Preface

Why Are We Here?

We know that there is one God; who is the Father, the Son, and the Holy Ghost. We have been taught by pastors, prophets and teachers of the word of God that He is almighty. We are going to start on a journey that will enlighten you on finding God. Some people have consulted the dead to try and make purpose of their lives and why they are here! The dead are in the know of what is surrounding the events of this

current age and the age to come. *Why are we here and who is the One that is called the Lord?* We often hear that the Lord is called *The Lord of lords*. *Why is the Lord the Lord of lords?* The Lord will explain in this book who He is and why He is the Lord of lords. The Lord is not in any way looking for a human being to tell him what to do. The Lord is looking for a man to tell what to do. The premise that the Lord is able to be told what to do will eventually make no meaning by the time you complete your reading of this book. We live in a time where people are always in constant quest for knowledge and the sources of knowledge. Knowledge can either be from the Lord or from lords. This is a world that has all sorts of curses that are upon the people who live in it; the earth itself is cursed. The Lord is the only way for a man to reach God. *How are we able to find the Lord so that we can reach God?* This is the problem that this book is supposed to help you solve.

Chapter One

What is The Genesis?

We have a book that is as common as salt to help us understand who God is. However, there are so many unexplained books in what we call the *Bible*. It is a collection of books that make up what we have as scripture. *What are these books for?* They are for us to relate to the One true God. These books have a lot of stories that tell us who the Lord is and what His purpose is for our redemption. The Lord has made a plan that has been set from the foundation of the earth. *What has the Lord done?* He has been to earth in physical form to die for the redemption of mankind. He has been despised by the world that He came to redeem. He has been to the world that he

purposed to redeem and the world rejected him. This is why there are so many people that are not able to reach God. If a man has a problem with reaching God, he should ask himself one essential question; *what is the Lord saying about my relationship with Him?* If he can go and learn about why there is a plan for redemption, he will be saved. *How will a man find salvation?* It is what this book will be able to solve at the time that man starts calling upon the name of the Lord.

Have you ever heard of the name above all names? The name Jesus is the Lord's own name. If you go and call upon the Lord and you omit Jesus, you will call upon a lord that you will not desire to call God. If you call on a lord and that lord comes, you will not desire the consequences of that adventure. *Who is a lord?* A lord is a spirit that is not of God. If you adventure with magic, you will get a lord over your whole being that will give and take away from you. *What is it that such a lord will take away?* He will cause you to lose some gifts that the Lord has given to you from the foundation of this earth. The Lord has gifted everyone that is on earth in one way or another. There are people who have gifts that they do not even know of; some people are gifted with wealth, others are gifted with knowledge, wisdom, understanding, beauty, music, design, peace, love, authority, oratory, discernment, children and grandchildren. A man who has a gift from the Lord will expect that gift to bring joy. If you have a gift that is from a lord, you will not experience joy. You might be happy but will never experience the joy that a person who has been gifted by the Lord will experience.

If you are a person who is admiring what a lord can give, you will end up receiving gifts that are meant for another person. *How?* If you are able to understand the scriptures, you will learn that the thief comes to kill steal and destroy. A man who is willing to give the devil an opportunity will lose some of his gifts to the enemy. He is called *Lucifer*. He is the deceiver and the father of all lies. If you cooperate with the enemy, you will lose those gifts that the Lord gave to you from the foundation of the earth. The enemy uses these stolen gifts to bless his own people. *Who are these people?* They are the people that are admired by most of us. They have all that you think the Lord cannot give to you. If you are a person who has doubt, you will glorify the enemy. If you have faith, you will please the Lord. These spirits are both what we are going to

learn about later in this book. *What is a gift of a wealth?* There are some people that have wealth that you may not know exist. A man that has a job has not yet experienced the Lord's wealth. If he has an income from that job, he is either rich or struggling but is not wealthy. Wealth is a gift that does not require a man to struggle to live. If you have to work hard to earn a living, you are not wealthy even if you might be an employer or a business owner! A Wealthy person does not have to work to earn a living. This is a person who lives on the abundance of the Lord's blessing. This blessing is not earned but comes with obedience to the Lord. *How can a man become obedient to the Lord?* He will have to first learn how to hear the Lord's voice. The Lord is always speaking in a man's life. There is no way a person can say the Lord is quiet. The Lord is not quiet and is always speaking to the people who love Him. *Have you ever been able to hear the Lord's voice?* It is something that most people think is impossible. I once had a friend who told me that hearing the Lord speak is not what happens in the modern age. He thought the Lord only spoke to the Old Testament prophets and not in this age. He was a minister of music in the church. I was discouraged when I heard what a man whom I considered was a Christian was telling me that the Lord does not speak! I was unable to heed to his words. I have now proved that he was wrong. The Lord does speak. I have heard the Lord speak most often in this modern age. I have been commissioned by the Lord to tell people in this modern age that He is calling out to them who are searching for Him and that He is willing to speak to them if they are willing. The Lord is not going to force anyone to desire His love. If you are willing to search for the Lord's own voice, He will speak and you will hear His voice. If you are unable to search, you might not hear the Lord's voice. *What is that experience like?* We will study that question throughout this book.

How will you start on your own journey of hearing the Lord's voice? You have to know that there are some things that you do not need to go and search for! If you want to have knowledge from the Lord, you need to begin by fearing the Lord. *How does a man fear the Lord?* You need to have the Lord's Spirit within you. If you have the Holy Spirit in you, you will fear the Lord. The Holy Spirit is the One who confirms what the Lord is saying within you. There is a lot of confusion to some people as to whether the Holy Spirit is

the conscience. If you have the Holy Spirit you will need your conscience to work with the Holy Spirit. If you are a person who does not have the Holy Spirit, you are already disadvantaged in this quest. The Holy Spirit is a person. He is Jesus. If you are a person who is always asking for a way of reaching God, it is the Holy Spirit who will guide you on the way to go about that journey, depending on what the Lord has willed. If you are a person that has the Holy Spirit, He will ask you to start reaching out to the Lord. *How will you know that the Lord is speaking?* There are numerous ways that the Lord can speak to a person! He can speak through;

A Dream

A Prophet

The Holy Spirit or the word of God

An Audible Voice

An impression

A Vision

How does a person recognise that a dream is from the Lord? If a dream is from the Lord, it will not cause the person to be anxious. If a dream is from the enemy, it will usually cause a person anxiety. If you receive a dream that has left you without peace, that dream is not from God. The Holy Spirit will speak to your spirit at the Lord's timing. If you are confused about whether it is the Holy Spirit or your conscience, you will have to wait for the Lord to confirm what He is saying to you in another way. The Lord usually confirms what He speaks.

The Lord also speaks through his prophets. If you are able to listen to a prophet in your midst, you will need to understand whether the prophet is of God or is a false prophet. A prophet who is from the Lord will usually speak to people about what is on the Lord's mind. It means that prophet might not understand what the Lord is saying at that particular time. That prophet might also not know what he is speaking if he does not have the gift of understanding, the gift of interpretation and the gift of discernment

of spirits from the Spirit. If a man chooses to seek a prophet to hear the Lord's voice, that person might receive a message that is metaphorical and might not be able to understand or interpret it. *What is a metaphor?* It is a message that needs to be interpreted before it can be understood. This is usually not the best way to hear the Lord's voice. A person should desire to seek the Lord's voice himself and not through a prophet. A prophet is a person who has a role of encouraging God's people at a particular time and place. A prophet is not supposed to tell a person about his future as many think.

An audible voice from the Lord is what most people will never experience. A person may be able to hear the Lord speak through their own mouth. If you are a prophet, then you will usually hear the Lord speak as you speak. If you are unable to hear the Lord speak as you speak, you are not a prophet. An audible voice that is not from your mouth is usually not the way the Lord speaks; however, there are some people that can hear the Lord speak in an audible voice once in a while. These are prophets of God. There are some prophets that are from the Lord and others that are from God. A prophet that is from the Lord is the one that usually does not understand what the Holy Spirit is saying to the people. A prophet that is from God is one that usually understands what the Holy Ghost is saying to the people. The Holy Ghost is the Spirit of God. If a prophet has been in the Lord's presence for long, he will be able to hear God speak. God speaks without metaphors! If you receive a message from a prophet that is from the Lord, you will need to get an interpretation of that message from the Holy Spirit.

The Holy Spirit may give a person an impression from the Lord. If you receive such an impression, it will need to be confirmed by the Lord on several occasions. If you are a person who receives such impressions you need to confirm these impressions with your human spirit. If the impression is making you anxious, then it is not from the Lord. The Lord will always confirm what you are receiving through your spirit in another way.

There are people that can receive visions from God. If you are a person that is able to receive visions from God, you will initially think that they are thoughts. If you think you are receiving thoughts, then go and ask the Lord to make them clearer so that you

can confirm what the Lord is saying. If you want to hear the Lord speak in a particular way, then you are trying to tell the Lord what to do. He is the Lord and knows what is best for you.

The Holy Spirit can lead a person to the word of God so that that person can understand what the Lord is saying to him. If you read the scriptures, you read with the Holy Spirit. There are people who think this is the only way the Lord speaks! It is not the only way the Lord speaks.

The way to hearing the Lord speak is obedience. You have to obey what the Lord asks of you. Some people want to hear the Lord speak yet they have sin in their lives; other people are not able to hear the Lord speak because they have curses that block them from hearing the Lord's voice. Such people may try to hear the Lord's voice but will be unable to hear the Lord speak. *What type of curses are these?* If you have ever contacted the dead for knowledge, prophecy or blessing; you will not hear the Lord speak. This sin is what God calls *necromancy*; He abhors it. It brings a curse of deafness and dumbness upon a person who practices it. If you have such a curse, you need to cooperate with the Lord who became a curse for you to be redeemed. If you have a sin of immoral thoughts, you will not hear the Lord speak. It brings a curse of hopelessness. You will hear the Lord ask you to repent and not anything else. When you hear the Lord tell you to repent, heed to his voice and do not try to bypass Him. It is a hopeless endeavour. If you are a man who has a curse of any kind upon you, then you will need to know what type of curse is pursuing you. There are many types of curses that are as a result of sin committed by you, your father, your grandfather and great grandfather. If you are in such a curse, you would not be able to know who of your fore fathers committed that sin. You need the Lord to tell you. This is what the Lord does all the time. The Lord reveals sin. If you have a curse upon you, you will not get help from your pastor, evangelist, apostle, teacher or miracle worker. You will need the Lord to tell you what to do. If you are able to hire a pastor to go to your home and tell you what the Lord is saying, then you are in hell already! A pastor is an encourager of God's people. His role is to guide the flock move in a particular direction. He will not be told by the Lord what a man's curse is. The Lord will tell a prophet what is going on in a

particular home, place or nation and what has been done there before that grieved God. When you go to a prophet, you might find a prophet that speaks the Lord's mind who might tell you about things that are metaphorical. If you find a prophet that is from God, you will get the truth about what is going on in your life. A prophet from the Lord is a man that still needs to spend some more time in the Lord's presence and be tested. A prophet from God is a man that has spent a lot of time in the Lord's presence and has gone through many tests. If a prophet is from the Lord, he will usually not be able to interpret what the Holy Spirit is saying. A prophet from God will usually interpret what the Holy Ghost is saying.

Chapter Two

Who Has Heard The Lord Speak?

I always hear the Lord speak; if I do not hear the Lord speak, my life is at a standstill. I cannot do anything without the Holy Spirit. When I started hearing the Lord's voice, I thought it was a cursed spirit speaking to me. I listened and asked; "Is it you Lord?" The Lord said, "Yes, it is I, Jesus". I became excited and started seeking the Lord more and more. When I desired to seek the Lord, I became scared and doubtful. One day, a man of God visited me in my house and taught me how to hear the Lord speak. I told him; "Let us go and pray in a room in the house". He immediately accepted and we went to pray. He told me to concentrate on the Lord so that I could be able to hear the

Holy Spirit from my human spirit. I immediately felt the Lord open my mouth to speak. I tried to resist opening my mouth but the Spirit of God forced my mouth open and He prophesied words of hope! I asked the Lord, why is it that I have to speak every time I hear the Lord's voice!? The Lord was quiet about that issue for long. I then went to men whom I knew were of God to try and understand why I had to speak out what the Lord was saying! They all said they had never experienced such a phenomenon but that they were certain that the Lord was speaking. I then started practising on how to hear the Lord speak. The Lord then told me to wait and I did not feel the Lord open my mouth for a while. I had to go and work in Rwanda, a country in eastern Africa. There I started listening to the Lord's voice; however, I could neither understand, nor interpret what the Lord was saying and it was not as exciting as before. Later the Lord told me to go back to Uganda. When I went back, I felt the Lord open my mouth and tell me other mysteries about ancestors and the His call upon my life.

Sometime later, I received a vision during prayer at home. I saw myself in the Lord's throne room; The Lord was wearing white robes that were not bright, with a golden crown on his head. He was writing on a scroll at an elevated desk and I was standing beside Him. I was about 6 years old and was wearing brown shorts and a shirt and was facing a class that was in session. The children who were in the class were about my age. They all wore gowns that were similar to the Lord's and they were writing in books at their little desks facing the Lord and me. Behind the Lord's throne on the wall was a golden seal that had the words; "Office of the Prophet".

I later received another vision from the Lord where He showed me a golden pyramid, made of blocks of gold with similar pyramids in ranges behind it. The Lord told me; "Son, eat the blocks that make up the pyramid". I noticed that there was a triangular hole that was created in the pyramid. Later I noticed that a whole pyramid behind the pyramid in the foreground had disappeared. I was not able to interpret what the Lord was speaking, I only obeyed. This was a season where I could not interpret about 90% of what the Lord was speaking to me. I found myself in a time of homelessness. I was told by the Lord to leave home and stay alone. I was in a place that was full of cursed spirits that would speak to me on a continuous basis. I was told by the Lord to stay

there until I left at His own time. I was not able to resist what the Lord willed for me. I kept waiting for the Lord to give me a place to stay. The Lord took me away and told me to go to another place to stay where He elevated me to another level and told me to stop speaking to hear His voice. I could now hear the Lord speak without the need to open my mouth. The Lord then gave me the gift of discernment of diverse kinds of spirits that I did not have before. I had to be tested by the Lord at all stages of my journey as a prophet. The Lord's calling upon me as a prophet came at a time when I was discouraged by the world. I had not been obedient to the Lord's calling upon my life earlier and this time I was not going to let another opportunity pass me by. If a person is a prophet, he will have to go through a lot of trials. Why? It is a calling that is in the highest office of spiritual ministry. If a man is called to be another kind of minister, he will usually not be able to go through the trials that a prophet will go through. *How does a person who is not called to be a prophet hear what the Lord's calling upon his life is?* It is most often a man's calling to be a prophet if he is usually interested in how to hear the Lord's voice. Have you ever asked yourself how the people who understand what the Lord is speaking hear? They are most often not able to differentiate whether they are speaking by the power of the Holy Ghost or by their own spirit. If such a man decides to speak to people that are in a congregation, he may ask himself; where are the words coming from!? The words are always from the Spirit. If he is a person who has been trained by the Holy Spirit, he will know where the words are from. If he is trained by another prophet, he will not be able to know. How can a man be trained by the Holy Spirit? That is what we will learn later in this book.

At that time I was told by the Lord to stop opening my mouth to hear what He was speaking, I was discouraged because I had gotten used to hear the Lord speak clearly in that particular way. I had to obey even without understanding. Later, I started hearing the Lord speak from my own human spirit without the need to open my mouth. It is such an exciting moment for anyone to hear the Lord speak. The words were as clear as you would have a man speak to you; and we were able to have lengthy discussions. If you are a person who is desirous of hearing the Lord speak, go and start on your own journey. I have been able to grow in my own human spirit to the extent that I can hear

what the Lord speaking without the need to stay in a quiet place. Initially, I had to always withdraw to hear the Lord speak, However, I now do not need to withdraw to a quiet place to ask the Lord about an issue at that particular time. At that time, I was unable to understand why the Lord had told me not to withdraw from people to hear Him speak. The Lord told me to obey Him. When I obeyed, it became easier for me to hear the Lord speak with even more clarity. *Have you ever heard the Lord speak from your human spirit?* This is a way that seems extremely difficult for most people; however, you will not be deceived if you decide to train your human spirit to listen to the Holy Spirit. *How can you train your human spirit to listen to the Holy Spirit?* If you have been in the Lord's presence, you will have an opportunity to be trained by the Holy Spirit on how to nurture your human spirit. Your soul is supposed to be subject to your human spirit. If your soul is not subordinate to your human spirit, you will not hear the Lord speak through the Holy Spirit. If you are being trained by the Holy Spirit, He will make sure your soul submits to your human spirit. *How does the Holy Spirit nurture your human spirit?* When you are in training by the Holy Spirit, you will be guided on how to ensure that your soul is under the authority of your human spirit. The Lord will use your obedience to Him to grow your human spirit; the more you obey Him, the faster your human spirit will grow. *How can a man receive the gift of the Holy Spirit?* You can ask the Lord and receive, however, you need to learn how to hear the Lord speak His will for your life before you concentrate on asking. If you ask amiss of the Lord's will, you will not receive. When people ask and they do not receive, they think the Lord has not heard. The Lord is not dead nor are His ears dull. If you are not in his will, you will not receive what you are asking for! *Have you ever been to a place where the people are always asking but not receiving?* That is an indication that there is something amiss. If you go to a prayerful congregation and find them in the practice of asking the Lord for every small thing, then you will know that they are not in the Lord's will. If you are a pastor and you are not able to receive what you ask for from the Lord. It is an indication that you or your church are not in the Lord's will. I have been to congregations where I have seen people cry out to the Lord in pain and they still do not ever receive!

