INTRODUCTION

UNDERSTANDING SPIRITUAL TRUTH

“Faith is the SUBSTANCE of things HOPED FOR (exist in God); it (FAITH) is the EVIDENCE OF THINGS NOT SEEN (in the natural but things SEEN SUPERNATURALLY)” (Hebrew 11:1)

Did you know the one who tells a lie or is a talebearer is himself being deceived already? Even the listening ear is being fed mercilessly with the corruption of lies but the worst case yet is when the listening heart believes in the lie. The one who walks in the ways of deception and trickery is already poisoned with the poison of deception; he cannot differentiate facts and understand if even the truth makes sense to him. How can a thief or liar trust you with a secret if they themselves cannot be trusted? Is it even worth

listening to that secret and keeping it? Liars are filled with arrogance in disguise; because they despise the truth; that's why they will feed on the lies of others. Even pride finds its own strength in pride but its foundation lies on the unstableness of deception. Therefore, it is such a sorry case for those who believe in lies and their own pride because they lack the heart to understand truth. How can you burst out in a rage in the attempt to quench someone else's anger when you yourself need to manage your own anger? When the fires of evil attempt to quench another fire of evil it only makes the fire grow bigger. That's why evil never triumphs over good; instead it triumphs in confusion over itself. And how worse a state is the one caught up in the middle of these evil fires. The eye of evil has deceived itself and that is why it will never understand truth or righteousness, because the two virtues are but aliens to its own pitiful *understanding*, for a lack of a better word, because evil can only comprehend evil; vengeance consumes itself and jealousy eats at the heart till there is nothing left of it.

You know what is foolish about being conceited? It is trying to lead the way even though you can't see one but you think you do; because pride is a cloak of darkness over the heart; corrupting the truth and presenting a lie. If you seek to mingle righteousness

and truth with pride and greed, your righteousness and truth will be as bitter and corrupted as the greed and pride it was mingled with. If sickness affects only the body but not the soul, then why is the soul so affected by it? Ask yourself, which is in more pain? The soul attached or the body in sickness? Yet the pain of the soul is not the same as the pain of the body and not everyone understands both. If you think you have a sound mind, is your definition of truth really truth? Then why is the truth then made to look like a lie if it is not understood, knowing that truths are based on the facts or evidence presented and the less common; on the perception of man?

*If faith is a decision made before the research is attempted and the discovery is reached, why deny even the existence of faith? **Faith is the facts to our reasoning both consciously and subconsciously;** when we choose to trust the car we get into to drive home, when we choose to hold a cup of coffee in our hands, when we trust the water in the shower to clean us, when we trust the food we eat to feed us, when we sleep somewhat knowing we will wake up again. I will go more into this later, but let's define the wisdom behind the statement of faith; that **faith is spiritual or supernatural substance applied by the psychological (subconciuous) reasoning processes of the mind to affect the physical realm we live in.***

Faith and knowledge cannot be separated. To have faith is to have knowledge. **Faith is never without knowledge.** You require faith to discover knowledge and to accept this knowledge once it is acquired. You also require faith to apply this knowledge. Faith, like knowledge is dynamic in nature and is always growing. And wisdom is the ability to understand and use knowledge. Wisdom is the principles that govern life. Understand the principles or science of life and you understand how life works.

CHAPTER 1

THE MISCONCEPTION OF ATHEISM

“A double minded man is unstable in all his ways.” (James 1:8)

Why do atheists, sceptics, evolutionists argue against the soul and spirit world when they themselves do not attempt to research it; aren't they meant to be discoverers of new knowledge; treasure hunters, seekers of the unknown that already exists to be discovered, who without realising it require faith to walk into untapped realms of science? Who is more at fault the truth that exists or the scientists, who refuses to thread into uncharted waters to discover it? Since when did a scientist's profession change from being an analytical discoverer to analytical despiser? When the sceptic becomes grumpy and agitated it is because he cannot find the answer to the next solution; would you dare follow the ideologies of someone with anger and pride issues if they have not yet themselves discovered the issue of the soul and spirit? This would be like the fool following the fool; blind leading the blind; violent criminal leading the corrupted? So what is the definition of a *fool*? A fool

is someone who thinks they know the answer; but the answer itself is already tainted with their pride and anger.

As the truth itself unfolds, the weight of foolishness comes from the corruption that conceived it, and the deception it feeds on. *Don't be fooled corruption is corruption, whether it be hidden or exposed; the corruptions that dismantle humanity had already dismantled his heart before they dismantled his life.* For example; why does the murderer kill? It's because he already thought about it in his heart before he actioned it. The same truth is with liars, thieves and all forms of evildoers; this is the work of corruption that starts from the heart.

That is why evil is vain; always seeking to fill its hunger but never satisfied; it is the belly of hell that cries out to the devil, the father of all lies and deception, who knows nothing but to steal, kill, deceive and destroy humanity (**John 10:10**). No wonder the world ever gets better when it is in the hands of the deceitful heart that lacks knowledge.

“There is a way which seemeth right unto a man, but the end thereof are the ways of death.” (**Proverbs 14:12**)

CHAPTER 2

SPIRITUAL APARATUS FOR THE SUPERNATURAL

“And ye shall seek me, and find me, when ye shall search for me with all your heart.”
(Jeremiah 29:13)

But if the evidence of God and faith exist in the hearts of man, then the only way to discover God is through appropriate material; God-elements or God-equipment provided to uncover God-truths. If we perceive truth from a neutral standpoint, that is, to seek scientific evidence about God, based on proven facts, then we should seek to study faith as a *fact* found in the heart of man through the means provided for it. For example, you cannot research deep space with a submarine but with a space shuttle. **The search for God requires spiritual equipment to fulfil a spiritual voyage.** God is so infinite, we can only judge from the standpoint of an outsider looking into the distance into uncharted waters. Nevertheless, that should not be our conclusion of the facts that are yet to be discovered. You can only make true judgement of the Truth once you have found its treasure and

applied its knowledge to your life. The evidence of faith is unseen because science is slow to learn that the only apparatus required to study man's spirituality is found in the book of faith that created man. All that scientific research equipment does is to prove the existence of man and the substances that cause him to function in the natural realm, but what about the supernatural? No scientific apparatus is able to uncover the supernatural truth until science agrees that this truth has only one means by which it can be discovered; supernatural means, through the *device of believing* in an unseen God, whose substance is more real than the air that we breathe. Some may think this is conjured only in the thought processes of the mind, DNA and matter, but this is far from the complete truth. Humanity is perhaps only one percent of the way there and thus only percent correct.

