

Dante enters emotional collapse; madness and despair invade it from the center of your being.

Outcrop hidden emotions can't with rage and anger. His eyes are transformed completely, empty eyes, lost, forgotten. Its appearance resembles that of an angry demon wanting to kill everything that crosses his path.

Dante runs off in the direction of the bank.

Chapter 2

Death on the beach

The slaughter begins fearless man reborn.

Chaos, hate, anger, despair and suffering flaunt on stage. A storm fell on the beach, looming tragedy of lovers.

The new personality of Dante is now Oliver, his other part that is divided being. Two souls dwell in the body of one man.

The man who was once imprisoned in the deepest part of the human mind, reborn without fear, without anything more than a goal in mind. Exterminate all traces of love!

Oliver pushed by a strong desire to get away from everything, out frantic looking to make that precious desire. No obstacles, no barriers, no chains ... This time I know she made it.

Oliver/D: ---> (Rage) it's time! Ahhhh!

Tree---(Scared) Boy where are you going? With that anger?

The tree sees Dante's face.

Tree ---> (Surprised) God that face! Not you! That's not you!

Oliver/D: ---> (Rage) THE DEVIL YOU! I have heard many times your advice and I do not care.

Oliver goes like lightning fast toward the coast, rain falls and lightning sound like a roaring lion, devouring everything in its path.

Tree ---> (Desperate) Noooo! Do not! Take my advice, you will soon cease the twilight of your soul; have faith ... have faith...

Oliver/D: ---> (Fury) my faith was not understood. I cannot trust your words; I am now Oliver the man without fear.

Zero hour begins; Oliver has come up with the first pair of lovers who are. With machete in hand, picks him up and pokes the first blow, severing the head of the young boy. The gushing blood soaking his girlfriend.

Girl in love ---> (Horror) Ahhhh! Beloved! Ahh! Why? Why? What you did?

Oliver/D: ---> (Fury) fuck you! Now you're next. Fumm!
(Shout) ahhhhhhh!

Oliver with his machete through the young woman, the first murder occurs. Blood flows through the sand.

Oliver / D: ---> (Madness)Ahhhh! I never felt so alive hahaha.

At the top of the beach another scene starts. Final where the tree comes and tells...

Final ---> (Deep voice) I get your time old friend, as you all there on the beach die. Your wise counsel could not persuade Dante, and now look what he does.

Tree ---> (Sadness) Why you did Dante? Because you let this thing fool without hope or purpose. Your love was near.

Final ---> (Deep voice) you already have nothing to do in this place; this will soon be a cemetery. Wait so many years for this moment. Wasting your strength with each death that occurs.

End with your child and malnourished body, lifting it takes a huge ax with great firmness, seating a big blow to the tree trunk.

Final ---> (Voice of Children) lol this is funny, it looks like agonize hahaha.

Continue the deadly blows against the old tree.

Tree ---> (Moribund) Al end it will be rebuilt, my death does not mean that find yourself won. You will continue with that intense hunger for eternity. "**The love triumph over all things**"

The tree is about to fall, Final settles the final blow with his sharp ax, but the tree does not fall lies dead standing.

Final ---> (Deep voice) At last my task worked. Love that prevailed on this coast will be banished. Including you young Dante.

On the beach rivers gush blood mingling with the vast sea, red tinged with the smell of death.

Ecstasy, madness and the macabre deaths continue stalking the small banks.

Oliver/D: ---> (Fury) Ohhhhh! Ahhhh! another death more. Soon I'll be the only one left on this beach.

The deaths continue one after another without that lovers can defend themselves by being immersed in a blind love that clouds danger lurks around their fragile lives. They cannot see that his end is near.

Oliver/D: ---> (Excited) My blood boils with excitement just need a couple more and it's all over.

The man without fear snake lurks as a young couple who is expressing their love in such a mannered they do not know the danger that awaits them.

Chapter 3

The story of love

Oliver looks away to a loving couple that with such glee indulges in his love; not realizing what awaits them, comes with machete in hand with the young couple and asks...

Oliver/D: ---> (Calm) before it reaches its end, I want to hear your story of how they came to this place.

Man in love ---> (Shocked) What? Who are you?

Oliver takes a big hit with the sharp machete handle on the head of young love, strangles him with a sharp knife shouting furiously threatens...

Oliver/D: ---> (Furious) As I said I have fell in love before I kill damn!

Woman in love ---> (Fear) Ok! Let go I'll tell you how it happened. Please do not hurt him!

The woman in love tells his story of how they met detailing every moment that went through to be together.

Woman in love ---> My love and I, we met long ago, worked at the same place. By far sighted me with a sweet look, hoping that one day we could be together. For my part I did not know that he died for me and was with several guys before him.

The wounded man looks up and tells part of the story...