I have seen a lot of hurt in people who try to do the Lord's work without the Lord's will. If you desire to do the Lord's work, you need to know His will. How? By hearing the Lord speak. *How are some ministers able to start on a project without the project manager or project design!?* If you are a minister, you need to learn how to hear the Lord speak before you embark on any type of ministry. Do not attempt to try to do anything that you consider spiritual. The Lord will always try to admonish you if you are lax in doing His will. If you continue being lax, the Lord will be grieved! When the Lord is grieved, He will not continue warning you. You will start doing the enemy's will even if you may call it the Lord's will. I have been to a church to warn the pastor to hear the Lord's voice. He asked that I immediately leave his premises and had even ordered his own body guards to throw me out. If you are such a minister, you are not in the Lord's will! He needed to hear what the Lord wanted to say to him through a prophet. This is a hopeless endeavour for such a man who calls himself a minister of God. This minister couldn't receive the message that the Lord had sent a prophet with. If he could hear the Lord speak himself, he would have been able to receive a prophet. However, he is deaf, he cannot hear the Lord speak. He is doing the enemy's will under the enemy's instructions. If he was a minister of God, then he would have known that the Lord can send him His messenger; that is what a prophet's role is. Have you ever sent away a prophet? If you have, then you have a curse upon you from the Lord. Why? That is what the Lord says! If you are unable to hear the Lord speak, then do not start a ministry. It will be a place of misery for you and for the people that you are leading to hell. They are being lied to by the enemy. All of them are expecting that the minister is a man of God, and they expect that he is able to hear the Lord speak! How then do such ministers continue? They are proud and are not willing to lose their integrity at the time they are exposed. If a minister is not doing the Lord's will and the congregation hears of such a thing, they will scatter! This is the Lord's will for such a minister and his congregation. If they stay in that congregation, it will lead them to death. If they are scattered by the Lord, they will find Him. If the Lord is God, they will have to go and seek Him earnestly to find life. I have been able to see what it means for a man to labour in vain. This disobedience will only lead to death. If a minister of God is able to refuse

to listen to a prophet of God then that man is a minister of the enemy. How will you know if you are in a congregation where the Lord is God? You need to go and seek the Lord's voice. There is seldom any other way! If you are going to learn what the Lord is saying, you need to hear Him speak.

I have been to a congregation where there were all sorts of cursed spirits mimicking many ministers who are caught up in sin. These cursed spirits possess people to speak out what sin that minister is involved in. Initially, I thought that was the power of the Holy Ghost. After a while, I was told by the Holy Spirit to leave that congregation at once. I obeyed but did not know why the Lord had told me to leave. Later I learnt from the Lord that it was a shrine of cursed spirits and not a church. I was dumbfounded! Why? They were always quoting the scriptures with accuracy and I thought that was what the Lord wanted! If you find a congregation where there are people who quote the word accurately, know that the enemy is even better than you in quoting scripture. Do not let the enemy deceive you from scripture. If you have the Holy Spirit, you have the law of God in your heart. You do not need to cram the scriptures like a pagan! If you are wondering, isn't this the will of God? The answer is no! The Lord is not going to tell you to recite scriptures for you to live! You need to have understanding as to why some people are deceived to quote scripture meticulously. If you are deceived to quote scripture meticulously, you need to know why the law is a curse. If you are in the curse of the law, you will need the Lord who became a curse for you to take away that curse of the law from you. This where most people are holed up! They are in the pit that they continuously deepen with the enemy as their God. If you are in such a pit, the Lord is able to take you out of it. He is the One you need at this time.

Chapter Three

How Does The Lord Admonish?

Have you ever been warned by the Holy Spirit on what His will is? Have you ever heard the Lord caution you on what you are doing? This is what we are going to learn in this chapter. I have been able to listen to what the Lord is speaking about my life directly. If I was not able to hear what the Lord was saying, I would have been dead. If you want to heed to the Lord's admonishment, then you need the Holy Spirit to lead you to the right path. *How will you know you are being admonished by the Lord?* If you are in the Lord, you will always hear the Holy Spirit warn you. If you ignore the Holy Spirit, you will need to understand why the Lord is admonishing you. The Lord does caution you when you are not doing His will. If you are involved in a will that is not from the Lord, it will only cause you much peril. The Lord is always admonishing those, whom He loves. When you have been cautioned, the Lord calls that love! However, if you do not love the Lord, you will become bitter and concentrate on the enemy's will. *How is the Lord's will different from the enemy's will?* The Lord's will is always antagonistic to the enemy's will. If the Lord says go, the enemy will say stay! If the Lord says; tarry, the enemy will say, now is the time. The enemy is always trying to oppose the Lord's will. When you decide to do the Lord's will, you will always face resistance from the enemy. If a person loves the Lord, that person will be encouraged by the Lord to do His will. The Lord's will is simple and not burdensome as opposed to the enemy's will that is difficult and burdensome. If a person has decided to do the Lord's will, it will seem difficult at the beginning, but will later become easier as the person continues in obedience to the Lord. If a person decides to do the enemy's will, it seems easier at the beginning, but becomes difficult with the passing of time. When a person is involved in doing the enemy's will, that person will seem to progress faster but in vain. A person who is doing the Lord's will may seem to seem to progress slowly but will

eventually be able to become an overcomer. The enemy is able to give an impression that all is well to a person doing his will. On the other hand, the Lord will nurture a person doing His will. The two types of people will never be able to be at the same level later on in life. The one that did the Lord's will built his house on a foundation of rock whereas the one that did the enemy's will built his house on a foundation of sand. This is what a good servant does; to do the Lord's will. If a person who has done the Lord's will gets a reward from Him, that reward will bring Joy! If a person who has done the enemy's will gets a reward from the enemy, that reward will later bring that person misery. This is what most people do not know. The Lord will not reward a person for doing the enemy's will. The enemy will be the one to reward such a person who has done his will. He can also reward! If you are involved in doing the enemy's will, then your rewards are from hell and cannot be used to glorify the Lord. If you are in the Lord's will, you will be able to use your rewards to glorify Him. The Lord will give to a person who does His will regardless of whether that person asks or not. When a person is doing the Lord's will, the gifts that the Lord has given to that person become entitlements! For instance, if a person who is doing the Lord's will receives a house, that house is an entitlement for a home that he has also received from the Lord. If another person who is doing the enemy's will receives a home from the enemy, that person may not be entitled to a house. He will have to work hard to get or keep a house. Usually, that house will be taken away by the Lord if that person is repentant. If a gift is from enemy, then the Lord cannot use it for your betterment. You will have to start on a fresh page with the Lord; *"The new wine must be put into new bottles; and both are preserved"*. If a person is able to use the enemy's gifts in the Lord's service, that person receives a curse from the Lord and will have to lose that gift if he is going to start doing the Lord's will. The Lord will not sow where the enemy has sowed and vice versa. When a person goes and cries out to the Lord to sow where the enemy has sowed, that person is lacking knowledge and needs to start to fear the Lord for the Lord to give him knowledge. When a person begins to fear the Lord, the Lord will give that person knowledge as he begins to obey His commands. A person who has been able to obey the Lord will be rewarded. A person who has not been able to obey the Lord will not be rewarded. Such

a person might then set out to pray, tithe or fast more but in vain. This is what most people who are involved in doing the enemy's will are caught up in. The Lord will not continue admonishing them. They need to repent for the Lord to heal them.

When the Lord gives, He does not take back; the Lord's gifts are without remorse! A person who has a gift from the Lord will always thank the Lord for that gift. If that person has a gift from the enemy, he will have to relinquish it to be able to do the Lord's will. That is what happened to me. The Lord told me to part possession of a gift that I received from the enemy. I had used this gift to earn a living and it brought me much misery rather than joy later on. When I relinquished it, the Lord gave me new gifts that have brought me much joy. I have been able to learn so many exciting things because of the gifts that the Lord has given to me. I have learnt the skill of mixing different types of spices for profit. I have been taught by the Lord on the purposes of specific spices in making tasty meals. I have also learnt how to write books for the Lord's glory. I have been taught by the Lord how to make different kinds of foods for profit. All this I have learnt with the Lord's guidance and not from a man. These gifts are as a result of obedience to the Lord. When a person sets out to do the Lord's will, He rewards that person with gifts. A person who cannot hear what the Lord says, will not be able to obey Him. It is like gambling in a casino; you rely on chance and not truth. If you are such a person, repent and go back to the Lord, He will heal you. When a person has repented, he will start a journey that will bring a lot of encouragement in doing the Lord's will. This type of encouragement is what we will discuss later in this book.

When a person has rejected the Lord's admonishment, that person has decided to sin against the Lord. If that person continues, he will become a reject before the Lord. If he becomes a reject and continues, he will become condemned before the Lord. This is the state of many who have adamantly disobeyed the Lord for long. A condemned person cannot hear the Lord's voice. He will hear the enemy's voice and take it to be the Lord's voice. The Lord calls such a person dead; the psalmist says, *"They have ears, but they hear not; neither is there any breath in their mouths"*. The Lord will usually give a condemned person an opportunity to repent through circumstances; why? Because that person is wicked towards the Lord. If you are going through different discouraging

circumstances, know for sure that the Lord has chosen to admonish you that way. This is when the Lord has chosen to abandon you. The people that have been abandoned by the Lord need a prophet to tell them what the Lord's punishment is. They are the ones that seem not to need the Lord in their daily lives. They are always cursed by the Lord to be deaf to his voice and therefore need not seek to hear the Lord's voice; they will but hear nothing! What they will hear is, "repent" until the Lord eventually condemns them. After sometime, if a person does not repent, that person will not be able to desire anything of God. They will be full of the world and what it has to offer. A person that has to communicate with the Lord through a prophet will most often not be able to understand what the Lord is saying through that prophet; even if that prophet has understanding of what the Lord is saying. Such people usually find themselves seeking mediums to be able to understand the meaning of the circumstances they are going through. These people might eventually seek the services of witch doctors, psychics, and fortune tellers. Others have to interpret signs in the heavens and the earth through necromancy, horoscopy, magic, stargazing among many others.

Once a person has rejected the Lord's admonishment, that person is not only in the hands of the enemy but he is also an asset to the kingdom of darkness; he will not be disturbed by the enemy as long as he is doing the enemy's will. If such a person decides to abandon doing the enemy's will, he will be attacked by the enemy so he can abandon the path of repentance. A people who have been involved in sin against the Lord usually are cursed by the Lord to lack. When you are faced with lack, know for sure that you have continuously been disobedient to the Lord. A person who lacks is always distracted by need. Such a person cannot stay in the Lord's presence at all. They will always look for what the Lord can give and cannot concentrate on who He is. This is a *carnal person*. They seek the Lord for His riches and not because they love Him. Once they receive what the Lord can give, they do not need Him anymore; they are always asking but never receiving! They are the ones that say; "*Seeking the Lord is in vain*". They would rather do the will of the enemy. If such people are given a taste of the goodness of the Lord, they will not appreciate Him truthfully. The Lord has raised up people who will do His will. They are the ones that the Lord blesses. Blessings are gifts that are as a

result of loving God. If you who does not love the Lord seek His blessings you are without knowledge. The Lord will not bless a person who does not love Him. A blessing is an undeserved gift that the Lord gives at His discretion. You cannot earn a blessing from the Lord nor ask for it. It is the Lord who brings His blessing upon man at His own timing. A person who seeks a blessing from the Lord is deceived, he is without knowledge and needs to rather start by fearing the Lord. A person that is blessed is the one that has been doing the Lord's will without ceasing. When the Lord blesses, it is up to a thousand years! The Lord will not bless a person who is not doing His will.

The Lord has been seeking for men that are able to do His will. If you start seeking the Lord, you will learn that you have a specific task that the Lord has designed for you from the foundation of the earth. There are people that have started out with the Lord with much zeal only to be disappointed later. Such people are the ones that have been in the enemy's will. The people that are in the Lord's will are always nurtured by Him and are not easily deceived by the enemy's enticements. If you were able to go to church at the beginning of your journey with the Lord and now you do not have that desire anymore, you probably went to solve a problem that was giving you no rest or peace at the time. This type of person is the one that has come to the Lord for what He can offer. If he does not witness the works of the Lord, this person will lose interest in the Lord and become distracted to embrace the world and what it has to offer. *What is the world?* It is a system where there is a form of godliness but the Lord is constantly rejected! If you reject the Lord, you are worldly or carnal. You do not need to depend on the Lord for anything. You can do everything on your own with your own strength and understanding. This type of person is the one that needs signs and wonders to have faith and therefore cannot please God.

A man that needs God in his life is the one that will seek the Lord so that he will live by the Lord's commands. If you are able to seek the Lord, you will find God. If you are seeking God yet denying the Lord, you are worldly, you will not find God, and you will rather find death! The Lord is not able to take you to the Father if you deny Him. The Lord is the way to the truth; you will not be able to find God without Jesus.

Chapter *Four*

Have You Found God?

Some people are not able to differentiate between the Lord and God! The Lord is the way to God, if you are seeking God, you need the Lord to guide you to God. If you are seeking Hope, you need the Lord to give you peace to find Hope. The Lord is not going to lead you to hopelessness. You need to understand why it takes faith for a person to trust the Lord. That person will often think that the Lord is not interested in prospering him. If it were true, then the Lord would not be God. The Lord will begin by encouraging a person to trust Him. It is the person who has to will to trust the Lord. The Lord will not force anyone to trust Him. *How then do you begin to trust the Lord?* The Lord will start by giving a person a calling! *What is a calling?* It is a command to start doing the Lord's will. *How does the Lord call a person?* It depends on what the Lord has commanded that person to do! If you have been called to be a minister, the Lord will give you a gift to have a foretaste of His calling upon your life. I was called by the Lord to be a prophet. The Lord gave me the gift of prophecy. I was told by the Lord some things that were to happen later! I was afraid of the ability the Lord had given to me and was not able to understand the purpose at that time. If I had rejected the Lord, I wouldn't have found God. I would still be a carnal man. I have accepted the Lord's call

upon my life, and have experienced the goodness of the Lord at another level. The Lord's calling is not to be taken lightly. If you are in the Lord's will, you will be called. The Lord's calling is for every man. You cannot say, I have never been called by the Lord! The Lord has something He wants every man to do for Him. If you want to know what the Lord's calling upon your life is, then you need to start seeking now! How do you begin this journey? You need to stop all doubt. The Lord will not work with doubt. Doubt is of the enemy and if you are doubtful, you will have rejected the Lord's calling upon your life. If you have faith, you will start on this journey.

If the Lord calls you to Him, He will entice you to draw closer to Him. If Moses had not been enticed by the Lord through the burning bush which was not being consumed, then he would not have drawn closer. He had a desire to see the Israelites be set free from bondage in Egypt. That was the Lord's calling upon his life; a prophet over Israel. Moses had a desire to see a free Israel even before the Lord called him and he had tried to take matters into his own hands yet he was not able to progress in his own will. When he accepted the Lord's calling, he found that it was already the Lord's desire to set the Israelites free from slavery in Egypt through him. The Lord will always give you desires that are in His will at the time of His calling upon you. If you are called by the Lord, you will find that the Lord's call upon your life will tally with your own desires. If your own desires are not tallying with the Lord's calling, then it is not the Lord calling you. The Lord always will place His desires in your heart before He calls you. When you receive the Lord's calling, you will start experiencing a lot of peace upon your life. If you were called by the Lord, it is time that you start obeying Him. It is a good thing to obey the Lord. If you are in obedience to the Lord, you will start experiencing blessings upon your life. At a particular time, the Lord will give you gifts to help you do His will. These are gifts from the Spirit. Let us discuss these gifts in detail.