Howbeit, this discovery is worth more than *mind or matter* material, it is supernatural in nature, more refined than the discovery of pure gold or diamond. Even quantum physics still only proves its natural existence but cannot yet prove its spiritual existence. *Why is this? It is because spiritual DNA and matter can only be understood from a spiritual point of view with spiritual equipment.* What about near death and out of body experiences?

If God, angels, the devil, demons, Heaven and hell is the default state of a fried up, destroyed motherboard of the mind of a clinically dead person, then that means every man has the same kind of motherboard construct. If such a default state has existed throughout the centuries, going all the way back to the time when man first encountered supernatural facts beyond his natural realm, then we should not ignore the facts but closely look at the stories being told of those who went there in that *state of mind* and find out why they went there. Why was it hell for those who did not have Christ and why was it Heaven for those who had Christ? Not even results acquired through hypnosis can fake a belief in Christ, and does not comes close to the truth about the power and existence of Christ because **the motherboard of the supernatural of God seems *not* to be embedded in the mind but in the heart (spirit) of man.** Thus, **truth-in-the-heart becomes fundamental research equipment coupled with faith to discover this unseen realm of God.**

“Keep thy heart with all diligence; for out of it [are] the issues of life.” (Proverbs 4:23)

CHAPTER 3

DISCOVERING THE LAWS AND ENTITIES OF THE REALMS: SPIRIT—SOUL—BODY

*“And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord: **30** And thou shalt love the Lord thy God with all thy heart (spirit), and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. **31** And the second is like, namely this, **Thou shalt love thy neighbour as thyself.** There is none other commandment greater than these.” (Mark 12:29)*

With all that said I make my stance clear that I do not have all the answers but I know that the answer of Christ and God exists for us to discover. Come to think of it man credits man and appoints him into the office of a scientist in the hope that the discoveries an individual scientist finds gives him credibility about his work and help bring humanity one step forward in the pursuit of knowledge; but really that is a narrow view of the role of man; we are all discoverers in our

own rights, mainly discoverers of our own destiny, the only difference is how much one has discovered. And Jesus is not only the greatest discoverer of the evidence of God, He is the way, truth and life to this existence; in other words Jesus presented us with a foolproof, factual evidence of the supernatural God. All we need now is to be true discoverers and seekers of this truth in Him in order to understand the depths of the supernatural mysteries of God. **If you ask me, we are still in the infant stages of discovering a world beyond our world, whose knowledge is so unique even our limited minds cannot comprehend it.**

To me science is the discovery of the wisdom or principles that created the heavens and the earth, and that these principles or laws that exist to govern and sustain the balance of life. If we as *natural* man discover the principles, laws, or wisdom of the natural world, both the celestial and terrestrial, then we can as *spiritual* man, discover the principles or laws of the *supernatural* that was used to design and create the natural realm that we live in. What drives a man within and where does he get his ability to think the way he thinks and act the way he acts? Why does this process occur in such a manner inside the mind of every human being? But before you answer these questions you must understand that man is really a

combination of three types of studies of knowledge: medical (physical), psychological (subconscious) and supernatural studies and every other form of study falls under these three categories. *The fundamental basis of these categories is that all three are linked into one, working side by side fulfilling their own laws, yet are forever connected, one to another.* So to answer the above questions from one perspective is only one third of the truth. The Bible describes these arenas of study using different terminology: BODY (physical or medical), SOUL (psychological - subconscious), and SPIRIT (supernatural). Moreover, if we perceive knowledge in its neutral state with analytical yet neutral minds, we will understand that all three realms or arenas of study are hinged firstly on the supernatural, followed by the psychological, then the physical and all three realms communicating and flowing in sync always in that order. So we can grow in our knowledge of God not only from a spiritual perspective, but in reasoning (the soul) and by physical relation (that is, our physical need). Another discovery of this view is that the psychological realm is the *middleman* that can seek after the things in the supernatural realm. And it can also operate toward the natural realm. The psychological field is the key connector to both the spirit and natural realms and can simultaneously function in both realms. So the *soul-side* of you can

choose to focus on only the natural and still be able to interact with the supernatural subconsciously. This concept is not an issue of *permission* but of *understanding*, that is to say, “You want nothing to do with God and the Bible” but that, if **one realm is in operation, the other two will also interact with it to complete the process of that operation and keep the balance of the laws that govern the natures of the spiritual and natural.** This is not a theory but the truth; and even after factual evidence is challenged to stand up against the scrutiny of man to defend its own right to be true, it will still come out in the end as the winner because **the Truth can defend itself hands down against any opponent.**

Not all scientists are proven scientists and not all of them are reliable. But there are those like Albert Einstein, who have established themselves worthy of the title, who have achieved something for humanity. The same is with those who profess themselves to be Christians. Many may confess to be Christians but who is a true Christian, seeking to discover the truths that are hidden in the Christ who calls us to Himself? The Mystery of Christ and His Glory should draw us to search Him and like any other scientific knowledge, cause us to adjust to the discoveries of new knowledge we find in Him. Should not knowledge benefit man? If so, how much more is