Man in love ---> (**Hurt**) With every romance she had my heart trembled and wept in anguish, the pain was unbearable but I knew that someday the reward would come, and she would be with me. "My beloved unreachable". This is how the name.

The young woman continues detailing the history...

Woman in love ---> (**Sadness**) One day going through a bad time, I just cheat my former love. Desperate and with great sadness claim that because I was doing this, having great wrath gave him a blow with the palm of my hand, in that the anger raises his fist against my hitting my face again and again.

Woman in love ---> (**Sadness**) With my face hurt and crying, I take refuge in the shade of a large tree. In that for some unknown reason, I started to hear like that big tree whispered words of encouragement telling me...

Tree ---> Do not be sad woman, soon came the greatest love of your life, this is the latest disappointment you will in love.

Woman in love ---> after that...

The young man interrupted his beloved.

Man in love ---> It's my turn to tell me. After having a bad day and resigned to a life of adversity, had to take out all the frustration I had in me. I sat next to a big tree to rest when I get the inspiration to write a poem for my sweet "beloved". Writing every letter, every line and every sentence felt that the distance and fear slowly faded.

Man in love ---> When you look the distance a woman crying bitterly. It reminded me at my worst.

Man in love ---> (**Shocked**) Oh surprise she was my "beloved unreachable" weeping bitterly.

Man in love ---> But the surprise was over when you hear like that big tree whispering words in my head like telepathy.

Tree ---> This is your chance to young boy goes find the love that you waited so long. Go recital your verses you just wrote. It is the opportunity to return what you call unattainable, into something that is near you until the rest of your days.

Man in love ---> She is there so sad. I dare not stop me whenever I see her and having her around would be something I could not resist.

Tree ---> Go she is happy to have you around...

Man in love ---> I will. I will have no fear of being with her.

She continues the story.

Woman in love --->He approached me with a smile appearing on his face.

The story centers on young couple.

Man in love ---> (**Trembling**) Hi ...eemmhhh saw you crying and could not resist coming here. Tell me your troubles woman.

Woman in love ---> (**Sad**) not in the mood to tell my problems, you'd better stay away.

Man in love ---> (**Determined**) I will not go, if you can believe that tree in the corner, whispering me to come up here and recite this little poem. You'll feel better when finished.

The boy recites his poem emanated from the depths of her being...

*My beloved, unattainable love
I feel in your absence, a huge pain
Whirlwind of feelings revolve around
Your mouth expressing desire and passion
I been looking at this world full of betrayal
Patient held my anger and frustration
And now you're alone, I offer you my heart.*

The woman in love blushes...

Man in love ---> Now we'll turn around eh finished and go...

Woman in love ---> No! do not leave, your poems made me change my mind stay here with my pain.

A strange warmth pervades the scene, the ecstasy that surrounds the two souls, burning in passion and desire to be near each other.

The young couple stays together and with a passionate kiss is consummated their love. That would be part of this terrible nightmare.

Man in love ---> This is our story after that the tree we told how to get to this beach and stayed here ever since.

The story ends, the chaos of continuous beach. And with a flick Oliver holds the frail woman's head.

Oliver/D: --->(Fury) Well! It's time to know how much would you give for love.

Oliver asks a question that impacts the couple...

Oliver/D: ---> (Calm) Would you give your life for this man? If you say that Yes, I'll kill you and I'll let him free. But if you take a no, you will save and return to your former life.

Silence is what remains after these disturbing questions. The young woman has her life in his hands or your loved one. What will be your answer?

The thoughtful woman indicates your answer...

Woman in love ----> (Thoughtful)..... NO!

Oliver on a bing severs the head of the young woman...

Oliver/D: ---> (Madness) This beach is not just a big nightmare, there is no love. It is an illusion and you are trapped in this place hahaha.

Man in love ---> **(Angry)** Damn! You did it because you said NO! And you killed...

Start a battle, the young Oliver hurried lunges but this bold move dodges with cutting off a limb.

Oliver/D: ---> **(Fury)** Stupid! I'll kill you ... Now do not represent danger, cannot get up! Hahaha

The young crying exclaims his sadness...

Man in love ---> **(Sad)** I thought you loved me, without her in this place is not nothing but this dreadful solitude, I have attached to this life of sorrow and misery. I'm out of this world doing not want to know more of this long agony...

Man in love ---> **(shouting)** Kill me a time, you expect!

Oliver/D: ---> **(laughs)** Hahaha **(Fury)** piece of junk that I will not do it, will you. If both cannot stand the agony of being alone. Will you have the courage to end your own life?

The boy did not answer...

Oliver/D: ---> **(Fury)** Then kill your pain at once, making this knife and cut your throat, you witness what you have before you. Your Final is here...

The young man in tears of sadness takes the knife firmly, sliding down her neck feeling his life hung by a thread. His soul is clear from your body.