The first gift that the Lord gave me was the *gift of the word of knowledge*. I was desirous to know who was speaking to me; was it the Lord, or was it a cursed spirit? I was told by the Lord; "It is I, Jesus". I immediately understood that it is possible for me to know if I am listening to the Holy Spirit or not. If I was not given the gift of the word of

knowledge, I wouldn't be able to know who I was listening to. If you accept the Lord's will, you will need the Lord to give you some of the gifts of the Spirit depending on His will. If you are a prophet, you will need the gift of the word of knowledge even before the *gift of prophecy* is given to you; Why? The Lord will need you to recognize his voice early! If you do not have the gift of the word of knowledge as a prophet, you will be deceived by the enemy. If you are called to be an evangelist, you will need the *gift of administration*. The gift includes the gifts of oratory, authority, love, encouragement and peace. This is what an evangelist will receive from the Lord to enable him do His will. A pastor will need the *gift of encouragement* that includes the gifts of authority, love, peace, teaching, the word of knowledge and discernment of spirits. An apostle will need the gift of prophecy that includes the gift of the word of knowledge, teaching, love, oratory, authority, discernment of spirits, and healing to enable him be an effective apostle. A miracle worker will need the *gift of faith* that includes gifts of the word of knowledge, love, discernment of spirits, and healing. A helper will need the *gift of giving* which includes the gifts of love, giving, encouragement and peace. A prophet will need the gift of prophecy that includes the gifts of the word of knowledge, the word of wisdom, understanding, interpretation, peace, teaching, discernment of diverse kinds of spirits, authority, oratory, interpretation of tongues and diverse kinds of tongues.

A person who has received these gifts from the Spirit is doing the Lord's will. If a man is not doing the Lord's will, He will not give him these gifts. If you ask the Lord to give you a specific gift, you will not receive that gift if it is not in His will for you to have that gift. If you are a minister and are desirous of the gifts that are from the Spirit, start by doing the Lord's will. These gifts will be given to you as you abide in obedience to the Lord. It is not an issue that you should go and declare a fast over. Just do the Lord's will and He will give you these gifts. A man who has been in the Lord's will for a short time might think that the Lord will give a person all these gifts at the same time! The Lord will give according to your obedience to His word. If you have been in the Lord's presence for a short time, you might think that He will not give; however, the Lord gives and is the giver. If the Lord is able to give to even the unbelievers, what about his own children? He will give and you do not need to become anxious as to why He has

not given at your timing. He has His own timing, it is not what you should become anxious over. At the time I was called by the Lord, He gave to me the gifts of the word of knowledge and the word of wisdom at the same time! The gift of the word of wisdom is what I needed to be able to stop staying at home. I had to go into isolation with the Lord, if I had not gone into isolation with the Lord, I would not have received the gift of discernment of diverse kinds of spirits. I had to withdraw to a place where I was able to listen to diverse kinds of spirits. This training is what a prophet needs. These spirits are the ones that are often able to deceive many ministers. The Lord allowed me to listen to them without telling other people what they were saying. They would have confused me and the people that the Lord wanted to reach out to. This is what can happen when a man has to interact with people during the time of training. The Lord has enabled me to learn how these spirits deceive. They are all cursed to be in hell at the time the Lord has set.

Chapter Five

Have You Been Gifted By The Lord?

I have heard of people that are prophets, however, I had never been able to understand who a prophet is until I was called by the Lord to be one. I thought that I was not supposed to be a prophet and that the Lord was showing to me the circumstances in my life at the time. I would listen to the Lord speak and wonder; *Why is the Lord telling me these things?* If you are a person who is able to learn what your

calling is, you will understand why the Lord is saying what He is speaking to you at a later time. The Lord will speak to you in the direction of your calling. If you are an apostle, you will most likely hear the Lord tell you about a church in a place that needs a church. A pastor will be told by the Lord about people who are in need of being nurtured. If you are an evangelist, you will hear the Lord speak about who needs to hear the word of God and when. That is often what the Lord is going to speak about when you start hearing His voice. If you are a teacher, the Lord will tell you about how to learn who a teacher is and what a teacher is called to do. That is what the Lord does. If you think that the Lord is not interested in your wellbeing, you will learn that the Lord always comes first. When you go through testing by the Lord to enable you obey His voice, then you will start hearing Him speak about yourself. If you become discouraged at the beginning, you are carnal. The Lord will always speak about Himself first! After you have heard the Lord speak to you about Himself first, then you will hear a lot more things that He will speak to you about His call upon your life. This is what happened to me when I was seeking the Lord about a specific issue in the earlier years. I thought the Lord did not want to help me. At that time, I was without much knowledge. If you are in the Lord, you need patience. You cannot progress without patience. The Lord will give you peace so that the Holy Spirit can work in your life. Some people have a lot of pain in a world that has been brutal to them. They need to be healed by the Lord first before He can enable them do His will. If you fall in this category, you should wait for the Lord's healing. At that time, the Lord is giving you an opportunity to stay in His presence longer. If you are unable to stay in His presence for longer periods, you will need a gift to be able to do so. This gift is called the *gift of patience*. Patience is the only way that a minister can be able to understand what the Lord is speaking. If you are impatient, you will most likely end up listening to the enemy speak. You need to understand that the Lord is always speaking! If you act at the time you hear the Lord speak, you might not act in accordance to His will. Most of what the Lord will speak may require interpretation depending on your obedience.

If you have been abiding in obedience to the Lord, you will require less interpretation of what you hear Him speak. *Why does the Lord continue to speak in metaphors to some people?*

It is to train a person to stay in His presence to get the meaning of what He has said. At the council where the Lord was taken, a false witness said, "*This fellow said, I am able to destroy the temple of God, and to build it in three days*". If you are a carnal man, you will think that the Lord meant a physical temple. Actually, Jesus was talking about his body, He was speaking metaphorically to people who were unable to interpret what He had said. The council certainly perceived that Jesus was speaking about a physical temple; they were not supposed to understand what the Lord meant. If they were believers, they would have received the interpretation of what the Lord had said. I had been receiving a lot of metaphors from the Lord that I could not understand until He gave me the *gift of interpretation* to enable me understand what He had spoken earlier. If you are a minister and you hear the Lord speak about a particular issue, circumstance or person; wait for Him to interpret what He has said through the Holy Spirit. If you are a minister that has spent a lot of time in the Lord's presence, you may not receive metaphors from Him. Metaphors are one of the ways the Lord trains people to stay in His presence.

The Lord will certainly train a person that He has called for His service. If you are under training, you are not in control. You would not be able to know when the training has intensified or when it is in recess unless you are told by the Holy Spirit. The Lord will always allow the Holy Spirit to reveal to you how far in the training you are! If you are a baby in the Lord, you will need milk. When you abide in the Lord's teaching you will grow and will not need milk anymore. This is what is called being nurtured by the Holy Spirit for the Lord's service. When you have been in the Lord's training, you will eventually be commissioned to go and do His will. If you have been called to be an apostle, you will find that after you have been trained by the Lord, you will certainly plant a church. If you have been called to be a teacher, the Lord will train you on how to speak in a congregation. I received such a vision from the Lord even before I could hear Him speak! I wondered why the Lord was showing me a vision concerning me teaching a group of people!? It did not make sense to me then! I needed to wait for the Lord to interpret, which depended on my obedience to Him. I am now able to teach people for hours on end about God by the power of the Holy Ghost. That

is what a prophet does. If you are a prophet and you are unable to teach people about the Lord, then you are a prophet that is still in training. It does not mean that you are not worthy before the Lord, you just need to be patient and abide in obedience to Him. The Lord has a time for every person, some people require less time in training than others. I was called by the Lord 8 years ago yet I am writing my first book this year. If I had begun to write this book then, it would be full of metaphors and would be of no benefit at all. I have waited patiently for the Lord to tell me when He wants what done. The Lord is always speaking about His will and if you abide in Him, it is difficult to be deceived by the enemy. If I had decided to write this book at an earlier date, the Lord would not have accepted me to do so because I have been in training for over 8 years. If you have just received the Lord's calling, you need to abide in obedience to Him and be patient.

Chapter Six

Have You Been Gifted By God?

I have been taught by the Lord about the gifts that are from God. These gifts are different from the gifts that are from the Spirit. The gifts that are from the Spirit are supposed to enable a believer obey the Lord. If you have been given a gift from the Spirit, you will find it easier to obey the Holy Spirit. When I was called by the Lord to

be a prophet, I would struggle to hear Him speak. I needed to withdraw to a quiet room if I was to hear Him speak. I did hear the Lord speak in a soft voice. Later, the Lord's voice became louder with time. This is a gift of prophecy. The gift of prophecy is a spiritual gift. It is a gift that a prophet needs to obey the Lord. If you do not have this gift, you cannot be a prophet. If you have ever prophesied under the direction of the Holy Spirit, it does not necessarily mean that you have the gift of prophecy. The Holy Spirit, can enable any abiding believer to prophesy for the edification of the church. If you have ever prophesied, you will learn that it happens often in a group of people. The people that have been prophesied to will always be encouraged. If the prophecy is not encouraging, then that is not a prophecy from God. That certainly is a deceiving spirit. If you are interested in a prophecy that is from the Lord, you need to learn that a prophet that is from the Lord is different from a prophet of God. Why? A prophet that is from the Lord is still in training. If that prophet that is still in training desires to go and reach out to people, that prophet will most often either speak in metaphors or be deceived by satan. A prophet that is from God, has been tested by the Lord and tempted by satan. A person who is zealous will often be unable to be patient. The Lord is patient. If you have a gift from the Spirit, it does not mean that you are able to serve the Lord immediately! The Lord will be the One to nurture that gift. My experience is that it takes time for that gift to grow, and it also depends on your obedience to the Holy Spirit.

How are the gifts that are from the Spirit different from the gifts that are from God? This is what we will learn in this chapter. The gifts that are from the Spirit are given at the time a person accepts the Lord's calling upon him. If you have received a spiritual gift, it is to help you obey the Lord. On the other hand, the gifts that are from God are the gifts that are considered to come with nature. There are some gifts that a person might not even perceive are gifts from God. *Who has a gift from God?* All of us have gifts that are from God like; peace, wealth, wisdom, marriage, children, grandchildren, beauty, humility, intelligence, creativity, cooking, leadership and giving among many others. These gifts are to be used by a person to profit. If you have children, they should help and encourage you in your later life. If you have a spouse, you have a companion to enable

you live better. If you have wealth, you will be able to afford most of the necessities in this life. The gifts from God, are the gifts that are always expected by everyone.

Everyone wants a marriage, children, wealth, peace and a home. These are what people work for on a continuous basis to achieve. If you are in lack, that is a curse! The Lord is not going to curse anyone without a cause. If you are under a curse, you will need to have knowledge as to why a curse is upon your life! There are curses for every type of lack upon your life. For instance, if you have been desirous to hear the Lord speak, and has been unable to do so, then you probably have a curse upon your life. Why? If you have either worshipped other gods or practiced necromancy, the Lord has cursed you with a curse of deafness and dumbness! If you are in debt, then you or your forefathers sinned against the Lord by mocking His prophets. If you lack a spouse, then you or your forefathers sinned against the Lord by practicing witchcraft. When you realize that you are under a curse, you need the Lord. The Lord will be able to reveal to you what type of curse you are operating under and why! The Lord has the power to free you from whatever curse that has oppressed you. This is what most people are not able to know from another man. The person who desires to be free from curses needs to draw closer to the Lord. When that happens, you will be amazed at what the Lord can do.

The Lord has been able to teach me about a life of humility. A humble person is a person who has been gifted by the Lord to have favour before both God and man. A humble man will attract the people that are looking for God if that man has been chosen to be a prophet. The gift of humility is a prerequisite for a prophetic calling. If you are a prophet, then you have the gift of humility from God. This is not a spiritual gift. If you thought that this is a spiritual gift, then you have no knowledge of the things of God. This is why most humble men are directed to continue in the Lord. The Lord is able to speak through a humble man even without words! A teacher has a gift of teaching. He will most likely want to be in the midst of people. If he is not in the midst of people, he is unsettled. This is a gift from God. It is not a spiritual gift; however, there is the gift of teaching that is from the Spirit. They are different gifts; How? A teacher can be a person who loves learning, however, he may not have the ability to dispense the knowledge that he has acquired. If he is in the Lord, He will give him the gift of teaching from the

Spirit to enable him dispense the knowledge he has received from the Lord. If a pastor has been called by the Lord, that person has a gift of encouragement from God. The gift of encouragement from God includes; the gifts of love, peace, understanding and help. The pastor that has been called by the Lord will be given the gift of encouragement from the Spirit that includes; the gifts of authority, love, peace, teaching, the word of knowledge and discernment of spirits. A person called by the Lord to be an apostle has a *gift of leadership* from God. If an apostle is called by the Lord, he will be given the gift of prophecy that includes; the gifts of the word of knowledge, teaching, love, oratory, authority, discernment of spirits, and healing. An evangelist is a person who has a gift of oratory from God. A person that has been called by the Lord to be an evangelist will be given the gift of administration that includes; the gifts of oratory, authority, love, encouragement and peace. The Lord has called people that are meant to be exactly what He desires them to be in the kingdom of God. If you are unable to understand that the Lord has called you, start by learning what your desires are. When you understand what your desires are, the Lord will confirm what the Holy Spirit has already hinted to you from the gifts that you have from God. These gifts that are from God are the ones that we have not merited nor asked for from God, but that can be identified in us as we live. When I was called by Lord, He called me a 'humble man'. He spoke to me words that are from Jeremiah 33:3; *"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not"*. I did not understand at the time why the Lord was speaking to me and referring to me as 'humble man'. I later learnt from the Lord that a prophet is a person who has a gift of humility from God. A person that is naturally humble will be a prophet if he comes to the Lord and is obedient. An aggressive person is not called to be a prophet by the Lord. A person who is called by the Lord to be a pastor will enjoy people's company even before he is called by the Lord. If a person does not enjoy being around people, that person cannot be called by the Lord to be a pastor. An apostle is a person you would call 'a natural born leader'. If a person is not a leader, he will not be called by the Lord to be an apostle. A person who often loves speaking to people will be called by the Lord to be an evangelist.

Chapter Seven

Have You Received

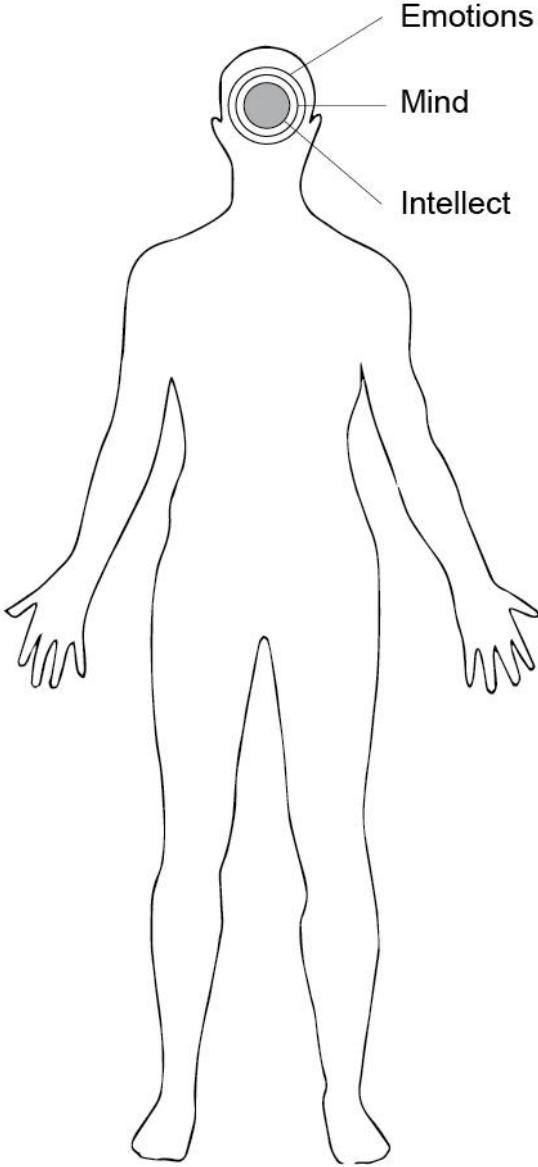

A Gift From The Lord?