supernatural knowledge that could fast-track us into advance knowledge which we struggle to acquire by our own means. But still a better way is presented to us to seek and find it in God. Let us look at one example: The discovery of light and electricity has changed history and the lives of man forever in that we know this technology exists and we use it in our everyday lives. If that is so, what about the discovery of God? Just as we continue to discover more new ways to achieve something how much more the discovery of new knowledge hidden in God? **If one definition of science is the pursuit of new knowledge, then the pursuit of God should be included in this definition.** If God is the default configuration at the end of man's life then He should be the ultimate pursuit for those who genuinely seek knowledge not from a prejudiced perception but from pure discoverer's standpoint. If true science is indisputable then its pursuit of knowledge is equally unquestionable. Even science does not get it right the first time because it is dynamic in its nature; still discovering new grounds. The same is with faith and Christianity; as we continue to seek God, growing from knowledge to knowledge; strength to strength and glory to glory in our advances *through the substance and equipment of faith and truth*. The problem is not with the vast knowledge that exists in its pure state, but *the error is man's*, who in his

deficiency is still learning toward perfection. The great deception that attacks the supernatural, psychological and physical realms daily, affects humanity in a very big way; if this is true then it is too serious to ignore. If such things as angels and demons spoken of by the Bible do exist and have been encountered by man, then we should not deny their existence. Just because we cannot see them all the time does not mean they are not there. Just because man does not have the ability to fly did not mean man could not fly; all he needed was to figure out how to fly by understanding other fundamental truths on the map, like air, including the properties of drag, lift and thrust. We must understand spiritual properties in order to interact with laws of the supernatural. If the supernatural power to heal exists in God, then we must try to discover what spiritual principles are involved in operating in this arena and what psychological and physical principles are required to participate in the supernatural dimension. **Man is only limited by his imagination.** The Bible sums it up in these words, “*faith* without action is dead”. If you look at this statement real carefully, you will notice this; *faith* (or supernatural perception) without psychological and physical action is dead (ineffective and has no purpose to be discovered). Why? In retrospect, remembering the connection each realm has to each other, we cannot deny the factual

evidence that the supernatural realm can never fully release its potential unless we first understand the *laws* that operate with it.

Therefore, Christians should not despise knowledge but pursue it, without compromising their knowledge of the principles laid in the truth of Christ that they have discovered. Similarly, the atheist or sceptic should neither despise knowledge outside of the *natural* scope but uphold the principles of truth, humility and faith, because without these and many other *virtues of godliness* the likelihood of World War III looms in the dark future of ignorant sceptics and atheists who refused to pursue knowledge in its entirety, holding onto absolutes without understanding the dynamics of other absolutes, therefore bringing upon themselves a *calamity*. You can also see this in the *Scriptures of the Torah*:

“My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.” (Hosea 4:6)

From the foregone ideology, I am confident to add that **the foundation of knowledge rests upon the**

laws or principles (wisdom) that exist in the realms of the spirit, soul and body to allow us to effectively function within these laws. The purpose of knowledge is to reveal the evidence of the supernatural, soul and natural, for the preservation and enhancement of mankind.

Now delving a little deeper; If God is the default state and foundation of the beginning, duration and end of life spiritually, psychologically and physically, then He alone should be the centre of supernatural studies; not Buddha, nor Hindu nor Muslim nor any other religion. The main point is that if this other spiritual avenues prove that they lead to Heaven, a place of eternal peace for all of us then surely we should follow them, but if they are knowledge disguised by spiritual corruption forged by the devil, then we should stay far from them.

*Again a half-truth is equal to a lie and so it is really corrupted truth. **Genuine science proves facts to settle with the facts.*** And even then underdeveloped facts (i.e. facts in its infant stage) mean only the starting point of the treasure-map presented and if followed correctly, would allow us to discover all of the other facts that are linked on the map. So based on that understanding we want true supernatural facts from sources whose supernatural data does not

contradict the infallible truth in their own writings presented to humanity.

Also, about the entities or persons called the *devil and his army of evil spirits and demons* what can we say about them? We can look at it this way; in all three arenas of the spirit, soul and body, we identify that there are forces that act against the preservation and advancement of humanity. If mankind is to survive we must seek to find perfection so that we may thrive, but that truth is far from reality simply because man has not come to conclusions with the fact that he cannot solve *ALL* his problems with war, law and order, international laws, and so on through only a political approach. We have tried it all and still we seem to *partly* solve (by natural means) the problem of terrorism because terrorists don't care about the preservation of all mankind they would rather destroy those who stand against their ideologies, beliefs and interests.

Now going back to the subject of *evil forces*; if humanity operates all the time both consciously and unintentionally in the three realms of the spirit, soul and body then we can see here also that the entities of *evil*, without realising it, also operate in these three dimensions serving to fulfil the hunger and pleasure of evil. Technology is good but in the hands of

corrupted minds, it becomes a dangerous weapon of destruction.

“The wicked, through the pride of his countenance, will not seek after God: God is not in all his thoughts. 5 His ways are always grievous; thy judgments are far above out of his sight: as for all his enemies, he puffeth at them. 6 He hath said in his heart, I shall not be moved: for I shall never be in adversity. ...8 He sitteth in the lurking places of the villages: in the secret places doth he murder the innocent: his eyes are privily set against the poor.” (Psalms 10:4-6,8)

This brings me to say that, “*God and the Angels* are also an entity of their own.” To say that God is the cause of all calamities, like wars and floods, tornados, tidal waves and pandemic diseases, is a misconception, and such knowledge is far from the truth. *You need firstly to understand the LAWS and the ENTITIES functioning behind them which exist in those REALMS before you can pass judgement on who is responsible for what.* Also, we draw from the aforementioned that humanity must understand that we are a part of the *processes and functions of the laws* that abide in all three realms.

CHAPTER 4

THE LAW OF TRUTH IN THE REALMS

*“Open thou mine eyes, that I may behold
wondrous things out of thy law.” (Psalms
119:18)*

All scientific laws that exist in the spirit, soul and natural work under this one formula:

**LAW OF TRUTH (or fact) + APPLICATION OF
THE LAW OF TRUTH = TRUTH BASED
RESULTS**

To explain this formula: The LAW OF TRUTH will only prove its purpose only in its original state or form and the APPLICATION OF ITS PRINCIPLES result in achieving the purposes which are PRODUCED by the abilities or properties found only in this TRUTH. *Simply put, the truth cannot tell lies.* And you find this same wisdom in the words of Christ, “You shall know the truth and the truth shall set you free.” So knowing the truth about a single law allows us to use the properties of that law to achieve

something that will serve to benefit us. The natural laws of nature determine our discovery and advances in technology to help solve problems presented in the natural. The ability to fly with aeroplanes, drive fast cars, cook our food in a microwave, make a phone call, connect to the internet and many more discoveries prove the establishment and validity of this formula. Likewise, spiritual laws of God help to determine spiritual results that solve a specific problem to benefit us.

