Elsie lived in a series of flats right opposite the park every day she came to play there .

Her mom ran a laundry and came home late .

Her father was working in the gulf on an oil rig.

Grandma Polly lived them , she had back problem the old lady couldnot climb down stairs so she kept an eye on Elsie from their balcony facing the small park .

..

I'm a Police Officer

(Tune of I'm a Little Teapot)

I'm a police officer
With my star
I help people
Near and far
If you have a problem
Call on me
And I will be there
One, two, three!

- Constable Haider usually took his evening rounds in the park area , he would parked his squad car outside the gate and do a quick check of the park

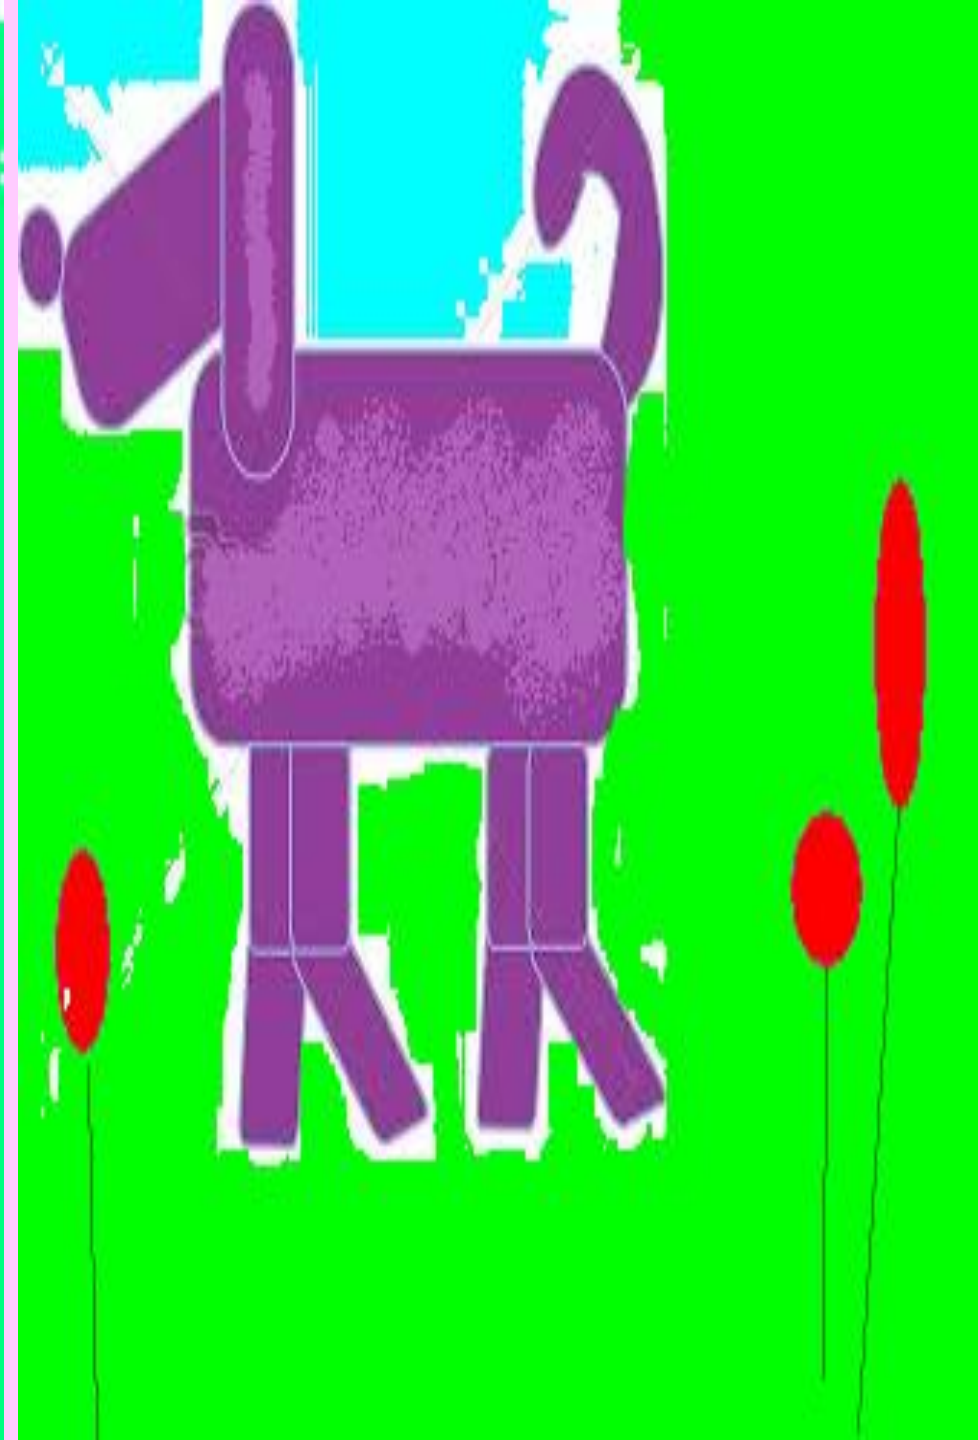

Every day Elsie had a different story to tell him , her vivid imagination turned common place events into stories .

▪

- One day there was a unicorn and a centaur grazing among the trees ,while actually it was just a runaway horse with a false horn and braid from a nearby hotel resort

Another time ,there was puple dragon sleeping under the bush which was a fat little dog who had fallen into a bucket of paint.

Another time the crows were calling
'Rain Rain come come ,
we are thirsty and hot ,
Rain Rain come come
and the kites
were all sitting on the trees
tired and waiting because it was cloudy
and humid day.

DO NOT
PICK
THESE
FLOWERS.

Another time the crows were calling
'Rain Rain come come ,
we are thirsty and hot ,
Rain Rain come come
and the kites
were all sitting on the trees
tired and waiting because it was cloudy
and humid day.

Constable Haider saw Elsie , she was standing by the gate ,dressed in a pink frock holding a bright pink umbrella , she was standing very quiet with a thoughtful look on her face.

Constable Haider said ,

‘Hello !My fair lady’ Whats the latest news ?

There was no answering smile ! Something was amiss ?