When you have been gifted by the Lord, you will start experiencing a difference in your life. A person that has been given a gift from the Spirit is a person that has accepted the Lord's calling. The Lord will not give you a gift from the Spirit if you have not accepted His calling. If you are a person that has rejected the Lord's calling, you will not need the gifts that are from the Spirit. *How does a person receive a gift from the Lord?* You need to start obeying the Lord if you are to receive a gift from Him. The Lord will give you more gifts as you abide in obedience. How else can you receive these gifts? You can ask the Lord for some of the gifts of the Spirit through prayer. These are the gifts that you may ask the Lord for through prayer. The gifts of; *the Holy Ghost, interpretation of tongues, help and discernment of spirits.*

If you are able to receive these gifts from the Lord without asking, it means that you have been abiding in obedience to the Lord. The Lord will always enable you do His will. I have never asked for any spiritual gift, I was always enabled to obey the Lord by the power of the Holy Ghost. I was always made aware of any cursed spirit that was trying to deceive me. I did not know that I had been given the gift of discernment of spirits. This gift is given to a person when the Lord has elevated that person to another

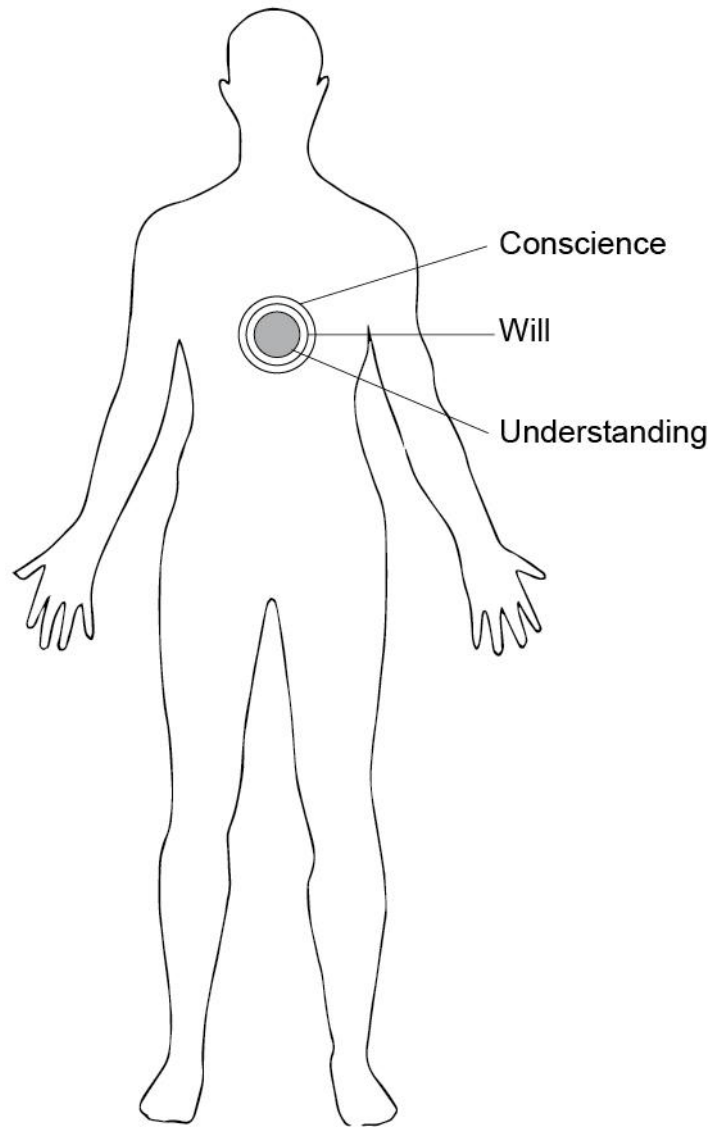

level. If you have been unable to discern between spirits, you have been relying on your soul. The soul includes the emotions, mind and intellect.

Illustration of the Human Soul

The diagram above is a composition of the human soul. The intellect is what the soul needs to make rational thought. It is responsible for a man's reasoning capacity. Without the intellect, you wouldn't be able to understand what is good or bad. The mind interprets what the intellect has received. The Lord has given each of us a soul to enable us live on earth. The Holy Spirit does not operate from the realm of the soul. The Holy Spirit operates from the realm of the human spirit. A man's spirit is composed of the conscience, will, and understanding.

Illustration of the Human Spirit

The enemy on the other hand operates from the realm of the soul. The Lord will not operate from the realm of the soul. The Lord has given to us desires of our own. These desires are embedded in our human spirit. When you desire anything that is not from the human spirit; it is called *lust*. These desires are embedded in the soul. Lustful desires are the desires that are as a result of the influences of the world. The enemy is proud; if you have pride, you are unable to stay in the Lord's presence for long. You are not operating in the realm of your human spirit. The Lord will use your human spirit to communicate with you through the Holy Spirit. If you are a believer, you already have the Holy Spirit in you. If you are lustful, your human spirit will be subordinate to your soul and you may start thinking that you do not have a human spirit. Your soul will be overbearing to your human spirit! This is what a person who is struggling to communicate with the Lord is challenged with; his human spirit is not able to will. His will is influenced by his soul. If you are such a person, you need the Holy Spirit to train you on how to get rid of the soulish nature. That is what the Lord does to prepare a person for a journey with Him. The Lord will always start by awakening your human spirit. The human spirit is where the Holy Spirit dwells in you. If your human spirit is suppressed, then you will need to obey the Lord for your human spirit to become alive. Your human spirit is the whole of you. If you are always thinking about what the mind is saying, you need to stop doing everything the mind says. The mind is always connected to your emotions; if you are in a lustful environment, your mind will be filled with what you see. The spirit will at this point be suppressed. If you are in an environment that is godly, your spirit will be awakened to understand what happens in the spiritual realm. Your human spirit can also be used by other spirits to entice you into disobeying God. If the Holy Spirit is not in you, you can be deceived by cursed spirits to stray from God. When you are deceived by cursed spirits, they make sure they are communicating with your human spirit. The cursed spirits that use the mind to deceive are called *Ancestors*. They are spirits that are cursed to stay away from a person who is doing the Lord's will. If that person is disobeying the Lord, they will oppress that person for all that person's life. These are spirits that are in a place called *Paradise*.

This is a place that was once the Father's abode. When the Lord made a new heaven, they were given that place as their abode. Why? The Father is always cursing a spirit called Lucifer to be further and further away from Him. If Lucifer is closer to the Father, he will accuse the saints before the LORD. The LORD is going to judge Lucifer and cast him away into darkness. At that time, paradise will be the *new earth!* This is what the Jehovah's Witnesses concentrate on by denying the Lord as the only way to God. The Lord has given me this knowledge to give to other people who thirst for Him and are abiding in His will.

Ancestors are spirits that did not go to heaven to be with the Lord. These were people that lived on earth, called on the name of the Lord but did not do His will. Ancestors are a type of cursed spirits that are always opposing the Lord's will even to this day. They have a lot of influence over people who are disobedient to the Lord and are not doing His will. If you are a person whose human spirit has been awakened by the Holy Spirit, ancestors are not able to oppress you! Ancestors are also called *evil spirits*. They are the ones that always made sure I was unable to stay in the Lord's presence. I had to follow the Lord's guidance on how they were to detach themselves from my soul. *How do they attach themselves to a person's soul?* They oppress the person's mind to make sure that person disobeys the Lord. *Can ancestors kill?* They are at the top of the ladder in the kingdom of darkness. They have the authority to do the enemy's will. For a person doing the Lord's will, an ancestor will make sure you do not stay in His presence for long. They manifest by causing a person; *depression, rage or anger, immoral thoughts, foolishness, hypocrisy, ungodly ambition, disobedience towards parents or authority and any form of rebellion towards God*. If you are a person who has experienced these manifestations in your soul, then you are being oppressed by ancestors to discourage you from doing the Lord's will. *How will you overcome oppression by ancestors?* You will need to continue doing the Lord's will. If you stop, they will oppress you further. When you resist the enemy, eventually he will flee. The scripture teaches us to; "*Submit yourselves therefore to God. Resist the devil, and he will flee from you*"; James 4:7. The Holy Spirit is not going to tell you to cast away these evil spirits, they will leave on their own as you obey the Lord. When you continue in obedience to the Lord, they lose their

power to continue oppressing you. Understand that this is a call to stay in the Lord's will. The Lord's will is not supposed to be burdensome. If you find it difficult to do the Lord's will, then you are being oppressed by ancestors. The Lord is not going to make it difficult for you to do His will; He will rather help you do His will. So if you are finding it difficult to do the Lord's will, then you need to start by giving the Holy Spirit your whole will. If you hold back anything from the Lord, you will have difficulties in doing His will.

Chapter Eight

Are You Being Vexed By

A Cursed Spirit?

I have heard about people that think there aren't cursed spirits and that it is just superstition. The enemy is subtle, he does not want the oppressed to know how active he is. He is able to make it appear like you are in control. When a cursed spirit is vexing you, it makes it seem like it is a normal phenomenon occurring either in your body or environment. There are some occurrences that will make you understand that you are being oppressed by cursed spirits, they have traits that they leave behind as they vex. These traits are what are called manifestations. If you are being oppressed by cursed

spirits, they will always leave traits that you can detect in either your body, soul or environment. *How can you detect traits that are left behind by cursed spirits?* A cursed spirit is like a human criminal. If the police launch an investigation in to a crime in a place, they will look for a 'modus operandi' or how the criminal operates to understand his motive and victims. This is the same with cursed spirits, they operate in a particular way. If that cursed spirit is an ancestor, it will manifest differently from a *demon*. A demon is also called a *foul spirit*; it operates in the body. If that cursed spirit is operating from outside the body, it is called an *unclean spirit*. If the cursed spirit is operating from your soul or mind, then know that it is an ancestor.

A spirit that operates inside the body has the ability to cause a person to distance themselves from God. If a person has a demon, that person will always appear disinterested in Godly desires. They will always get an excuse to oppose God. Some of these people may never know that they are being vexed by demons. They may be professors, doctors, judges, architects, archaeologists, lawyers etc. They may think that they are always abreast with the circumstances surrounding their lives. A demon cannot vex the soul. The cursed spirits that attach themselves to the soul are called *ancestors*. They are the ones we learnt about in the previous chapter. We are going to learn about cursed spirits that vex a person from within the body.

A demon will always stay in a person's body if that person has sin in their lives. This is the reason they are able to attach themselves to that person. The sin that that person has committed against the Lord is what gives that demon power to vex that person's body. It is like signing away your rights to a demon. A person that avoids sin, will often not have a demon oppress them. *How does a demon identify who to oppress?* If that person has been in a Godly environment before, he is expected to have some knowledge about the consequences of sinning against the Lord. When that person sins against God, he will attract demons easier than a person who does not have much knowledge about God. A demon will leave traits that will always identify it as a foul spirit. These are some of the manifestations that demons exhibit; *Mocking the Lord or anything of God, rebellion to any form of authority, pride, lying, dirtiness, laziness, lust, uncontrolled crying, blasphemous*

humour, mood swings, theft, sexual immorality, anger, rage, clumsiness, disorganization, and a foul bodily odour among others.

There are cursed spirits that are different from unclean spirits or demons. They are called *wicked spirits or marine spirits*. These spirits are *condemned spirits*. If a person practices necromancy in one or more of the following ways like; *occult practice, witchcraft, casting spells, crystal ball reading, fortune telling, ouija board, etc.* These marine spirits are the ones that will contact the dead on your behalf. When these marine spirits vex a person, they leave traits that are different from the traits that unclean spirits or demons leave. These are some of the manifestations that marine spirits exhibit; *drunkenness, lack, misfortunes, pornography, cheating, leprosy, strokes, mental disorders, deafness and dumbness*. This type of cursed spirits are able to oppress with much more power than unclean spirits or demons. They are the '*foot soldiers*' in the hierarchy in the kingdom of darkness.

Marine spirits are cursed spirits that always break the law as they operate. *How and why do marine spirits break the law as they operate?* They are condemned spirits, they are not able to contact the Lord at all! *Why then are they called marine spirits?* It is because they are under the waters of the earth, a world that was condemned by the Lord before the earth was restored. They are in a spiritual world and they await the LORD's judgement. If a person goes and practices a form of necromancy where he contacts marine spirits, that person will acquire a curse far worse than a person who contacted the dead in the heavens above. Why? This sin is an abomination before the Lord; the dead who are up in the heavens above still have a chance to make it to heaven if they are effective evil spirits. Let us understand from scripture how an evil spirit can be used by the Lord;

1Sa 16:14 But the Spirit of the LORD departed from Saul, and **an evil spirit from the LORD troubled him.**

1Sa 16:15 And Saul's servants said unto him, Behold now, an evil spirit from God troubleth thee.

1Sa 16:16 Let our lord now command thy servants, which are before thee, to seek out a man, who is a cunning player on an harp: **and it shall come to pass, when the evil**

spirit from God is upon thee, that he shall play with his hand, and thou shalt be well.

1Sa 16:17 And Saul said unto his servants, Provide me now a man that can play well, and bring him to me.

1Sa 16:18 Then answered one of the servants, and said, Behold, I have seen a son of Jesse the Bethlehemite, that is cunning in playing, and a mighty valiant man, and a man of war, and prudent in matters, and a comely person, and the LORD is with him.

1Sa 16:19 Wherefore Saul sent messengers unto Jesse, and said, Send me David thy son, which is with the sheep.

1Sa 16:20 And Jesse took an ass laden with bread, and a bottle of wine, and a kid, and sent them by David his son unto Saul.

1Sa 16:21 And David came to Saul, and stood before him: and he loved him greatly; and he became his armourbearer.

1Sa 16:22 And Saul sent to Jesse, saying, Let David, I pray thee, stand before me; for he hath found favour in my sight.

1Sa 16:23 And it came to pass, when the evil spirit from God was upon Saul, that David took an harp, and played with his hand: so Saul was refreshed, and was well, and the evil spirit departed from him.

After an evil spirit has been used by the Lord to oppress a cursed person like Saul was, it will be rewarded by the Lord. It usually is rewarded by elevation to heaven. If that evil spirit was a giving person while on earth, it has more chances of being used by God to do His will on earth. The evil spirit that oppressed Saul created an opportunity for David to become an armour bearer for Saul. It is from then on that Saul started depending on David for peace. Some other evil spirits cannot be used by God because while they were on earth, they did not give according to the Lord's will. They are cursed to die the second time in the lake of fire.

The kingdom of darkness is so legalistic that unclean spirits cannot do the work of demons, wicked spirits cannot do the work of unclean spirits, *fallen angels* cannot do the

work of any of the other cursed spirits. They all have specific roles and functions in the kingdom of darkness.

Cursed spirits have classifications. The first classification we will learn about are the *principalities*. These cursed spirits are in the heavens above. They are spirits that are at the apex of the kingdom of darkness. A principality is a cursed spirit that is territorial, for instance, a cursed spirit called *Britanica* is a principality. These principalities are judges up above in paradise; they are not on earth. They are the ones that make up all the countries in the world. If you are in Britain, the principality that is ruling over your land is called *Britanica*. He was once a man that walked with God while on earth but did not do the Lord's will to the end of his journey. *When did Britanica walk with God on earth?* He was on earth before God restored the earth. These cursed spirits are the ones that were legalistic while on earth. They did according to works, that is why they are judges till this day! Let us study what the scripture teaches us about this fact from Genesis.

Gen 1:1 In the beginning God created the heaven and the earth.

Gen 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

The scripture teaches us that there was a restoration of the earth after God had created the earth. It is the restoration that took seven days. The principalities now, were man on the earth before it was restored by God. Before God restored the earth, He created man, who was also called Adam, with a spirit and body but without a soul. This Man was commanded to replenish the earth that God had restored. This Adam lived on earth before the destruction and after the restoration. Thereafter, God made him into a living soul. In fact, Adam was the first man whom God created with a spirit, soul and body! The original Adam was only a spirit and body without a soul. This is what differentiates Adam from the original Adam. Let us study the scriptures and learn who the original Adam was;

Gen 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

Gen 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.

Gen 1:28 And God blessed them, and God said unto them, Be fruitful, and multiply, and **replenish the earth, and subdue it**: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

When the scriptures talk about spirits, they are referred to as 'male and female'. The original man had a status of equality in gender just like angels. The man did not have superiority over the woman, they had to submit to each other equally. *How did they reproduce since they were spirits?* They had bodies for reproduction that is the reason why the Lord commanded them to replenish the earth. However, this original man did not have a soul. If you are asking yourself; *how come original man was a spirit with a body yet the perception is that spirits do not have bodies?* Know that there are cursed spirits that still have bodies today like; *lizards, snakes, snails & slugs, worms, mice, bats, mosquitoes, cockroaches*, and some *cats*. If you have any of these animals in your home, know that the house where these animals are is in a cursed land.

The original man was commanded by God to replenish the earth. To replenish means to fill up a vessel with something that has been previously consumed. A cistern will always be replenished with water each time water runs out of it. This is why I have no doubt that Adam who was a living soul was not the first man. Let us study what the scriptures teach us about Adam.

Gen 2:7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Gen 2:8 And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed.

The man Adam was the second generation of man, a man with a spirit, soul and body. He was the one that God placed in a garden called *Eden*. He was a living soul like you are, intelligent enough to make most decisions on your own. He was made with emotions and understanding. The original man was spirit and body without emotions and understanding or a soul. The original man are the principalities that rule over us in this age.

The principalities rule over areas that are geographically divided in the air. When a country is formed, these principalities are directly in control of that area on earth which is reflected in paradise, their abode. They are at the top of the spiritual ladder in territorial boundaries. If a man has ancestral spirits oppressing him, these principalities will ensure that if that man travels to another territorial boundary, they give instructions to fallen angels to carry the instructions used to oppress that person in the other territory. Principalities are the ones that ensure that a person is oppressed in his environment. They oppress from outside the body and will concentrate on making sure that an oppressed person fails to do anything that they have set out to do. They do command organs of the state like; *local authorities, law enforcement authorities, utilities, corporations* and *tax authorities* to ensure that a person under their oppression fails. When they start oppressing, you may think that it is just a coincidence. They operate in a subtle manner. A principality, is not a cursed spirit that is going to break the law; it is a judge. It will oppress a person that is not doing the Lord's will. The cursed spirits that do break the law as they operate are the *marine* or *wicked spirits*.