**“EXITING ONE LAW OF TRUTH (OR FACT)
IS ENTERING ANOTHER LAW OF TRUTH
(OR FACT)”**

For example, if you don't patch your boat well to stay afloat, it will sink. This is a simple but understandable truth. Here's another example: if you don't have a good plane or a good pilot or a combination of the two, the aeroplane is most likely to fall from the sky to the ground vertically. This illustration clearly shows that you enter the *law of flight and motion* but when you exit out of it you enter into the *law of gravity*. Needless to say, just because you fall from the sky doesn't mean that the *law of gravity* is evil but that a *human error* was involved. Therefore the *law of gravity* does not understand cruelty in its pure form, but it is without respect to person or thing, in that it

fulfils the purpose it was established for. If you exit one truth or fact you enter into another fact. So that is really the way our lives work; they revolve around applying the right kind of truths to achieve the appropriate results that look after us and fix our problems. Moreover, there are also laws of the soul and the spirit which we must also seek to discover and understand. To exit light is to enter darkness. To exit the law of righteousness in the Spirit of Christ is to enter the law of fleshly or carnal mindedness (**Romans 8**). To function or walk in the law of the Spirit is life, but to function in the law of the flesh results in destruction and death. My point in establishing this principle is that, the truth can fulfil its ability to create other truths by simply establishing and fulfilling its function to allow the entry of other truths and the exit of other truths. Even the *big bang theory* fits this principle of truth. It doesn't matter what it is; from an artist painting a picture to a factory worker in the assembly line manufacturing a car. And God establishes Himself as the ultimate TRUTH, the BEGINNING OF ALL TRUTH-FORMS and the END. I shall cover this in the next chapter.

Which brings me to say, **(Laws of Truth) FACTUAL LAWS are like powers; seek to discover their abilities or properties; work with them and you will understand how they operate,**

remembering that the exit of one law of Truth is the entry of another.

One other interesting discovery is that the laws of the supernatural are millions of times more robust and versatile than the natural realm, and their powers or properties operate very differently to the natural realm, yet if you apply these laws they have a direct impact on the soul and natural realms. The fact that spiritually based focussed activities, like prayer, fasting, worship and meditating on the scriptures produce results that affect the psychological DNA of a person and subsequently produces results not naturally consistent to the natural realm, proves the powerful nature of the supernatural realm. For example, Jesus walking on water, healing the sick, and rising from the dead. The Bible records supernatural events caused by a mingling of the laws of the natural with the laws of the supernatural in God from **Genesis** to **Revelation**. At the same time the scriptures seek to lay down the fundamental truths that are required to fulfil the laws of the supernatural in God.

We can therefore conclude that, **the existence of spiritual substance or supernatural evidence through *faith* finds its validation to be activated through the physical laws (principles or wisdom) of prayer, fasting, worship and meditating on the**

**word. You could also see it this way, that the
LAW OF THE SUPERNATURAL-IN-GOD
EFFEECTIVELY OPERATES FOR OUR GAIN
IF CHRIST IS THE FOCAL POINT FOR US
ACCESSING THIS LAW.**

“For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ. But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.” (2 Corinthians 4:6-7)

PART TWO

THE EXISTENCE AND PURPOSE OF TRUTH

CHAPTER 1

THE COIN-PERCEPTION OF MAN

Without realising it at all mankind lives by perception or opinion, faith (test), and judgement desiring to seek what is best suited for him, like when he wakes up in the morning and decides that a cup of coffee will do him good for the day. Every human being possesses the ability to choose for themselves what they want in this life. Mankind's way of thinking is based on what he knows and chooses to believe in. Hence, debates will arise amongst individuals about the Truth presented to them because we all perceive life differently and therefore our opinions about issues of life will vary from person to person. For example, we all know the sun exists and that it rises in the sky and it gives us light and heat for warmth, which is a general understanding across all forms of life. But in our world there are those individuals, like scientists, who know a lot more than the average person or animal about the sun and its properties, even its exact diameter and the calculated amount of heat produced. One would describe the sun as the size of a coin from his perspective and perhaps believe it to be true. This would be the simple reasoning of a child who would

be convinced the sun is no bigger than the size of a coin and would argue his view to be the truth. That is the basis of my argument, **that the truth cannot be altered. However our individual opinion or view of the truth may not be the same.** We as man, including scientists are like children whose perception of the Truth is but in an infant state because there is vast, and still undiscovered knowledge out there. Our understanding of the truths of life that abide in the realms is based so far only on what we know and can lean towards comfortably in our pursuit for comfort and advancement in life.

So, you cannot yet talk about purpose until you first talk about your level of perception and understanding of the truth it possesses. Basically **if something exists in the realms it has truth and purpose.** The truth is not only based on what we know about it; proving its existence first before analysing the depth of its realities, but it is more than that. The main emphasis is that the truth already exists for us to discover it and understanding it and that our understanding of it varies from person to person. Therefore, it is a weak argument to say that God does not exist because one's *coin-perception-analogy* of God demotes and devalues God to be a myth; a man made creation formed to feed man's desire for happiness, new knowledge and new experiences. The long debate

about the existence of God is in fact a truth in itself that exists thus sustaining the idea that God did not just happen overnight. If GOD really was not an issue we would not have atheists and sceptics because we would not need to prove God. Howbeit, The TRUTH never fails, and GOD IS TRUTH. Hence, our *right* to stand for God will triumph over scepticism, all forms of evil and the double-minded agnostic who seeks answers without seeking the humility and sincerity of the Wisdom of God, which holds all answers to life.