Final witnesses the death of this young man, last sating his terrible hunger momentarily.

Final ---> (Deep voice) Today you die and feed my need. If this need to see die, to see cold bodies falling within the darkness of the sad death no longer exist.

Oliver / D: --->(Calm) It's amazing how far the power of love. He gave everything for her until the last moment.

Final ---> (Voice Child) My hunger was finally satisfied.

Oliver / D ---> it's over, (Furious) no longer be in this damn place!

Oliver blinded by the feeling of rage and ecstasy of his mental state showed no mercy for each death. Consumed by multiple feelings of hatred, frustration and anger which saps his being.

The effects of bell shaped flower begin to cease, the mind of man without fear begins slowly returning.

The sun is sighted between distant waves crimson blood-red dawn, aurora decorating light flashing.

The view from the beach

The trial of the beach, that which no one escapes and rewards us according to our acts of justice and honor, which establishes the order in every place in the universe.

The bodies of the beach everywhere, the scene of horror and chaos that surrounds Oliver in an intense feeling of liberation.

Final ---> (Deep voice) The end is done, there's nothing left I do, the love died, I have no more to retire from this place. Very well done man of faith unmatched have earned your reward as any winner.

Oliver/D: --->(Shouting) Wait you promised me from this place!

Final ---> (Deep voice) Your reward will remain waiting again in this area. There is still liquidated your life, without love this site to be of no importance.

The skeletal child vanishes along the beach whispering...

"Have faith that as everything has already been said, there is no way to change it, look forward recognizing you by your truth and moral value.

Oliver/D: ---> (Dizziness) Ahhhhh ... that dream ... my eyes close ...

Oliver heard the last words before falling into a deep sleep.

"Be guided but not let that decisions guiding you choose nobody ever can judge."

A long silence falls over the scene.

The dawn brings back the personality of the man without faith; the soul of Dante takes control of the body where two souls inhabit those deceived by death.

The faithless man wakes up on the beach with his personality Dante O.

Start the way to the waiting place, which is on top of the hill melancholy, overwhelmed by a feeling of intense sadness in his chest.

Dante/O.--- (Resigned) It is time to return to the same place now just started the long wait.

Dante comes to the top and sits by the tree that gave great shade. Haunted by the acts of his insane subconscious was now no hope, nothing to make him feel alive.

Dante/O.--- (Deception) All remained in the same tree your voice loud now I cannot ever hear, you're dead half-cut. My personality and my intense loneliness hides your advice is made in vain wise friend.

Dante continues on the beach waiting, watching the sea, entering a feeling of happiness.

*In a moment the scene changes with an unexpected and pleasant meeting. **LOVE.***

Chapter 4

The encounter with love

The meeting

A figure looks pretty far away, something truly beautiful. Looks like an angel, a being of light, a sweet white pearl shines for his beauty of innocence that dwells in his eyes. She walks our man without faith.

Angel of Light ---> Hello!

Dante/O.---> ...

Dante Oliver left speechless by this beautiful woman who was before his eyes, his body immobilized by a quake remains motionless, and cannot think clearly.

Dante/O.--- (Surprised) Ehhmm! Hello.

Dante remembers when someone feel fascination, a link between the two begins to grow. And when you listen carefully what this person says, and really look and you stop at each word, the rest of the environment starts disappear, and your whole world becomes that turns words into sounds, this voice you hear, is in that ever feel an intense connection.

Angel of Light --- That beautiful landscape ... it's amazing the sun rises between the beautiful waves.

Dante/O.--- (Sad) Yes, it's beautiful crimson hue appreciate her.

Angel of Light --- I can sit?

Dante/O.--- Yes.

The beautiful woman sits next to Dante ... The young browse your subconscious for a moment.

Dante/O.--- (Calm) It seems that there is a special bond between them, and a voice inside me tells me that I can trust this person ... and I relax and feel my shoulders drop as the voltage goes, now!

The tension will slowly ... very slowly ... until the angel say ...

Angel of Light --- It feels quiet here.

All is quiet; there is a great peace that surrounds the two souls.

The angel eyes light look man without faith and asks his name.

Angel of Light ---> What is your name?

Dante/O.---> (**Sad**) **Dante ... Oliver.** Actually I have 2 names.

The faithless man looks down to the right position representing a temporary talk inside.

Dante/O.---> and you, what is your name?

Angel of Light ---> Mine is ... (**Sound**)

Dante's ears are stunned moment, preventing hearing the name of this beautiful girl.

Angel of Light ---> But I like being told Mimis.

Dante/O.--->(Smiles) Mimis ... ha! Sound good.

Mimis ---> (Smiles) and to you as you like to be called?

Dante/O.---> How do I call does not matter. I have two names and each represents something different.