Powers are the second classification of cursed spirits that are geographically located up above in the air; they are in a sub category of cursed spirits called *aerial spirits*. Unlike principalities who are up above the earth, these cursed spirits are on earth and are supposed to oppress people that are in places that were cursed by the Lord. They periodically oppress environments of people that have not repented to the Lord as a result of their sin by causing destruction. Among these powers are; all the winds on earth like; *hurricanes, monsoon, tornados, cyclones, twisters, whirlwinds, typhoons* and *tsunamis*. Others are *earthquakes, oceans*, and the waters of the lakes and rivers on earth. A power like *hurricane* causes winds to destroy roofs of a homes that are in cursed

places. A power like *nimbus* causes heavy rains to flood areas that are in cursed places. Other powers in the same category are; *stratus* and *cumulus*. Another example of a power is *dearth* or *famine*; it is responsible for causing death in places where people practice necromancy. If a place has a famine and the people repent, the Lord will direct the power responsible for rain in that place to cause rain in that land. If you thought that such intervention depends on gods, know it now that the gods are below the powers in the spiritual ladder. They are categorised as '*the rulers of this dark age*' or *slaves*. They are not supposed to be worshipped by people. *Who were the powers?* They just like the principalities were once the people that walked with God on earth but that did not fully obey Him for them to enter heaven. They are also judges; for instance, a power called *Nile*, was once a man on earth during the age before the restoration. As I mentioned earlier, the people that were on earth in that age were people without a soul, and they were also called Adam. They were both male and female in status like God. Some people think that when a person dies, that person is silent in the grave. This is not the truth, a person who is dead has actually passed on to another state of being. The people who lived billions of years ago are still alive and are in a world below the waters. They are still in a spiritual world that is just like that earth but condemned. *Why did the Lord condemn the world under the waters?* It is because of the sin of the inhabitants of this earth before the restoration. In that age, there was no death, they grew to a full life and remained on earth just as it is in heaven. They were destroyed instantly with water and the earth was soaked for billions of years in darkness. After that destruction, the earth was restored to be like heaven and was also the Lord's abode. After the original sin, the earth was cursed by the Lord to be as cursed as before the destruction. The curses that are now on earth the curses that were upon the people that lived here before its destruction. They were also were also tilling the land with sweat for food.

The Third classification of cursed spirits are called *slaves*. These types of cursed spirits are also called '*the rulers of this dark age*'. The chief among the slaves is Lucifer. He is cursed to be a *wandering spirit*. A wandering spirit is in the category of aerial spirits that are cursed to roam aimlessly on earth. Lucifer's angels are also cursed to be wandering spirits; they are also called *fallen angels*. They are the ones that are responsible for all the

work in the kingdom of darkness that involves worldliness. This type of cursed spirits include most of the big *multi-national corporations* that we indulge with on a daily basis. Narcotics like; *cocaine, marijuana, mira, and methamphetamine*; drugs like; *aspirin, morphine, chlorine, chloroquine, ampicillin* etc and companies like *coca-cola, pepsi, schweppes, samsung, huawei, pfizer, apple, microsoft, atari, nintendo, sony, all brands of vehicles, boeing, airbus, colgate, orbit, unilever, and palmolive* among many others are all examples of fallen angels.

Another category of fallen angels are *spices*. All spices are cursed spirits that were once all angels in the kingdom of God before they rebelled against the Lord with Lucifer.

They are what we usually use as condiments for our food. Spices are all *gods*. If you are knowledgeable, you will learn that all spices are grown in cursed places. If you want to use these spices in your food, it is fine if you give thanks to the Lord for that food. If you continue using spices without giving thanks to the Lord for the food, they are able to draw you away from the Lord's will. They are cursed spirits that are antagonistic to the Lord's will. If you like spices, know that they are used in necromancy. These spices are fallen angels that are sub-categorised as either cursed spirits or *condemned spirits*.

The spices that are cursed spirits are all eaten with food. The spices that are condemned are all used as drinks. Examples of spices that are used as condiments are; *cloves, rosemary, turmeric, cardamom, cayenne, ginger, garlic, cinnamon, basil, thyme, nutmeg, black pepper, white pepper, spanish paprika, star anise* among others. Examples of spices used as drinks are; *coffee, cocoa, beer, whisky, gin, rum, vodka, and soda*. These drinkable spices are all condemned spirits. These condemned spirits are from the world under the waters.

They have been condemned by the Lord and are cursed to be in hell earlier. *Why are they from the world under the waters?* These spices were brought to earth by people who were cursed by the Lord to be in hell. For the condemned spices to stay on earth, they need blood shed on their behalf. They are not supposed to be on earth. Their time on earth is short and they are engaged in making sure they take as many people as possible to hell with them! Whereas the edible spices are cursed, the drinkable spices are condemned. The drinkable spices all have dangerous side effects whereas the edible spices all have health benefits! The drinkable spices cause a person to either be cursed by the Lord for

drinking them or cause disease in that person's body. Let's take an example of coca cola, it is made with cocaine. It is dragging multitudes of people to hell because of its addiction capabilities.

The other category of fallen angels are the celestial bodies that are in the heavens above. The stars and the sun are all fallen angels. The sun is Lucifer himself. People still worship him as the sun god or the *god of religion*. He is the one responsible for all religions that draw people away from God. If you are a religious person, know that you are in a quest that will only lead you to death. These celestial bodies include; the moon, the solar system, and other planets. These bodies are all worshipped as gods. For instance, the sun is also worshipped as the *morning star*. The stars all have constellations that are followed by *magicians* to exhibit supernatural powers. *Have you ever involved yourself in magic?* If you have, you have to repent immediately. People who involve themselves in the magical realm are all condemned by the Lord. This god, will cause you and your progeny to lack for a life time. It is a poor god. If you have made it a practice to go to the circus, know for sure, that you will be trapped by a magical entrapment that you may consider harmless. Avoid the traps of the enemy.

All these cursed spirits are determined to constantly lead people to lose interest in the Lord or in the kingdom of God. When a person hears of these things, they may think that I have received this knowledge from man, in fact I have just been listening to the Lord speak. The Lord has given me this knowledge to enable people who are ignorant of the workings of the kingdom of darkness to understand that the enemy is highly organised to bring down people who are lax in doing the Lord's will. If you are lax in doing the Lord's will, know for sure, that you are in battle with powers that are not flesh and blood and that do not need to rest. This is why we need to obey the Lord who is the Lord of lords and King of kings. There is nothing that can thwart His will.

The Lord has revealed to us this knowledge to get abreast with the knowledge of the kingdom of heaven. If you are afraid of the amount of legalism and order in the kingdom of darkness, then you should understand that the Lord's kingdom has a lot of authority over the kingdom of darkness. Any type of cursed spirit will not vex you if you are abiding in the Lord's will. If you are lax in doing the Lord's will, you are unable

to trust the Lord entirely. These cursed spirits always oppress people that the Lord calls *harlots*. A harlot is a person who has refused to fully give himself to the Lord. He is not willing to trust the Lord and is seeking to gain from the Lord and from the world. He wants to seek the Lord from the realm of the soul. This type of person will only end up losing God. He has made the Lord an object that he can use for his own purposes. When he is in the world, he is recognised as being of the world and when he is in the Lord, he will also identify himself with the Lord. This is a dangerous game! If you identify yourself with the kingdom of darkness, the enemy will give you peace! If you identify yourself with the kingdom of God, the enemy will give you no peace at the beginning; however, you will eventually become an overcomer if you persevere to the end. A person that is an overcomer is the one that was resisted by the enemy at the beginning. A person that has been given peace by the enemy is the one that will perish at the end. This is the reason I have been commissioned by the Lord to tell the world these truths from the perspective of a modern age. The people that will abide in the Lord's will to the end will have God.

Chapter Nine

Have You Been Abiding

In The Lord's Will?

When I was called by the Lord to be a prophet, I was in a cursed and abandoned house. I was told by the Holy Spirit to go and pray from that house. When I went there, there was no one living in that house; I prayed from the time I went there in the morning until about 11:30 pm in the evening. I was surprised that I had spent the whole day seated in one place without a meal and yet I was not tired! When it was time for me to leave I saw my car flash its lights and heard it beep. I asked the Lord why my car had beeped! The Lord told me it was time to go home. I have been shown some metaphysical phenomena by the Lord. I am always in awe at how the Lord opens my mouth when I am speaking to people about God. I was a person that was formerly timid. The Lord has given to me the spirit of boldness and oratory to a level that I have never imagined. This all happened at once in that abandoned house. The Lord opened my eyes and I could see in the Spirit; I saw the foundations of the house shake with such great power that I shouted and saw the walls of the house appear to fall on me. I later realised that the walls were still standing and I was not hurt. *Why did the Lord show this vision to me?* This is what the Lord does when you are being shown the power of the Holy Ghost! I had never seen such a vision before and I have not seen it again. There are people that have been given the gift of vision by the Holy Ghost and yet they are unable to know that they have such a gift. This is why I will never forget my experience in that abandoned house. When I was given this gift by the Holy Ghost, I did not know! I wondered, why is the Lord showing me these things? I would also see some people in the spirit.

A person who has a gift of vision is most often a prophet. A teacher might never receive a vision in their lifetime. A pastor will only receive a vision when he is operating under the anointing of the Spirit of prophecy for the purpose of edifying the church. This only happens at the discretion of the Holy Spirit, and no man can control the gift of vision. At one time, I received a vision where a man's eyes flashed before me! I was confused and thought it was not something to concern myself with. *Have you ever received a vision*

from the Lord? If yes, then you are a prophet! If no, then you will need to wait for the Holy Spirit to reveal to you what His calling upon your life is. A prophet will often start by receiving visions in the night. The first time I received such a vision, it was as clear as though I was awake. The Lord told me that that was when I was given that gift from the Holy Ghost. I did not even know that was a gift of vision until recently! If you often receive dreams in the night, not all these dreams are from the Lord. The Lord will tell you which dreams are from God and which dreams are from the devil. If you have been only relying on dreams to hear the Lord speak, then you need to grow by abiding in obedience to the Lord.

The Lord has been faithful and has nurtured me to maturity in Him. I am now able by the power of the Holy Ghost to discern between divers kinds of spirits that are always deceiving other people. *How do these spirits deceive people?* If you have started doing the Lord's will, these spirits will start trying to deceive you to attempt to cause you to abandon doing the Lord's will. This is what most people find difficult to discern. If you are in the Lord, you are supposed to have the gift of discernment of spirits. This is a gift for all believers regardless of what the Lord has called you to do. If you cannot discern between spirits then you can ask the Lord to give you this gift. If you are unable to receive this gift after asking the Lord for it, then you are not fully in obedience to Him. You need to wait for the Lord to show to you where you are not acting in obedience to Him in your life. If you are in an environment where there are people that are cursed, the Lord will tell you who is cursed and who is not! This used to amaze me to the extent that I asked the Lord; *why are you telling me about these people?* I was but ignorant about the gifts of the Spirit that the Lord had given to me! If you have been receiving these gifts without your knowledge, thank the Lord more often and He will grow your gifts to nurture you.

There are some gifts that the Lord will give to a person that He is nurturing to enable that person continue in obedience to God. These gifts are called *gifts of encouragement*. If you have been abiding in the Lord, He will reward you with gifts for your obedience. I have been given a gift I so often thank the Lord for; the gift of cooking. When I cook, I desire to cook even more. At the time God gave me this gift, I asked myself; *what for?* I

already know how to cook! I was amazed at the level of cooking the Lord introduced me to! I cook with the Lord always. If I do not hear the Lord speak, I cannot cook. I have to hear the Lord speak for me to cook! I have to wait for the Lord to choose for me even the type of food to cook to the detail. These are some of the benefits that come with obedience to the Lord. When the Lord called me, I asked the Lord; *"what am I going to do the whole day?"* The Lord told me "I have a lot of work for you to do that you know not of". This is what encouraged me to stay longer in the Lord's presence for His daily agenda. Indeed, there always is a daily agenda in the Lord's presence. The people that think the Lord is quiet have never experienced the love, joy and peace that comes with being in the presence of the King and daily eating from the King's own table. I believe it is like no other experience on earth!

Early in my calling, I was able to understand what the Lord was saying but I had never heard any man speak about the depth of what the Lord was teaching me! Some people might think that I have researched books on these topics or used the internet to gather all this knowledge. The truth is that I do not have any research gathered from books or the internet. All that the Lord has told me to write is from His own mouth. This is a gift that all prophets have. They are supposed to chronicle what the Lord says! When I start writing, I can spend the whole day writing all that I hear the Lord speak! It is just as amazing to me as the day the Lord opened my mouth to tell me about mysteries that I had never heard a man speak of before. The person that reads the material in this book, should know that the author is truthfully the Holy Spirit and not a man. If it were a man, then that man would have to be a trained writer to achieve the skill with which I have written this book. This is the reason why I have been given this gift of writing from God; to do the Lord's will and fulfil the calling for which the Lord has commissioned me.

The Lord has given to me the gift of interpretation of tongues. I received this gift as I was praying in an abandoned house that the Lord told me to go and pray from. At that time, I did not know that the Lord had given me this gift. I am able to interpret divers kinds of tongues as enabled by the Holy Ghost. If you have been speaking in tongues, ask yourself; *Are the tongues from the Holy Spirit or are they from the enemy?* The enemy

can give a believer a gift of tongues! *How?* If that believer has wilfully refused to obey the Lord, he may receive a gift of tongues from the enemy to deceive him that it is a gift of tongues from the Holy Spirit. When you speak in tongues, you speak mysteries that your mind cannot understand. When you receive a gift of tongues from the enemy, you become unable to touch God. That gift will draw you further away from God. If you speak in tongues, ask the Holy Spirit to interpret what your human spirit is speaking in tongues, you will be surprised at what the Holy Spirit will interpret for you. Most of what many believers call a gift of 'praying in tongues' is actually a deceiving spirit enabling that disobedient believer to repeatedly utter blasphemies unto God. If you have a gift of 'praying in tongues' from the enemy, ask the Lord to take that gift away from you. There was a time the Lord asked me to stop 'praying in tongues'. I wondered, *why doesn't the Lord want me to pray in tongues?* If I had continued trying to 'pray in tongues', I would have uttered blasphemies unto the Lord! How terrible! If you are disobedient to the Lord, do not desire to speak in tongues. Wait for the Lord's timing. The Lord will give you the gift of interpretation of tongues so that you can understand what other people who 'speak in tongues' are uttering. When the Holy Spirit speaks through a person in tongues, a deceiving spirit cannot understand what the Holy Spirit has said to or about that person. A deceiving spirit is going to flee from a place where the Holy Spirit has spoken in tongues. If the person who has been used by the Holy Spirit to speak in tongues has cursed spirits attached to his body or soul, they will flee from that person instantly. They can only come back if that person continues living in disobedience to the Lord. When that person obeys the Lord, the cursed spirits have no more legal ground to oppress him. A person that has been freed from cursed spirits has to live a life of obedience to the Lord so that cursed spirits do not intensify their wickedness towards that person. Let us study at what scripture teaches us about unclean spirits from the gospel of Matthew.

Matthew 12:43 When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none.

Matthew 12:44 Then he saith, I will return into my house from whence I came out; and when he is come, he findeth it empty, swept, and garnished.

Matthew 12:45 Then goeth he, and taketh with himself seven other spirits more wicked than himself, and they enter in and dwell there: and the last state of that man is worse than the first. Even so shall it be also unto this wicked generation.

When an unclean spirit is in a man, it oppresses him until he begins living in obedience to the Lord. If that man continues living in disobedience to the Lord, he will attract a plethora of unclean spirits which will bring cursed spirits more wicked than the previous to cause a person to be oppressed beyond measure. This is the state of many people who are constantly in disobedience to God. *What then is the correct way of handling cursed spirits; are they cast out of a person or do they leave after a person has started abiding in obedience to the Lord?* The cursed spirits that are able to be cast out of a person are either foul spirits or unclean spirits also called *demons*. Ancestors are the cursed spirits leave with obedience to the Lord. A foul spirit or demon is a spirit that enters the body and becomes a part of that person's way of life. If a person learns that his body is a habitation of demons, that person can ask a minister to cast out that spirit in the name of Jesus! However, if that cursed spirit is not attached to the body, and it is attached to the soul; in this scenario, a minister cannot cast away that cursed spirit in the name of Jesus. The affected person will have to cooperate with the Holy Spirit in obedience to the Lord so that the cursed spirit will eventually flee. The cursed spirit that attaches itself to the body is usually the easiest to cast out in the name of Jesus. If a person has evil spirits, they cannot be cast out; they attach themselves to the soul to oppress a person who is disobedient to the Lord. This is why many ministers are not able to understand why some cursed spirits will not leave! I have witnessed many people who are vexed by cursed spirits and that have tried to go to deliverance ministers for relief but in vain. Their only relief is to abide in obedience to the Lord for these cursed spirits to detach themselves from their souls. The people that have cursed spirits are the ones that find themselves in places that have cursed people. These cursed spirits are able to deceive these people to go to these places. If a person is always in an area that has cursed people, he will think like them. If that person changes environment, he will often be free from those cursed spirits. If you are living in an environment that has people who go to; cults, casinos, shrines, cultural sites, bars, brothels, magic shows, circus halls,

funfairs, disco halls, cinema halls, opera halls, theatre halls, martial arts arenas, wrestling arenas, boxing arenas, golf courses, football stadiums, markets, hospitals, cemeteries, museums, archaeological sites, crossroads, forests, haunted houses and ghettos among many others.