So what is my main thrust in the understanding of TRUTH without prejudice? An atheist cannot tell a Christian about his atheistic knowledge of God because the doubter does not understand what he is talking about until he himself pursues God by faith one hundred percent and seek after the knowledge of God with the *heart, soul, mind and strength*; engaging into all realms. I can understand if a Christian correctly criticises or judges another Christian about doctrine, but this is certainly no place for an atheist, who is a complete outsider on the subject of *God*, because he possesses coin-perception on God. Therefore, the atheist has no grounds of knowledge to argue his point about the existence of God, seeing he refuses to understand the *heart-knowledge* that a Christian possesses about God. I watched a video about a well learned atheist who attempted to

disqualify and make fun of the *symbol* of the wafer bread and the wine that represents the Body and Blood of Christ, seeking evidence about how the bread is human flesh or whether the wine is actually blood. How foolish is this already, it is laughable coming from supposedly a well educated man, because a Christian clearly understands, the wine and the bread are SYMBOLS of the sacrifice JESUS MADE to save us from our sins. **When someone threads outside the boundaries of commonsense and good understanding then there agenda is turned into sarcasm, hate and prejudice making their real debate to be masked by their foolish remarks and their evil motives.** This wisdom applies across every professional arena.

I cannot tell a baker how to bake his bread if I have never baked one before. I cannot tell the richest man in the world how to run his business if I am still broke, do not even have a dime to my name and do not know how to make one. Likewise, **the atheist cannot define or disprove God for a Christian if the atheist himself has not experienced and known God.** Vice-versa, an everyday Christian, who may not have any knowledge about rocket science or complex physics, does not possess any grounds to argue his point or perception about building the best rocket, telling the engineer in his face, “This is how you

build a rocket". By doing this the Christian has already made himself a fool before the rocket scientist. Similarly, the atheist is foolish in trying to make sense of the Bible by trying to study it with his head only and not by the spiritual means that God provides to be discovered; *the head and heart together*. Faith is needed for everyday living and faith is found in the heart

So here's the compromise; the child will never know how big the sun is until the astronomer tells him. Likewise, the atheist will never know how big God is, or that He exists until the Spirit-Filled, tongue-talking Christian, who meditates in the Word daily, is firm to reveal the truth about God to the unbeliever through the means God provides. The Evolutionist cannot change his perception of God until he himself encounters the knowledge of God in his heart and whole being. **God is a matter of the heart (spirit), mind, soul and strength and not just the mind**, in intellectual reasoning; this would make God just knowledge without power. But the true knowledge of God is with power. This power is evident in the wisdom that has established the laws and properties of every living and dead thing in this world and in the vast universe out there. **Your whole being, (spirit-soul-body) therefore, becomes the only apparatus available to study and discover God.** We conclude

with the point that our reasoning power to believe God is limited if our perception of God is *zero*.

“According as His divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of Him that hath called us to glory and virtue:” (2 Peter 1:3)

CHAPTER 2

YOUR PERCEPTION IS YOUR BELIEF

If you possess opinion (perception) then you have belief; you either believe in the True and Living God (Yahweh) or something else. So then, the atheist or evolutionist is not excluded because of the fact that *every human being has an opinion or perception about everything in life*, they therefore possess belief that stems from their perception or, **POWER TO CHOOSE. Your opinion (perception) is like the spokesperson for your belief; it voices what you believe and stand for.**

According to the Bible, man was created *in God's Image and Likeness* and God gave man the power to dominate all created things. (**Genesis 1:26-28**). In other words, man has **WILL-POWER** or **THE POWER TO CHOOSE** whatever he wants; either for his destruction out of ignorance, or for his blessing and gain out of respect, humility, faith and sincerity toward the knowledge and wisdom found in God. Simply put, you as an individual have the choice to say 'no' to **CHRIST JESUS** and choose not to believe in Him or you can choose to say 'yes' and receive Him into your heart by faith and be set free from the powers of darkness, and receive everlasting life with God forever.

“For God so loved the world, that He gave His only begotten Son, that whosoever

believeth in Him should not perish, but have everlasting life. 17 For God sent not His Son into the world to condemn the world; but that the world through Him might be saved. 18 He that believeth on Him is not condemned: but he that believeth not is condemned already, because he hath not believed in the Name of the only begotten Son of God.” (John 3:16-18)

The subject of God has been around for hundreds and thousands of years, ever since man began to mention the word ‘god’ which represented something of meaning and purpose in his life. Here is another example: the fact that someone may not want to eat chicken because they have had issues with it or that it had affected their body internally does not mean that all chicken is bad to eat. They may have had a one-off bad experience with a poorly prepared chicken; unhygienic and unfit for consumption. Whatever the reason, the point is, **an opinion or judgement leaned on and agreed upon (because of a level of perception conceived) then becomes either a temporary or permanent belief.** Seeing the atheist believes that God does not exist, does not mean the atheist is correct until he can prove by all accounts of experience and factual evidence to add to his opinion. To say such a thing makes the atheistic view become biased without true *spiritual research*, hanging on the

opinions that arise from arrogant scepticism and ignoring the valid view point about the reality of God.