The man without faith, Mimis explains the meaning of each name...

Dante is very afraid, is a child who has not yet reached a mature but is one who knows the value of life. Instead Oliver is not afraid, is a madman who would do anything to fulfill their missions. Dante still has hope; however my other personality, Oliver just wants to watch the world burn.

Dante/O.---> **(Voice firm)** Both we live in a world of chaos, and to be in this beach is our punishment for contempt ever love.

Mimis ----> **(Shocked)** This beach is your punishment? how it is possible, it seems to me very beautiful.

Dante/O.--->**(Sorry)** So for me this beach is a prison for not valuing the love that once came into my life. Now I'm here waiting for a long time unable to get out of this terrible nightmare.

Mimis ---> Tell me more because you say it's a punishment this beach.

Dante/O.---> Before I tell you more, you should read this little story to draw being in this hell for many years.

A momentary silence preys on the beach. Dante pulls out a small book.

Dante/O.--->**(Resolved)** I have no more fear Mimis, you wait for long. Keep this book and you'll know everything that happened.

Mimis carefully read the title of the little book.

Mimis --->**(Surprised)** "Man cheated by death."

A link between the two begins to grow, the young couple together to carefully read the little book. Their young bodies make a connection that makes them temporarily out of context out temporary space.

Mimis ---> **(Sigh)** Ahhhh!

The story continues Mimis sighs, an unconscious desire for a kiss. Feel the warmth spread through every muscle in your body. Now watch and stops at every word. Almost complete reading the book. She asks a question...

Mimis ---> **(Tears)** I'll make you a question you want to be free?

The man without faith, surprised by the question of that girl is stunned. Take the best decision.

Dante/O.--->**(Calm)** Yes.

In a yes love is born.

With a passionate embrace young couple born together their lips that kiss, freedom, hope and love that both had expected. Taking a deep breath Dante O. Mimis gently takes and gives a second kiss claiming the promise that he had given the man.

Mimis ---> **(Blushes)** I want to be with you.

Dante/O.--->My lonely days are gone, I feel strong, I feel something different in me. Wait long years now, you and me.

Now you want to fill your body over and over again in this ecstasy, pleasure and enjoyment.

Love comes in the midst of death and destruction, the man who believed in nothing now had promised. Dante takes the hand of his beloved Mimis.

Dante/O.----> Come my love, as far as I'll show you mine iniquity. I hope when you see this you to follow me.

The man with love, by the hand and shows you the creepy scene. A beach full of dismembered bodies. Mimis is shocked at such a scenario.

Mimis ---> (No words) ...

Dante/O.---> This I did at times confusing, my other personality took hold of hatred, frustration and loneliness that was inside me. I was deceived by death.

Mimis ----> (In love) I do not care what you've done; I love you and be by your side.

The beautiful woman approaches giving a passionate kiss, and saying quietly, I'll tell you how I got here.

Mimis ---> I also lived an intense loneliness full of suffering, many men sought me. But none felt love.

Mimis ---> Tired to feel that void without finding true love, I decided to take my life. Tie a rope to a tree in the middle of a huge hill.

Dante/O.---> (Listening)

Mimis ---> before falling into a deep sleep, hear the whispers of the tree where the rope place.

In the last moments of the sad woman, the tree where hung the rope from his grave, he speaks to his heart saying...

Tree ---> It is not yet your time women have to live and find true love. Your destiny does not end at this site will show you a vision, something you rise from your grave.

Mimis ---> He showed me a vision where you show your Dante, next to this tree, we observe for all this time. I understand why. They've spent so I could see your suffering. Despite having been in this situation you never gave up, did not try to end your life, which is why I love you for your courage.

Dante/O.--->(Tears) I have been a monster, kill all the love you had at the beach. I did not have the patience to wait for your sweet love. The wise tree told me that one day you get here.

We shudder to stir in the landscapes the tremendous truth of that old tree.

Mimis ---> Do not torment my beloved; you have a very great inner strength that gave you the courage to go on. I've known you before.

Dante holds a passionate embrace Mimis in the back, giving her a kiss on her neck. The two together, watching the sunrise.

Dante/O.---> You feel love and experience a state of high excitement.

Amid Natural romance where love flowing rivers. A memory invades the mind of Mimis. Something...

Mimis ---> Dante I have fear of the last I saw in the vision.

Dante/O.---> Do not worry love, now we're together and nothing else matters.

Mimis ---> I have fear of losing my love.

Dante/O.---> Do not be afraid that seizes this place, of the fears that lie within, you have to fight against that and I'm here to help.

The young couple continues to express his love to the sunset.

Chapter 5

The sad night, death and sacrifice

In search of the real dream.

Why finished destroying everything we love?

The looming sunset, the young couple continues to demonstrate his love on that hill. The wind blows softly announcing a new tragedy.