These places are always filled with cursed spirits to entrap believers who are not in the Lord's will. The people who are in the Lord's will should always ensure that they are not in such places. When a person who is in the Lord's will goes to such places, he loses some entitlements that he has received from the Lord. All believers have entitlements that are received from the Lord as a result of obedience. If a believer goes to cursed places, they are prone to get attacked by the enemy. When you, a believer, goes to a cursed place, you are breaking the hedge that surrounds you and protects you from the enemy. If you thought that you have to pray so that the Lord can protect you from the enemy, you were deceived; you receive the Lord's protection as an entitlement as a citizen of the kingdom of God. If you are a citizen of the United Kingdom, you are entitled to certain privileges that differentiate you from citizens of other nations in the world. It is the same with the kingdom of God. If you are always being attacked by cursed spirits, it is time to change your lifestyle and start living like a Spirit filled person. *How does a Spirit filled person live?* This is a lifestyle that every believer has been called to. If you have never understood what a born again person is, it is the time to understand what the Lord calls a *born again* person. This is a person who knows the difference between when they were living in the world and when they came to the Lord. The scripture says in 2 Corinthians 5:17; *"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new"*.

When you come to the Lord, there is a change in your life. Your human spirit is awakened by the Holy Spirit and your mind is transformed by the gradual working of the Holy Spirit in your life. The person who has been born again for long, is supposed to be a mature believer. A believer that has been born again for a shorter period of time is still young. The growth of a person from a young to a mature believer takes time, it is a process that usually depends on the believer's cooperation with the Holy Spirit. If that believer is in an environment that is full of cursed people, the Holy Spirit will tell that

believer to leave that environment. If that believer obeys, the Holy Spirit will advance that believer to another level in maturity. If that believer disobeys the Lord, he will stagnate. If you have been told by the Lord, to leave a place, do not think that the Lord is inconsiderate. I was told by the Lord to stop working at a time when I needed money. I was afraid, however, I had to abide in obedience to the Lord. If you find yourself in such a situation, the best advice I can give you is that you should trust the Lord and lean not on your own understanding.

Chapter Ten

Are You Willing To Change?

The day I was told by the Lord that I was a prophet, I was unable to understand what a prophetic call was. I was not ready to be a prophet. I asked the Lord; *what am I going to do the whole day?* I was unaware that the Lord already knew my likes and desires. The Lord told me to go to an abandoned house to pray. When I reached there, I was able to see in the Spirit and saw the walls of the house fall on me. This is what I was perceiving in the physical. I did not know that I was being given a vision. I had always thought that I was not going to ever have such visions. If you are a believer who is in the Lord's will, you will get surprised at what the Lord can do when you put your trust in him. The Lord will lead you to start on a journey that you have never embarked on before. If

you think that you are a mature believer and that you know who the Lord is and what the Lord can do already, you should understand that the Lord is all knowledge and all wisdom. You can never know what the Lord is going to do. For instance, if you see a beautiful house and ask yourself; who is the architect? Who is the builder? Who is the owner? Who is the landlord? These are questions that you, who is on earth should ask yourself about the Lord; who is the architect, the builder, the owner and the landlord of this beautiful universe. I have a calling from the owner of this beautiful universe. It is a privilege to be in the service of the King of kings. If you thought that the Lord is going to lead you to a miserable ending, think again. The Lord will not call you to shame you! He is a wonderful God. If you have been in the Lord, it is time for a fresh experience with Him.

I used to think that the Lord was quiet until He opened my mouth to hear Him speak! I was in awe at how much the Lord speaks, all the time and just about everything! If you have been encouraged by this book, then you are a candidate for a fresh experience in the Lord. The Lord has given to believers in Him everything that they need to have a fresh experience with Him on a daily basis! This is what a relationship is. If your relationship with the Lord is dull; then you too need a fresh experience with Him! This will happen to you who trusts in the Lord. I have heard of people that have been asking the Lord for blessings from God. The Lord is not going to bless people that are not doing His will. If you are not blessed, know for sure, that you are not doing the Lord's will. A blessing is the Lord's underserved favour upon your life! You cannot tell the Lord how to bless you; that is a lack of understanding in the things of God. If you want to tap into the blessings of God, you need to live a life pleasing to the Lord. I used to assume that I needed to ask the Lord for everything, and that if I did not ask, I might not receive! A believer who is abiding in the Lord's will is already pleasing to Him and will receive blessings from God. The Lord will bless you abundantly when you start doing His will. *What are the blessings of God?* Have you ever been blessed? Are you always seeking a blessing from God? The Lord has blessed me with wealth. Wealth is a blessing that all people desire to have. I have a lot of blessings that I have received from the Lord as a result of obedience.

Another blessing that the Lord has given me is health. I have not swallowed a pill for over 2 years now. The last time I fell sick, the Lord told me; "do not take any medication, you will become stronger". I obeyed and indeed I was healed and became stronger. I was ill for three days and I lay on my bed continuously for a full day, a condition I had never been through before. I was vomiting, weak and lacked appetite for food. I was only taking orange juice and ate slowly until I recovered. If it were you; would it seem like madness? I was being encouraged to go to the hospital by the people around me but I could not! I had heard the Lord speak and confirm what He had spoken! "Do not take any medication, you will become stronger". If you want to start obeying the Lord, the benefits of your obedience will definitely come. They are the ones the Lord calls blessings and they need not be sought for, the Lord blesses at His own discretion. The Lord has blessed people who have almost never asked Him for such blessings. Moses was able to lead Israel in his 80's! He was already 80 years old when the Lord called him. If you thought he was weak, then you need to understand that he led Israel in the wilderness with almost no water for 40 years, fasted 40 days, wrote the books of the Torah, wrote and taught the Israelites the law of God. He walked with God until he was 120 years old. Moses was blessed with the gift of health. He was never sick during the time he walked with God. A man who has God, will not succumb to maladies. This truth is what the Lord has confirmed to me before. I had a deep cut on my left hand that was as a result of an attack from the enemy upon my life! I was in the hospital for stitches on my left hand and on my head and the Lord told me; "Get out of this place". I waited for the Lord to confirm what He had spoken.

When I heard the Lord speak again, I immediately left the hospital and went back home. At home, the Lord told me not to go back to the hospital for anything. I realised the stitches were not sufficient for me to heal, I needed antibiotics and pain killers which I had not even received from the hospital and constant dressing of the wounds. I was told by the Lord that I did not need anything else but to trust Him. The Lord told me I only needed water and salt! He taught me how to remove the stitches on my head and left hand at the proper time with water and salt, I made a full recovery in days and could use my hand again shortly after. This is what the Lord can do. I do not have a

medical background, I just did what the Lord told me to do, and was healed! *Have you ever been healed by the Lord?* If you have ever been healed, how did it happen? If you were healed by the Lord, would you need to go to the hospital to recover? A healthy man is a person who is 100% living according to the Lord's will. A healthy person is not going to depend on drugs for healing nor on cursed spirits for medication. Cursed spirits are the ones that are responsible for all of the drugs that most people pick up from pharmacies. If you want to live according to the Lord's will, go and ask the Lord to confirm to you what you are reading in this book. I have never swallowed a pill in over 2 years. This is the Lord's will for me. If you are able to trust the Lord, it is the Lord's will for you to ask Him for guidance.

A drug called *cocaine* is responsible for many of the drugs that people take on a daily basis. Cocaine has a high ability to relieve pain to the extent that many of the drugs that come out of the pharmaceutical industry contain cocaine! Cocaine is a cursed spirit that was in heaven with the Father before the Father cast him down to earth! Cocaine is a cursed spirit that is categorised as a *fallen angel*. Another cursed spirit that is in this category is *marijuana*. This drug has a lot of medical benefits to the extent that it is legal for people to smoke it in many countries. It has an ability to lead people into a state of spiritual trances and enable them contact the dead; it is a pathway to necromancy. This is why the people who call *Rastafarians* normal people are lacking in knowledge! Rastafarians are condemned people that are directly involved in the worship of fallen angels. *How then will we live without drugs?* You have to understand that it is possible. If you swallow a drug, you need to know that it is that cursed spirit that you have swallowed that will cause you problems later. A drug like cocaine will leave its traits on a person who uses it. It will eventually lead that person to a mentally unstable state. A person that has ever used cocaine will live a life of misery on earth unless he repents. This cursed spirit is a *condemned spirit*. A condemned spirit is a cursed spirit that cannot stay on earth without blood being shed; ask yourself this question; *why is cocaine grown in poor places yet the crop is so expensive?* It is because this condemned spirit has to stay in a physical form from a metaphysical world. Without blood being shed for a condemned spirit like cocaine, it cannot stay on earth! The more blood that is shed for cocaine, the

more time it has on earth. It is the people on earth who give a cursed spirit like cocaine all its power by doing the enemy's will. Condemned spirits like cocaine were brought to earth from the world under the waters, this is a spiritual world that is condemned. Every spirit in that world is condemned by the Lord. They are only waiting for their time to go to the lake of fire. At the time this spirit was brought to earth, it was in a spiritual state, without a body. For it to retain its physical nature, it needs blood at all times.

Drugs that contain cocaine in it will leave the same traits on a person who uses it as if that person was using cocaine directly. This is what most people do not know. If you use a narcotic, you are just like a person who is legally using a soporific inducer. These soporific inducers are what we commonly call *sleeping pills*. The amount of sleeping pills that a person swallows will eventually lead that person to a mentally unstable state. This is what happens in developed countries like the United Kingdom. A mentally unstable person must also be given other soporific inducers that have a higher concentration of cocaine to make them rest! This is the type of peace the world receives from the enemy! It lasts but for a while. For a believer, you are not of the world, and need not embrace the peace that the devil offers. The Lord is the Great Physician! He is able to heal you. Do not involve yourself in doing the enemy's will.

Chapter *Eleven*

Are You Living As An Overcomer?

I have been committed to living an overcomer's life since the time I was called by the Lord to be a prophet. An overcomer is a person that has been through various trials and has subdued the enemy. If you think that I have written this book without a testimony, you will soon understand that every prophet has to have a testimony to be able to grow in the Lord and abide in obedience to Him. It is a life of constantly leaning on the Lord for nurturing. I have had attempts on my life, been homeless, been mocked, been rejected, and maligned as a mad man! If you are desirous of being an overcomer in the world, then you have to call on the name of the Lord in your current situation. A person who has been called to be a prophet is always called to go through the same trials that I had to go through. This is why it is the highest calling in ministry. *Are you a prophet or do you prophesy under the anointing of the Holy Ghost?* There is a difference between the office of the Prophet and the Spirit of prophecy. The office of the prophet has the Lord in the office as the Prophet. The Spirit of prophecy is the Holy Ghost who is God. If you are prophesying under the anointing of the Holy Ghost, it does not mean that you are a prophet! You might even have prophesied more than a prophet who is in the office of the prophet. A person that prophesies under the anointing of the Holy Ghost will not need to go through the trials that a person that is in the office of the Prophet has to go through. This is why the person that prophesies under the anointing of the Holy Ghost is not a prophet.

A prophet is not supposed to start a church. Any minister who has a church and yet calls himself a prophet has been deceived by the enemy. That minister is not doing the Lord's will; he has concentrated on doing the enemy's will. If you are in a church that does not have a prophet, the Holy Ghost will often anoint any believer to prophesy to the church, only for the edification of the church. If you are in a church and there is a person who is anointed by the Holy Ghost to prophesy, you need to test that person's prophecy. If it is edifying the church, then that prophecy is from God. If that prophecy causes the church anxiety, know for sure that that prophecy is not from God. The enemy can also enable a person to prophesy using a deceiving spirit. This is what most people who are lacking in knowledge experience in the church. The Lord has raised up

prophets that are in the office of the Prophet to ensure that the enemy does not deceive the church. If there is no prophet in a church, that church will not have a direction and will be subdued by the enemy. That church will struggle to grow and progress. It is like an army that does not have a general! The Lord is the Commander-in-Chief of the army and needs His generals in position. If the army does not have a general, that army will lack strategy. It may be strong, well trained, skilled, but lacks that one officer that will liaise with the Commander-in-Chief to get updated on the overall battle plan. This is what a church that does not have a prophet is similar to. A prophet has to be an overcomer to be able to be trusted by the Lord. If a prophet has not overcome the world, that prophet is not able to be used by the Lord for His service. This is because that prophet will be enticed by the enemy to do his will. If that prophet has gone through trials and has subdued the enemy, he will not desire any of what the enemy will entice him with. This has been my experience for the last 8 years. The Lord has now elevated me to a prophet of God. *What is a prophet of God?* This is a prophet that has been tested by the Lord and has grown in obedience to Him. Earlier, we learnt that a prophet that prophesies in metaphors is called a *prophet from the Lord*. When that prophet is elevated by the Lord to become a prophet of God, he will stop receiving metaphors from the Lord. This simply means that the word that the Lord speaks will not need to be interpreted! The Lord may now speak directly. This is what happens when a prophet has become an overcomer!

A prophet is a minister in the church. If a church has a prophet, that prophet should not take on a pastor's role. That prophet's role is to give guidance to the pastor of a church on what the Lord's will for that church is. If there is a prophet in your church and that prophet does not speak the Lord's mind concerning that church, then he is not a prophet of God. If that prophet has been speaking the Lord's mind concerning that church, then he is a prophet of God. If a prophet only speaks to people individually, then that prophet is not from God. He is being used by the enemy to sow anxiety. It does not mean that a prophet should not speak the Lord's mind to people individually. If that is what he is solely doing, he is not from God. A prophet that speaks individually to people will always speak the Lord's admonishment upon those people to caution

them on doing the Lord's will. If the Lord sends a prophet to a minister, it means that minister is not doing the Lord's will; he is engaged in doing the enemy's will. If you are a minister and a prophet comes to you with a word from the Lord, do not reject the Lord's admonishment; listen to the word from the Lord and take heed to the Lord's reprove. The Lord admonishes those whom He loves!

Chapter *Twelve*

How Do You Become An Overcomer?

A person that has been given responsibility of ministry has to be in the Lord's will for him to succeed in that ministry. If that minister is not doing the Lord's will, he is an asset in the kingdom of darkness. This is what most ministers that are not doing the Lord's will are entangled in! *Are you are minister who is not in the Lord's will?* If you have answered 'yes' to that question, you are in danger of being cut off from the kingdom of heaven. Let us learn more from the gospel of John;

John 15:1 I am the true vine, and my Father is the husbandman.

John 15:2 Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit.

John 15:3 Now ye are clean through the word which I have spoken unto you.

John 15:4 Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me.

John 15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.

John 15:6 If a man abide not in me, he is cast forth as a branch, and is withered; and men gather them, and cast them into the fire, and they are burned.

John 15:7 If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.

John 15:8 Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples.

John 15:9 As the Father hath loved me, so have I loved you: continue ye in my love.

John 15:10 If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love.

John 15:11 These things have I spoken unto you, that my joy might remain in you, and that your joy might be full.

John 15:12 This is my commandment, That ye love one another, as I have loved you.

John 15:13 Greater love hath no man than this, that a man lay down his life for his friends.

John 15:14 Ye are my friends, if ye do whatsoever I command you.

John 15:15 Henceforth I call you not servants; for the servant knoweth not what his lord doeth: but I have called you friends; for all things that I have heard of my Father I have made known unto you.

John 15:16 Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you.

John 15:17 These things I command you, that ye love one another.

If a minister in the church has been doing the Lord's will and then starts doing the will of the enemy, that minister is an *harlot* unto the Lord. We learnt earlier that a harlot is a person who has refused to fully give himself to the Lord and is not willing to fully trust the Lord. A person who has rejected the Lord's will cannot stay connected to the vine. The Lord eventually detaches that person from Him. Such a person is not able to do the Lord's will. If he continues trying to do the Lord's will without the Lord, he acquires a curse from the Lord. He says in the scriptures above that such a person will be cut off as a branch from the vine, withered and thrown into the fire! It means that the person who does not abide in doing the Lord's will cannot stay alive. That person is a branch that has been cut off from the vine and is waiting to be gathered for the fire. This is the state of any person who is not abiding in the Lord! If you cannot hear, ask or receive of the Lord; you are a dead man! If you have realised that you are a dead man, you need to start by repenting. This is what the Lord will require of you, if you want to come back to life. If you are still unable to repent, the Lord will condemn you. *How do people who are condemned live?* These people are always full of the world. The Lord has nothing to offer them, they are always cursed by the Lord. A person who is full of the world will try to reach God without passing through the Lord. For such a person, the Lord becomes insignificant. They are not willing to do the Lord's will and therefore cannot do the Lord's will. They will pursue a will that may seem like their own will but is truthfully the enemy's will. The Lord has a plan for people that are lost. This is the plan of salvation. The world has already rejected the Lord, the people who are not of the Lord's blood are at risk of embracing the world and perish.