There are common perceptions though, carried by both the atheist and the theist or believer in God. All humanity lives by this commonness found in life, regardless of who we are. One common thing is that we all know and choose to live life to the fullest based on how well we understand the word '*fullest*'. We also by experience and knowledge know to eat good food and if we don't eat we get hungry. Say perhaps we do not eat and drink for a hundred days; this would surely mean our death. We all know that it is important to take care of ourselves and of the needs of loved ones; even the wicked who is filled with evil, *understands* these common principles of life without consciously focussing on them because they are naturally part of civilization and the livelihood of humanity; they know to still eat food, keep themselves clean, have friends, share things, build trust and loyalty in their own members and even show love where love is due. These are common knowledge found in life held within the subconsciousness and consciousness of the mind. Jesus spoke this wisdom in the following parable,

*“Or what man is there of you, whom if his son ask bread, will he give him a stone? **10** Or if*

he ask a fish, will he give him a serpent? II If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask Him?" (Matthew 7:9-11)

If we took everything else out of the picture and stripped it to bear basics, **the need to survive and thrive in society is found in every human heart.** The common need to be loved, recognised and cared for also delivers the best in us so we can rise up everyday in the right frame of mind to attend to our jobs and help support our *right to live happily.*

Our opinions are therefore established by what we know and are comfortable with; including the level of risk we are willing to take to discover the unknown or unfamiliar. So really whether atheists or Christian we all believe in things both common and distinct. Like any human being the agnostics also have perception, opinion and judgement. They in their own way also believe in the preservation and advancement of LIFE as it is on earth – and this knowledge is indisputable for **without life there is no life.** When war arises upon a nation, its people, regardless of their different beliefs and perception of life, rise up to the occasion to defend their country, pursuing the common goal of

the peace and freedom of their people and laying aside their differences to achieve this task.

Moreover, the atheist believes and knows *death exists*, again a common part of life and humanity. The evolutionist, like anyone would comfortably say to himself, “life goes on” after a human being has met his end with death. That one statement proves that he embraces the idea of life and its existence and knows death is a reality. Is he ever afraid of death? Perhaps he would. Would he dare be curious about life after death? Perhaps he would also. He already believes in life, wouldn't he prefer for life to go on; a better one after death, yet the conditions of life after death a met by the decision of salvation in Christ Jesus; that he must make for it in this life, before the grave calls. He's own faith is needed to decide this course for his eternity and no level disbelief can exempt him from it. It is a reality he himself must first accept and the truth of the matter is that he will not be able to accept this reality after he has given up the last breath. No the choice of eternal life must be made in this life; that choice becomes the seal of approval life after death.

Hence, the sceptic can agree that what exists is presented before us and can be studied because it possesses its own degree of truth to be discovered. The TRUTH exists for whatever task it is able to

accomplish according to the principles or laws that govern it. Putting aside our different opinions, there is one thing we all can agree upon; we all as human beings can come to a common understanding that **THE TRUTH in whatever factual form it takes, EXISTS AND HAS PURPOSE TO BE FULFILLED.**

CHAPTER 3

ORIGIN – TRUTH – EXISTENCE – PURPOSE

“But God giveth it a body as it hath pleased him, and to every seed his own body. 39 All flesh is not the same flesh: but there is one kind of flesh of men, another flesh of beasts, another of fishes, and another of birds. 40 There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another. 41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory. 42 So also is the resurrection of the dead. It is sown in corruption; it is raised in incorruption: 43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: 44 It is sown a natural body; it is raised a spiritual body. There is a natural body, and there is a spiritual body.” (1 Corinthians 15:38-44)

The TRUTH is a fact that has been verified by its own existence and reality. **The truth is not affected by how much we know of it rather it exists in its**

natural state of glory. The truth possesses its own properties (glories) which make it unique; establishing the fact that it fulfils its own purpose based on its own intrinsic design and function. In simple terms, not everything we see, know, touch, and smell is a *car*. The earth we live in is made up of all *truth-forms* of life. No living or dead form is the same. Even twins are not same. We will describe these as TRUTH-FORMS to help us summarise everything that exists in creation; great and small, seen and unseen, known and not-yet-discovered.

Now my second point on truth is this: **Every truth-form has unique purpose and a unique time frame in which to fulfil this purpose established by its design** like the life of the sun which far exceeds the life of any human being in this life and its purpose differing completely from that of a human being. The Bible describes this statement in the following manner;

“To EVERYTHING there is a season, and a time to every purpose under the heaven.”
(Ecclesiastes 3:1)

The existence of truth in every truth-form is the existence of purpose. Therefore, THE TRUTH IS NEVER WITHOUT PURPOSE. Where truth

exists, purpose exists. Everything that exists; including the ‘seen’ and the ‘unseen’, the ‘known’ and the ‘unknown’, either in the past, present of future, all possess their own truth-form (or glory) and therefore have a purpose to fulfil.

The mechanisms that operate in Life are the Mechanisms that possess Truth and purpose. It doesn't matter if we start from the small atom and stretch out to the vast universe. Both dead and living things contain their own truth-form. So really *science, or the pursuit of true and factual knowledge, is the study of truth-forms.* **The truth is uncompromised in nature and possesses factual knowledge.**

Now before we can answer the question of purpose we must first seek to understand the definition of the word ‘*purpose*’. WHAT IS PURPOSE? It is what a truth-form is created and designed to be used for. In addition, we can literally anticipate or predict its origin and outcome by its design. We are also able to identify its truth-properties (or glories) that it possesses and therefore understand its life expectancy. **Anything that exists, both spiritually and physically was created to fulfil a specific purpose.**

So let us answer the question about purpose. We have already established the fact that **THE TRUTH cannot exist until it is first created or established to exist**. Moreover, you cannot truly know the origin of anything until you first discover the purpose and the end that it is to fulfil by design. **The whole discovery of an entity or truth-form is the whole discovery of its purpose and function in life**. This is where many evolutionists have gone wrong. They have been misled by their own findings. You cannot conclude anything without it first being discovered and thoroughly researched. The Evolutionist's conclusion of the *discovery of origin* is perhaps only the first finding of the trail that leads to the real ORIGIN (GOD). They have sort to explain origin from what is still infant-stage knowledge without first realising that *Origin* has left us a trail to follow backwards into time. This trail of breadcrumbs which we can follow is called *purpose*, and purpose exists because IT EXISTS. The trail of *existence* leads to TRUTH, which then is the final trail to the word ORIGIN. **The Big-Bang Theory is not the origin; it is the trail to the *Origin***. Even the Big-Bang Theory in its natural truth-form required a Creator to establish its functions. My point is, **no truth-form is able to create another truth-form without the existence of its own form or the form of other truth-forms**. If this is so then, the question to ask is who created the

dust particles in the *Big-Bang*, so that they could carry out this amazing process of forming galaxies and planets? The big-bang is somewhere in the heap of knowledge both discovered and undiscovered that establishes the TRUTH about the amazing ability of the Creator; GOD who is able to create *something* out of *nothing*. **There is only one person who claims the right and title to create something out of nothing and that is GOD.**

From the aforementioned we deduce that the existence of the Universe proves it has PURPOSE by right to fulfil the task and lifetime it was created or established for.