Elsie had been imitating Princess Diana walking around with her parsole .

- She caught sight of a large cuddly pink teddy bear sitting patiently
- in the corner of the park.
- There was card hanging from the bow ,
'Please take me home.'

Teddy Bear

Elsie was just nine years old but her granny Polly had told her never to take things which did not belong to her ,it equals to stealing .

Little Elsie was sorry the pink teddybear so she was waiting for someone to take the lost toy to its home. Her Papa had told her never to touch anything left unattended in the park or road .

She wondered who had forgotten it , no one she knew brought large soft toys to the park.

Her creative mind made up a funny story ,

A rich but ugly looking man Almazo ,wanted to become handsome , a wizard told him if he wanted to look good ,

he must give teddybears to children without anyone knowing about his good deeds . Almazo began putting teddybears in the park for kids

When he will give away thousand bears ,he will become handsome.

Constable Haider pricked his ears when he heard this new story , something was fishy and wanted to see the teddybear sure enough there it was sitting and waiting.He went close , the toy was new, entrancing but sinister . Constable Haider called the bomb squad soon the park and flats were quickly vacated.The squad found alive bomb inside the toy , they deactivated it

Nine year old Elsie had just saved the lives of about a hundred people who lived around the park.

The newspaper headlines screamed , ' The girl with a pink umbrella found the teddy bear bomb '

Elsie was a heroine , her mamma was hugging Elsie crying with relief . Her Papa was upset and worried , he made a overseas call.

Every one wanted to hear Elsie stories , she was popular girl . Her teacher gave her a notebook to write down her stories. On the next pages you will read them