The world is a curse to the people who belong to the kingdom of God. When you embrace the world, you are like the devil who is the prince of this world. *How does a person embrace the world?* The world is full of cursed spirits and their workings! Everything that this world is made of is cursed by the Lord. For instance, the days of the week are all fallen angels; *Monday* is a day for worshipping a god called *Moon god*. This god is responsible for all the people who seek holiness without the Lord! *Moslems* are all worshipping this god. This god is always asking for alms for the poor. If a person considers that this god is God, that person is a hopeless person; they cannot hear the

Lord's voice! The Lord is not going to ask you for anything to enter the kingdom of God. All you need is to believe in Him. *Tuesday* is a day for worshipping a god called *Tues*. This god is responsible for love. All lovers in the world who worship this god are or will become *obese*. That is what this god will require of its worshippers. *How do people worship this god?* If you have ever asked the enemy to bless you with a lover through necromancy like; palm reading, witchcraft, ouija boards, love portions and horoscopes etcetera, you have worshipped this god. This god is also responsible for the wedding rings that lovers exchange in the church. *Wednes* is a god for welfare. If you worship this god, you will find yourself in debt all the time. *How do people worship this god?* Anyone who goes to the enemy to ask for wealth is worshipping this god! For instance, if you have ever received money in your bank account whose origin does not make sense, this is the god responsible for such a phenomenon. Some people who are lacking in knowledge will call this luck, know for sure, that that luck will eventually cause you to lack. *Thursday* is a day for a god called *Thurs*. This is a god for good luck, the people who worship this god will get hurt by the opportunities they receive from the enemy. If you have looked for opportunities through witchcraft, corruption, bribery, fortune telling, and all forms of graft, you have worshipped this god. If you have been lucky to win in money games from cursed companies, giveaways, and lotteries, you are worshipping this god. What you may call 'good luck' is actually a curse, it will draw you further away from the Lord. *Friday* is a day for a god called *Fri*. This is a god responsible for people who give outside the Lord's will. It is a god that is often associated with Moslems. However, it is not a god for Moslems only. Anyone that has ever gone to the enemy to ask for healing will end up worshipping this god. *How do people ask the enemy for healing?* For instance, if you had a disease and got healing through one or more of the following types of giving like; philanthropy, almsgiving, giving scholarships or bursaries, and aid. That healing is from the enemy! Eventually you will attract a far more aggressive cursed spirit that will attach itself to you as a result of your sin. Let us study what Jesus teaches us about giving.

Matthew 6:1 Take heed that ye do not your alms before men, to be seen of them: otherwise ye have no reward of your Father which is in heaven.

Matthew 6:2 Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward.

Matthew 6:3 But when thou doest alms, let not thy left hand know what thy right hand doeth:

Matthew 6:4 That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.

The Lord is not going to ask anyone to publicise his giving, if you are openly giving, you are rebelling against the Lord. This type of giving will only cause you to receive curses from God. A giver will always be told by the Holy Spirit when, where and how to give. If you are giving publicly, that will cause the Lord to curse your giving. It will lead you to attract a cursed spirit called *cancer*. This is a cursed spirit that attaches itself to people that give openly. A public giver seeks his reward from man and not God; *How?* They give to relieve themselves of gifts or money that they consider will draw them closer to God without Jesus. Any attempt to touch God without Jesus is death!

Saturn is a god that is responsible for entertainment. This is the reason why most people in the world are entertained on *Saturday*. If you are a lover of worldly entertainment, you are worshipping this god; *How?* Are you a person who loves; television, disco parties, music shows, bars, football, martial arts, circus shows, cinema shows, opera shows, comedy shows, wrestling shows, fashion shows, beauty pageants, weddings and concerts; if you love such activities, you are full of lust. This lust will lead you to concentrate on the pleasures of this world rather than God. *Sunday* is a day that is perceived to be a day for worshipping the Lord. However, it rather is a day that was used for the worship of the *Sun god*. The Lord does not require a specific day to be worshipped. You can worship the Lord on any day of the week and need not wait for Sunday. The sun god is actually Lucifer. He is responsible for all the activities in the world that oppose the Lord. He is also called the *opposer*. This god is also called the *devil* and is the one that causes a person to reject God. *How?* The people who worship the sun god are religious and are distracted from God by religion. Religion is a form of

godliness but denying the Lord who is God. Religion is not a way a man can ever touch God. God is not interested in religion, when a person is religious they assume that they can touch God through activities like; church going, prayer, fasting, giving alms, singing, teaching, evangelism and tithing. God does not need you to concentrate on these activities to touch Him. If a person wants to touch God, you need Jesus, who is the Lord and to do His will. If you are denying the Lord and are fasting 40 days, you will not reach God; rather your fasting will lead you to the sun god who is also called Lucifer.

Chapter Thirteen

How Do You Walk With The Lord?

Have you ever heard about people who have walked with the Lord? The Lord has walked with various people on earth. The Lord has purposed to walk with every believer! *How does a believer walk with the Lord?* A believer who is in the Lord's will is going to eventually walk with God. The believers that walk with God are called *sons of God*. These are believers that are led by the Spirit of God. The *Spirit of God* is the Holy

Ghost. When a believer receives the Holy Ghost, that person has received the power of God in him. If you are a son of God, you have the power of God in you. *How does a person receive the Holy Ghost?* The Lord may baptize a believer who is abiding in doing His will with the Holy Ghost. If you have not received the Holy Ghost, you can ask the Lord to baptize you in the Holy Ghost. If you are not doing the Lord's will, you will not receive the Holy Ghost. If you are baptised in the Holy Ghost, you have received the Spirit of God in you. The Holy Ghost is the power of the Spirit of God to work with a believer in an environment that might be hostile to him. If you find yourself in an environment that is not conducive for you as a believer, you need the power of the Holy Ghost to overcome. *Have you ever been in such an environment?* For Instance, I had to write this book in an environment that has all sorts of distractions. I was distracted by a television, children, cursed spirits, among other distractions. If I did not have the Spirit of God in me, I would have stopped working on listening to the Holy Spirit speak to me on what to write in this book. The Holy Ghost kept encouraging me to continue in the midst of all the distraction until I overcame. *What is the difference between the Holy Spirit and the Holy Ghost?* The Holy Spirit is the Spirit of Jesus, who is the Lord; whereas the Holy Ghost is the Spirit of God, the Father. If you have the Holy Spirit, you have the assurance of salvation in you. You are born again! If you have the Holy Ghost, you have power of God in you. I wondered what the Lord meant when He one day told me that He is not powerful! I asked the Lord, *"Why are you not powerful, God is always associated with power! What does this mean?"* The Lord then taught me about the differences between the Spirit of the Lord and the Spirit of God. If you have understood the differences between the Holy Spirit and the Holy Ghost, start by thanking the Lord for giving you this understanding. Some people believe that the Holy Spirit and the Holy Ghost are the same. Yes they are God, but they are also different personalities. The Holy Spirit is humble whereas the Holy Ghost is bold. If you find a person who is full of the Holy Spirit, that person will be extremely humble, on the other hand, if you find a person that is full of the Holy Ghost, that person will be extremely bold. When a believer is full of the Holy Ghost, you who may have known that believer as humble may not perceive where he has received such boldness from. *How can you be filled with*

the Holy Ghost? If you are a son of God, you will be filled with the Spirit of God at the time the Lord deems fit to enable you do the Lord's will. If you ask the Lord to be filled with the Holy Ghost, you are lacking in knowledge. The Lord is not going to fill you with the Holy Ghost at your discretion. However, if you ask the Lord to baptise you in the Holy Ghost, you will be baptised if you are abiding in doing the Lord's will. If you already have been abiding in doing the Lord's will, you need not ask the Lord to baptise you in the Holy Ghost! The Lord will baptise you in the Holy Ghost even if you may not have understanding about the difference between the Holy Spirit and the Holy Ghost. I was baptised with the Holy Ghost years before the Lord taught me who the Holy Ghost was! It is amazing at what the Lord can do! If you are a believer, and desire to have the Spirit of God in you, ask the Lord to guide you. You might already have been baptised with the Holy Ghost without your knowledge!

The Lord is able to expressly do His will with the power of the Holy Ghost. If you are in the Lord's service, you may experience the power of the Holy Ghost in your life. *How can you experience the power of the Holy Ghost in your life?* The Lord will fill you with the power of the Holy Ghost to do His will. The Lord has filled me with the power of the Holy Ghost for a prophetic ministry. A believer that is walking with the Lord will always be filled with the power of the Holy Ghost. If you want to be filled with the power of the Holy Ghost, you have to walk with the Lord. *How does a believer walk with the Lord?* A believer is walking with the Lord if he is constantly doing His will. When you are constantly doing the Lord's will, you are filled with power in you that the Lord will use for His service. I have been writing this book with few breaks. I wrote and listened constantly for over a week. I was able to complete writing this book and I am looking forward to writing the next one. The Lord has filled me with the power of the Holy Ghost to write with understanding. My only reference is the Holy Ghost and the word of God. The Lord has filled me with power to supernaturally keep writing and understanding what the Holy Ghost is speaking to me in the midst of distractions.

Chapter Fourteen

Are You Walking With God?

A Believer should be able to understand that there is a difference between a believer who has walked with the Lord and a believer that is walking with God. A believer that is walking with the Lord is a young believer. When a believer starts walking with God, that believer is then considered mature by God. He no longer needs milk but solid meat. That believer has reached God; he will see the goodness of God. If you are still in the stage of carnality, you are still at the beginning of your journey to reach God. If you still think that God is in the church, you need to understand that God does not live in temples built by man. God is in heaven up above and He has given us Jesus, His One and only Son so that whoever believes in Him will be saved. He is the gift of salvation for mankind. *How is Jesus able to save?* Jesus has been in the world and has died so that we can be redeemed. *When He died and later resurrected, where did he take His body?* Jesus' body is what the scriptures call the church. The church is a group of people that are called *Christians*. If you want to be in the Lord, you have to become *born gain*. If you are thinking that a Christian is born again, then you are lacking in knowledge. A Christian is not born again. Christ is the foundation of God's redemption plan. A Christian cannot be born again unless they are born of water and the Spirit. *Why is a Christian not born again yet they believe in Jesus Christ?* The scriptures say that a man cannot enter the

kingdom of heaven without being born of water and the Spirit. *How can a person be born of water and the Spirit?* That person needs to first die and then be born a second time. It is the second birth that is not of flesh and blood. If Jesus had not taught about this, it would have been even more difficult for the believers that are called to be Christians to understand the redemption plan of God. In the following passage Jesus teaches about this mystery.

John 3:1 There was a man of the Pharisees, named Nicodemus, a ruler of the Jews:

John 3:2 The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.

John 3:3 Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

John 3:4 Nicodemus saith unto him, How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born?

John 3:5 Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

John 3:6 That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

John 3:7 Marvel not that I said unto thee, Ye must be born again.

John 3:8 The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

John 3:9 Nicodemus answered and said unto him, How can these things be?

John 3:10 Jesus answered and said unto him, Art thou a master of Israel, and knowest not these things?

John 3:11 Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.

John 3:12 If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you of heavenly things?

John 3:13 And no man hath ascended up to heaven, but he that came down from heaven, even the Son of man which is in heaven.

John 3:14 And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up:

John 3:15 That whosoever believeth in him should not perish, but have eternal life

The Lord has given to me this knowledge that whoever shall believe in what he reads will find God. So many people will miss heaven because they are deceived to think that the Lord is interested in works. The Lord is only interested in bringing people to God, a mission that He had to come down from heaven and die for. If you are in the premise that Jesus is in the church, you are deceived. Jesus is risen. Jesus has been risen for over 2000 years. He does not want you to think that He is dead. The dead are not in heaven, they are in paradise. This is a place in the heavens; however, it is not the abode of Jesus or the Father. Paradise was once the Father's abode before the earth was destroyed by GOD. This earth is billions of years old. It is a place that had a civilization that was even more advanced than this modern age. It had a lot of inhabitants and was populated to the brim. After the earth was destroyed, it was restored by God and a man was formed in God's image. *Who was this man?* Adam was the first man to have a living soul in him. He had the privilege to communicate with God at any time. He lost this ability when he consulted with the dead. In other words, Adam was the first necromancer. He walked with the serpent. *How did Adam walk with the serpent?* He did what the serpent told him to do; Adam did the enemy's will. He had a direct communication with God yet he chose to listen to the enemy's will and to do it. Adam was an harlot unto God. Even though he was able to walk with God, he chose to walk with the enemy. This was his sin. When you study the scriptures, you may think that he was not able to ask God about what the enemy was enticing him with. Had Adam subdued the enemy, he would have been an overcomer and the enemy would have been powerless before him. However, having done the enemy's will, he made the devil a powerful being. The devil

is the one that has to be subdued all the time. If you are going to walk with God, you will be tested to see if you can subdue the enemy. If you subdue, then you are an overcomer and when the enemy has been subdued, he will flee. This is what the Lord calls a *man of God*. Such a person will always be in the presence of God.

If you are in an environment that has cursed spirits, they will try to tempt you to do the enemy's will. Every time you do the enemy's will, you lose God. How? The enemy is antagonistic to God. If you find that you are in a situation where you need to know what God is saying, go and ask Him for His will. God will confirm His will for you. Had Adam been able to ask God for His will, Eve would not have been enticed by Lucifer. Adam had been in God's presence and did not need the devil yet he was deceived by the devil. If you are in a similar situation, turn back to God. You do not need to receive God's will from your pastor. A pastor is a minister that is supposed to tend the flock. His work is to make sure the flock is healthy, well fed, and nurtured. If a pastor is giving people what the Lord's will is for them, that pastor is doing the enemy's will. The Lord will not give a pastor His will for any believer. A pastor should not embark on telling people what is on the Lord's mind. He may be able to teach you about God but will not tell you what God's calling for you is. *Have you been told what God's call for your life is by a pastor?* If you have received God's calling for your life from a pastor, then know that it is not what God wants. If you have been called by the Lord, the Lord will lead you himself to Him. Once when I was driving, I saw a shepherd herding his cattle, the Lord impressed in my spirit this scripture; **John 10:27**, "*My sheep hear my voice, and I know them, and they follow me*". I wondered why the Lord was impressing this scripture in my spirit. Sometime after that, I was called by the Lord to be a prophet. I never went to a pastor to ask about my calling. I was given my calling by the Holy Ghost. If I had gone to a pastor to ask about what the Lord was calling me to do, I would have been lost. Why? It is what the Lord does Himself. No man can be able to tell you what is on the Lord's mind apart from a prophet of God. If you have been told what the Lord has called you to be by a pastor; STOP and seek God. You have been led to the wrong path. It is what most ministers are involved in. They are trying to tell the Lord what to do. They would rather seek the Lord on what His will is for them and not for other

believers. *What will believers that depend entirely on their pastors do?* They have to start preparing themselves for the Lord to lead them to Him. You will not know the time or circumstances that the Lord has prepared for you. The Lord will start by placing His desires in you. The desires from the Lord are not supposed to be antagonistic to the desires that are in your human spirit. If you find that a pastor has given you a 'calling from the Lord', that does not rhyme with your human spirit, it is not the Lord's calling for your life. Go and seek Him. A pastor that is giving believers the Lord's calling for their lives is doing the enemy's will. If it were the truth, then the Lord would not be God. That pastor is rebellious towards God. He will rather need to repent for his rebellion.

Chapter Fourteen

Have You Experienced The

Power of The Holy Ghost?

A Believer is mature if he has found God. If you find God, we learnt earlier that you become a son of God. A son has privileges depending on who his father is. A son whose father is God, will have more privileges than a son whose father is Lucifer. If you choose to have God as your father, you are privileged to have the Holy Ghost, the

Father's Spirit in you. When you are in His service, you will need the Holy Ghost to acknowledge the Father's approval of you. The approval of the Holy Ghost is what the scriptures call being born of the Spirit. At the time we are born again, the Lord gives us the Holy Spirit. He acknowledges the Lord's desires in us. If you are a Christian, you do not have the Holy Spirit in you. *Why?* A Christian is a person that has died with the Lord but has not yet resurrected with Him. He has stagnated in the grave. If that Christian believes in the Lord, he will become born again. When a person becomes born again, that person becomes a believer. A believer is a person that believes in the Lord Jesus. After Jesus was crucified, He went to paradise to conquer death; The scriptures clearly mention that Jesus went to paradise after death. Let us study Luke's account of scripture;

Luke 23:39 And one of the malefactors which were hanged railed on him, saying, If thou be Christ, save thyself and us.