LINKING THE BIBLE WITH THE FINDINGS OF SCIENCE

I believe the Bible is the true *Origin Story of mankind*. I also believe the Bible has not been understood properly to make its claims valid. There is a *missing link* because of the lack of knowledge of the mysteries that lay in the pages of the Bible and as a result, a lack of perception we have of its *hidden story* in the pages of the scriptures waiting to be unveiled. If man could look deeply into the records of the

BIBLE, the story of the BEGINNING and identify what actually took place for the design of the universe and animals, flora and mankind to come into cycle and carry on with their own purpose today, then the real question to ask is, “What existed before **Genesis 1** of the Bible?” We understand that satan, and his demons existed before **Genesis 1**, before the *recreation* of life and the creation of man to rule, because the devils were thrown out of heaven before this happened (**Isaiah 14**). We also understand that that these devils and demons were made in different forms some very close to humans, some possessing some parts of God but none in the actual image of God, until man was made. It is clear that that satan’s original name was *Lucifer* and He was the *Angel* that led all the inhabitants of the Heavens and the Earth in worshipping the LORD GOD until one day satan rebelled against God and was thrown out of Heaven. How long did satan and his demons serve God before they fell? It could have been a billion years. Perhaps it was during this time that dinosaurs and other prehistoric life forms existed. How long after the devil and his demons were cast out before **Genesis 1** came into existence? The timeframe is linked here. You can easily see that the time periods before **Genesis 1** are *the Triassic, the Jurassic and Cretaceous* ages.

Thus, I believe that **Genesis 1** is really the story of the *new creation* not the *first creation* and both creation eras came out from the same Creator, God. All these clues of the trail lie in the scriptures of the Bible. **Genesis 1:26-28** was the first time God decided to create a truth-form called MAN; *in His Own Image and Likeness*. We also understand that there was a body of water upon the face of the deep and the earth was without form and void in **Genesis 1:1**. In addition, we understand that there is more than one account of a flood, or body of water that covered the earth. The second flood was in Noah's Time. Clearly after this particular flood the LORD God made a decree; a vow never to destroy His creation in this manner ever again (**Genesis 7, 8, and 9**). We still encounter floods today but none to the magnitude of the body of water described in the Bible because of this vow. We still see the rainbow displayed every time there is the combination of rain and sun, to remind us and God of this *faithful vow*. This is another of the many links we can make with the Bible and Evolution.

“With the ANCIENT (GOD) is wisdom; and in length of days understanding. 13 With Him is wisdom and strength, He hath counsel and understanding. 14 Behold, He breaketh down, and it cannot be built again: He shutteth up a

*man, and there can be no opening. **15** Behold, He withholdeth the waters, and they dry up: also He sendeth them out, and they overturn the earth. **16** With Him is strength and wisdom: the deceived and the deceiver (even the devil) are His (Because He created them).” (Job 12:12-16)*

If there was an existence and life form before the existence of mankind then this could easily explain the missing link between the Bible and science, about dinosaurs, and other life-forms, whose age seems to stretch beyond the *recreation* of the world and when mankind was first made according to the time frame established in **Genesis 1**.

The Book of Job, presumed to be the oldest book of the Bible gives insight about events pertaining to creation and the earth. Internal clues indicate that Job lived during the time of the patriarchs (Abraham, Isaac and Jacob), approximately 2100 to 1900 BC. In the following passage **Job 26:7** reads, “He stretcheth out the north over the empty place, [*and*] **hangeth the earth upon nothing**. Before scientists ever found that the earth hung on nothing it was written in the book of Job.

Let’s look at another Book; the book of Isaiah Written between (circa) 740-680 B.C. Isaiah is the

only prophet of God to ever mention this scientifically true statement: **Isa 40:22** “It is He (God) that sitteth upon **the circle of the earth**, and the inhabitants thereof [*are*] as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in”. The same prophet Isaiah’s accounts of the Christ in **Isaiah 53** are so precise and descriptive, how would he have known these events but only by the Spirit of God upon Him (**Isaiah 59:21**). And like Isaiah Job who was more than a thousand years before him said in **Job 19:25** “For I know [*that*] my redeemer (Jesus Christ who is God) liveth, and [*that*] He (Christ) shall stand at the latter [*day*] upon the earth:” And throughout the Bible many other accounts of the future have been so accurate, how could we therefore then choose to disregard its record of the mysteries of the past embedded in its pages? Certainly not, seeing it is a book full of mystery, knowledge, wisdom, insight and life.

Even if science strives for accuracy in its findings, how accurate are they about the life-forms that they try to recreate in animated 3-D forms to give us a picture of what their fossilised structure looked like before it became extinct? Still the truth never lies.

**GOD THE CREATOR—ORIGIN OF ALL
TRUTH-FORMS**

The idea of creating something out of what already exists is a common understanding among everyone: including both atheist and Christians alike. The Evolutionist would give it a name like dust particles or big bang, formed in a cloud of stars in space to form what is now earth and life on earth, but where did the dust come from? This is only a coin-perception of what really happened because you cannot prove nor recreate the experience until you have ventured out a million or perhaps trillion years back into time to prove its *properties*. I am careful to say its properties, because it was created to exit in order to perform by design, its task. The BIBLE is the only place I find that makes the claim that GOD created *something out of nothing* by His Spoken Word. Here's one scripture that backs this claim.