Luke 23:40 But the other answering rebuked him, saying, Dost not thou fear God, seeing thou art in the same condemnation?

Luke 23:41 And we indeed justly; for we receive the due reward of our deeds: but this man hath done nothing amiss.

Luke 23:42 And he said unto Jesus, Lord, remember me when thou comest into thy kingdom.

Luke 23:43 And Jesus said unto him, Verily I say unto thee, To day shalt thou be with me in paradise.

The Lord says in the scripture above that he will be in paradise that day with the criminal who believed in Him. The Lord was actually in paradise for three days after death. *What was the Lord doing in paradise for those three days?* He had to go and conquer a cursed spirit called death in paradise. If a person is a Christian, that person is destined for paradise. This is a place that receives people who have believed in the Lord but have not done His will while on earth. They are the ones that we know as ancestors. They have the power that the enemy had at the time he enticed Eve. When Jesus conquered death, the enemy relinquished this power back to man. This is why the Lord had to

come down from heaven to die on earth and resurrect. When the Lord died, He took people with Him to paradise. *Who were these people that went to paradise at the time of Jesus' death and why?* These were the people that walked with God but did not fully do His will. These people were on earth before the Lord was born. They are now among the legalistic spirits in paradise. If you want to be a legalist, then you have decided to make paradise your destiny. *What is paradise?* It is a heaven, it is a place that will eventually become the new earth. It is a place that has a lot of legalism. It is where the saints who walked with God but decided not to risk and do the Lord's will are. To them, the Lord's will was foolishness, they were wise and embarked on what they considered was righteous. This is what religion prepares Christians for without their knowledge. A Christian who has been obeying the law is the one that is destined for paradise. They are always seeking to be holy. Unfortunately, the law cannot make a person holy, if you are seeking holiness, know that holiness is as a result of your obedience to the Lord and not the law. You will understand that the law is a curse. Any person who thinks it is by works that salvation is given is deceived. It is extremely difficult for such a person to enter heaven. Such a person must obey the whole law and break none or else he will have broken all. I find it extremely difficult to understand why a person would want to be judged by the law and reject Grace. The Lord has prepared a plan where you have Grace if you abide in the Lord's will. God is Grace, you need not attempt to bring your works to save you before the Lord's judgement throne. The people in paradise are in hell even if it is just as handsome as heaven. It is what most people who say they have been to heaven have been to and its what people who want to narrowly escape hell aspire to. If you are in a place that you think is not taking you to be with Jesus in heaven, then do not be involved with anything called the law. It will lead you to death.

The Lord has been gracious and given to me knowledge to understand what is to come when the Lord returns to earth. The earth will be without Lucifer, the devil, and will have peace for a thousand years, after he has been thrown into the abyss. After the a thousand years are over, the enemy will be loosed from the abyss for a short time and

he will deceive everyone on earth. This is what the scriptures teach us about this time from Revelations; 20:1-6.

Rev 20:1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.

Rev 20:2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,

Rev 20:3 And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

Rev 20:4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; **and they lived and reigned with Christ a thousand years.**

Rev 20:5 But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection.

Rev 20:6 Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.

If a person is a Christian, and has chosen not to resurrect with Jesus, he is a person who has chosen to reject the Lord's will and decided to reject Jesus for eternity. Such a person has destined himself to reign with Christ for a thousand years in paradise. The Lord, however, is not in paradise at all; He is in heaven with the Father. If you decide to stay as a Christian, you will leave this earth and go to another world that is as legalistic as the kingdom of darkness. The amount of legalism in paradise is worse than the legalism that you are subjecting yourself to in the law. The body of Christ is what the church is. Understand that Jesus spoke to the Jews and told them He would destroy the

temple and raise it up in three days. Let us study that scripture and understand what the Lord spoke;

John 2:18 Then answered the Jews and said unto him, What sign shewest thou unto us, seeing that thou doest these things?

John 2:19 Jesus answered and said unto them, Destroy this temple, and in three days I will raise it up.

John 2:20 Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days?

John 2:21 But he spake of the temple of his body.

John 2:22 When therefore he was risen from the dead, his disciples remembered that he had said this unto them; and they believed the scripture, and the word which Jesus had said.

The Lord's body is not with him in heaven. His body is in paradise. Every one that has stagnated as a Christian and who is looking for a way to reach God through the law has destined himself for paradise. It means that they are all looking up to the body of Christ for eternity. A person who has rejected God, is the one that will find themselves in paradise. If you want to reach God, that journey starts on earth. After that it is too late. You will either be in paradise, heaven or hell. If you want to go to heaven and be with God, it is a decision that you make on earth. If you want to go to paradise and become a cursed spirit, that decision is made on earth. If you want to go to hell and stay in the lake of fire for eternity, that decision is also made on earth. The decisions that you make on earth are what your eternal destiny is. A man who has decided to go to heaven will not stop at death with Christ. He will have to find God. If you have stagnated at the point of death with Christ, you are the one the Lord wants to resurrect. It means you have died with the Lord Jesus Christ but have not risen with Jesus who is in heaven. Let us learn what Jesus teaches us from scripture.

Matthew 12:38 Then certain of the scribes and of the Pharisees answered, saying, Master, we would see a sign from thee.

Matthew 12:39 But he answered and said unto them, An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas:

Matthew 12:40 For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth.

Matthew 12:41 The men of Nineveh shall rise in judgment with this generation, and shall condemn it: because they repented at the preaching of Jonas; and, behold, a greater than Jonas is here.

The Lord was three days in the heart of the earth. At the time, the people whom the Lord was speaking to could not understand what he was talking about. The Lord was telling them about his death and resurrection. At the time of death, the Lord went to paradise and regained the power that the devil had received from Adam. He conquered death so that who so ever believes in Him shall not die. The people that are in paradise are called dead people. If you communicate with anyone who is in paradise, even if that person was your relative, the Lord will curse you. Why? It is a place of the dead, you will have practiced necromancy; an abomination before the Lord. If it were the Lord's will for you to be a Christian, the people in paradise would be alive! When you die with Christ, you must resurrect just as Jesus resurrected and ascended to heaven after the 3rd day. Have you decided to go to heaven? There are 3 options for you to choose from; if you have chosen to be alive with Jesus, you are on your way to heaven. A person who is dead cannot experience the Holy Ghost because God is not God to the dead but to the living. You cannot have the Holy Ghost without the resurrected Jesus. If you desire the Holy Ghost as a dead man, you will find death rather than life. You will be deceived with a holy ghost from the enemy and not the Holy Ghost who is God.

Chapter Fifteen

Are You A Man of God?

A Man that has walked with God for a long time will eventually become a *man of God*.

A man of God is a person that has been in the Lord's presence more than a prophet of God. This is a man who has the power of the Holy Ghost in him all the time and is able to access God at any time. When a person becomes a prophet, that man may become a man of God if he is walking with God and he will have power given to him by the Holy Ghost. It is not possible for people who are in the presence of a man of God to mock him. If you mock a man of God, you lose God and acquire a curse from the Lord instantly whether he is in the know or not! If a man of God is in an environment that has cursed people, they will always get uncomfortable with his presence. When a man of God is in God's presence, he has the authority to work with the Holy Ghost at his discretion. Let us learn who a man of God is in the scriptures below.

1Ki 13:1 And, behold, there came a man of God out of Judah by the word of the LORD unto Bethel: and Jeroboam stood by the altar to burn incense.

1Ki 13:2 And he cried against the altar in the word of the LORD, and said, O altar, altar, thus saith the LORD; Behold, a child shall be born unto the house of David, Josiah by name; and upon thee shall he offer the priests of the high places that burn incense upon thee, and men's bones shall be burnt upon thee.

1Ki 13:3 And he gave a sign the same day, saying, This is the sign which the LORD hath spoken; Behold, the altar shall be rent, and the ashes that are upon it shall be poured out.

1Ki 13:4 And it came to pass, when king Jeroboam heard the saying of the man of God, which had cried against the altar in Bethel, that he put forth his hand from the altar, saying, **Lay hold on him. And his hand, which he put forth against him, dried up, so that he could not pull it in again to him.**

1Ki 13:5 The altar also was rent, and the ashes poured out from the altar, **according to the sign which the man of God had given by the word of the LORD.**

1Ki 13:6 And the king answered and said unto the man of God, Intreat now the face of the LORD thy God, and pray for me, that my hand may be restored me again. **And the man of God besought the LORD, and the king's hand was restored him again, and became as it was before.**

1Ki 13:7 And the king said unto the man of God, Come home with me, and refresh thyself, and I will give thee a reward.

1Ki 13:8 And the man of God said unto the king, If thou wilt give me half thine house, I will not go in with thee, neither will I eat bread nor drink water in this place:

1Ki 13:9 For so was it charged me by the word of the LORD, saying, Eat no bread, nor drink water, nor turn again by the same way that thou camest.

1Ki 13:10 So he went another way, and returned not by the way that he came to Bethel.

1Ki 13:11 Now there dwelt an old prophet in Bethel; and his sons came and told him all the works that the man of God had done that day in Bethel: the words which he had spoken unto the king, then they told also to their father.

1Ki 13:12 And their father said unto them, What way went he? For his sons had seen what way the man of God went, which came from Judah.

1Ki 13:13 And he said unto his sons, Saddle me the ass. So they saddled him the ass: and he rode thereon,

1Ki 13:14 And went after the man of God, and found him sitting under an oak: and he said unto him, Art thou the man of God that camest from Judah? And he said, I am.

1Ki 13:15 Then he said unto him, Come home with me, and eat bread.

1Ki 13:16 And he said, I may not return with thee, nor go in with thee: neither will I eat bread nor drink water with thee in this place:

1Ki 13:17 For it was said to me by the word of the LORD, Thou shalt eat no bread nor drink water there, nor turn again to go by the way that thou camest.

1Ki 13:18 He said unto him, I am a prophet also as thou art; and an angel spake unto me by the word of the LORD, saying, Bring him back with thee into thine house, that he may eat bread and drink water. But he lied unto him.

1Ki 13:19 So he went back with him, and did eat bread in his house, and drank water.

1Ki 13:20 And it came to pass, as they sat at the table, that the word of the LORD came unto the prophet that brought him back:

1Ki 13:21 And he cried unto the man of God that came from Judah, saying, Thus saith the LORD, Forasmuch as thou hast disobeyed the mouth of the LORD, and hast not kept the commandment which the LORD thy God commanded thee,

1Ki 13:22 But camest back, and hast eaten bread and drunk water in the place, of the which the LORD did say to thee, **Eat no bread, and drink no water; thy carcase shall not come unto the sepulchre of thy fathers.**

1Ki 13:23 And it came to pass, after he had eaten bread, and after he had drunk, that he saddled for him the ass, to wit, for the prophet whom he had brought back.

1Ki 13:24 And when he was gone, a lion met him by the way, and slew him: and his carcase was cast in the way, and the ass stood by it, the lion also stood by the carcase.

1Ki 13:25 And, behold, men passed by, and saw the carcase cast in the way, and the lion standing by the carcase: and they came and told it in the city where the old prophet dwelt.

1Ki 13:26 And when the prophet that brought him back from the way heard thereof, he said, It is the man of God, who was disobedient unto the word of the LORD: therefore the LORD hath delivered him unto the lion, which hath torn him, and slain him, according to the word of the LORD, which he spake unto him.

1Ki 13:27 And he spake to his sons, saying, Saddle me the ass. And they saddled him.

1Ki 13:28 And he went and found his carcase cast in the way, and the ass and the lion standing by the carcase: the lion had not eaten the carcase, nor torn the ass.

1Ki 13:29 And the prophet took up the carcase of the man of God, and laid it upon the ass, and brought it back: and the old prophet came to the city, to mourn and to bury him.

1Ki 13:30 And he laid his carcase in his own grave; and they mourned over him, saying, Alas, my brother!

1Ki 13:31 And it came to pass, after he had buried him, that he spake to his sons, saying, When I am dead, then bury me in the sepulchre wherein the man of God is buried; lay my bones beside his bones:

1Ki 13:32 For the saying which he cried by the word of the LORD against the altar in Bethel, and against all the houses of the high places which are in the cities of Samaria, shall surely come to pass.

1Ki 13:33 After this thing Jeroboam returned not from his evil way, but made again of the lowest of the people priests of the high places: whosoever would, he consecrated him, and he became one of the priests of the high places.

1Ki 13:34 And this thing became sin unto the house of Jeroboam, even to cut it off, and to destroy it from off the face of the earth.

The man of God from Judah in the scriptures above had the power of the Holy Ghost in him to work according the word of the LORD. He was supposed to speak the LORD's judgement upon the altar at Bethel. He was commanded by the LORD not to eat nor drink anything in Bethel and not to go the same way he came from. *Why did the LORD give the man of God these commands?* The LORD had elevated this man of God from being

a prophet of God. He was not supposed to get instructions from a man but only from God. The man of God would have been the one to give instructions to the prophet and not otherwise. If you are a man of God, do not expect to receive instructions from a prophet of God. If you are a prophet of God, do not expect to receive instructions from a prophet from the Lord; it is disobedience towards God.

If Adam had rejected Eve's instructions, he would not have disobeyed God and would not have been cursed by God. He was supposed to communicate directly with God and not through his wife or the serpent. By Adam disobeying the Lord, he lost his right to communicate directly with God. This birth right was stolen by the enemy, the devil. Eve and the serpent were all below him in status in the garden of Eden; however, thereafter, as a result of Adam's disobedience, the devil could now present himself before God directly. If the man of God had just followed the instructions from the LORD, he would not have been punished. His disobedience is the same disobedience as that of Adam in the garden of Eden.

Chapter Sixteen

Are You Born Again?

There will come a time when you will have to confront yourself with this question. It is a question that is perhaps the most important question that you will ever be faced

with in life. You are now able to understand why the Lord has been able to give me this knowledge and enable me dispense it to the world. If you have learnt something from this book, then you are a person who is ready to be born again. How does a person become born again. The Lord taught a Pharisee called Nicodemus what it meant to be born again. Here is what Jesus taught Nicodemus;

John 3:1 There was a man of the Pharisees, named Nicodemus, a ruler of the Jews:

John 3:2 The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.

John 3:3 Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

John 3:4 Nicodemus saith unto him, How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born?

John 3:5 Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

John 3:6 That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

John 3:7 Marvel not that I said unto thee, Ye must be born again.

John 3:8 The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

John 3:9 Nicodemus answered and said unto him, How can these things be?

John 3:10 Jesus answered and said unto him, Art thou a master of Israel, and knowest not these things?

John 3:11 Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.

John 3:12 If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you of heavenly things?

John 3:13 And no man hath ascended up to heaven, but he that came down from heaven, even the Son of man which is in heaven.

John 3:14 And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up:

John 3:15 That whosoever believeth in him should not perish, but have eternal life.

Nicodemus was a religious leader but did not know the way to heaven! He was just like the religious leaders of this modern age whom you may call priests, vicars, the pope, bishops, monsignor, nuns and sisters among many others. Nicodemus was a teacher of the law of God. He was supposed to know the way to heaven and yet he did not. *What was he then teaching the people in Israel?* He was teaching them to obey the law but without knowledge as to what the obedience would lead to. The people were being lied to by Nicodemus. Had it been that he knew the way to life, he would have known who the Lord was! He was a hypocrite who shouldn't have been deemed to be a teacher. He is just like the teachers who are called religious leaders today. They need the same knowledge that Nicodemus acquired from Jesus. *Have you understood what a born again person is?* This is someone who has died with the Lord Jesus Christ and has resurrected with Him. A person who has died with the Lord Jesus Christ but has not resurrected with Him cannot be born again because he has stayed in the grave. The Lord was in the grave for only three days. Likewise, do not aspire to stay in the grave. Leave the grave and resurrect with Jesus, who is now in heaven with the Father and awaits you with much love. There are people who think that Jesus is still on the cross. No! He was on the cross for just hours! He is Alive; he did not stay long in the grave. If you know the Lord as being on the cross, you are dead already, just as if you know the Lord as still being in the grave. If you know the Lord as God, know that he is God to the living not the dead. It is what Jesus teaches us in the book of *Matthew 22:32*, "*I am the God of Abraham, and the God of Isaac, and the God of Jacob? God is not the God of the dead, but of the living*". If you are in the grave, you are essentially in a place where God is not able to be your

God. You may have a god, but know for sure, that it is not God. God is only able to be reached through the resurrected Jesus who is in heaven with the Father.

Epilogue

I have been in the Lord's presence from the time I decided that I wanted to know who the Lord is. This is what I desire for you who has embarked on reading this book to the end. I have been enabled by the Holy Ghost to write about things that you may never have heard about anywhere else. I have included a lot of knowledge that will lead you to be marked by the enemy. Why? Because it is what the enemy does not want you to have; knowledge! He will do all he can to make sure you do not read. If you read it to the end, then you need the Lord to enable you to progress thereafter. May Jesus, the Lord Almighty enable you hear his voice and do His will. Amen.