(King James Version) “...*even God, who quickeneth the dead, and calleth those things which be not as though they were.*” **(Romans 4:17)**

“(International Standard Version)
...*Abraham acted in faith when he stood in the presence of God, who gives life to the dead and calls into existence things that don't yet exist.*” **(Romans 4:17)**

The word '*chance*' also speaks purpose because it fits the description of a complicated calculation of what had most likely occurred to see these turn of events evolve into a living breathing world with **purpose and end**. Therefore, even the word '*chance*' is redefined from being meaningless to having its own truth-form and purpose. This draws me to my next point of discovery: that **every truth-form, including empty spaces and vacuums and randomness, black-holes and time, has their own purpose simply because they exist to fulfil their own design. Hence, not a single thing in creation is missed out, all possessing a purpose by design to be fulfilled.**

The created (truth-forms) have a beginning; a starting point from which they began to function. So the TRUTH HAS A BEGINNING. Also, one truth-form can create another. In other words, **a truth-form is created from the exit of one or more truth-forms to allow the entry of one or more true-forms**. Even the big-bang theory fulfils this principle.

So let us drive this subject home. We now know that the word purpose was established with a timeframe or lifespan to live out. The question is what TRUTH established the formation and beginning of the big-bang *truth-form*? My only answer to this is GOD, because GOD is the only one I know that establishes

Himself as the TRUTH (the ultimate truth from which all truth-forms have come into existence) and so GOD is the BEGINNING of all things. He is already indubitably the perfect candidate to be the ORIGIN of all things. Why GOD? Well all truth-forms require a lifespan to fulfil their purpose but GOD existed as the Beginning of TRUTH and is eternal in nature; He is the Everlasting One. **God is the origin of all truths that exist.** What this means is God's purpose is not restricted by anything only Himself; nothing created God, God existed for everything else to exist. God is infinite in nature and therefore the word *restriction* does not even fit Him. This may surprise you but **the only restriction that God has is TRUTH. He cannot tell lies** because the Truth has *principle* (established design and law) *or wisdom*. God cannot lie against the truth because He Himself laid the foundation of Truth and all truth-forms that exist. **Without the principle of truth there would be no God and no life.**

GOD is the master designer, GOD is purpose, GOD is existence, and GOD is the Beginning and the End of all purpose. All truth-forms are measured against the infinity of God and their existence hangs upon what He has chosen them to function for, by design.

“In the beginning was the Word (WISDOM), and the Word was with God, and the Word was God. 2 The same was in the beginning with God. 3 All things were made by Him; and without Him was not anything made that was made.” (John 1:1-3)

The definition of God as TRUTH even fits the principle that the exit or establishment of one truth is the entry of another. Let me explain: **GOD has to exist as the BEGINNING for the big-bang to even have a beginning.** Otherwise there would be no big-bang. The Bible says that God spoke creation into existence by the BREATH or SPIRIT of HIS WORD (By HIS WISDOM). **Wisdom is the code of every function in life and upholds the foundation and existence of the law of truth. Without it there is no life and no purpose to fulfil.** It is the principle that every truth-form possesses to function and without it there is no purpose. Wisdom is superior knowledge of the design of the heaven and the earth and every other truth-form that exist in them. To discover its knowledge is to discover the Creator who established its *origin*. Hence, it is appropriate to conclude that **science is the discovery of the Wisdom of God.**

“He (God) hath made everything beautiful in his time: also He hath set the world in their heart, so that no man can find out the work

that God maketh from the beginning to the end.” (Ecclesiastes 13:11)

“The LORD possessed me (WISDOM) in the beginning of His way, before His works of old. 23 I (WISDOM) was set up from everlasting, from the beginning, or ever the earth was. 24 When there were no depths, I was brought forth; when there were no fountains abounding with water. 25 Before the mountains were settled, before the hills was I brought forth: 26 While as yet He had not made the earth, nor the fields, nor the highest part of the dust of the world. 27 When He prepared the heavens, I was there: when He set a compass upon the face of the depth: 28 When He established the clouds above: when He strengthened the fountains of the deep: 29 When He gave to the sea His decree, that the waters should not pass His commandment: when He appointed the foundations of the earth: 30 Then I was by Him, as one brought up with Him: and I was daily His delight, rejoicing always before Him; 31 Rejoicing in the habitable part of His earth; and my delights were with the sons of men.” (Proverbs 8:22-31)

John 1:1-12 says, “Christ is the Word of God”. And the Holy Spirit is the Breath of God. Words are never

spoken without a breath to carry them. The Bible reveals this wisdom in **Psalms 19**. In fact, the Hebrew word for Spirit is *wind or breath*.

*“...Christ the power of God, and the wisdom of God. 25 *Because the foolishness of God is wiser than men; and the weakness of God is stronger than men.*” (1 Corinthians 1:24-25)*

CHAPTER 4

THE TRUTH-FORM OF DEATH AND THE AFTER LIFE

God is known as the BEGINNING and the END and before Him there was no other and after Him there is none (**Isaiah 43:10**); He is the *First* and the *Last* (**Revelations 22:13**). So what is my point in quoting this passage of scripture? How do we know if the purpose of life on earth ends at death? How sure are we without even dying ourselves even for three to four days to prove it?

Fortunately, we do have *near death accounts* to help us discover this spiritual existence. Clinically proven dead people who came back to life have told stories of a life that exists beyond this one and these stories seem to have a common story line; crossing barriers of colour, age, knowledge, culture, language, race, calibre, title, religion, belief and opinion. It is amazing to hear these supernatural accounts being told from the experience and perspective of individuals who have been to the other side passing through the *passage of death*.

Now there is one fact we can establish that the accounts are not made up and surely didn't happen overnight. They are evidence of a timeless story told of the reality and existence of the *afterlife* that awaits us; beyond the last breath of man; leaving this bodily form and entering a spiritual form. No atheistic or sceptical view is correct in judging and rejecting such an existence which has its own TRUTH-FORM. Then, how can you argue against the multitudes who have encountered *life after death* and therefore justify themselves by the degree of their experience and exposure received from these accounts? Are we to say that a certain function of the brain is left in a *sleep state* to still be able to envision such occurrence as Heaven and Hell? Not to the medical professional who would easily disagree and affirm that when someone is dead for three to four days, they are surely *dead*; meaning all their bodily functions including the brain shut down completely. So why does *near death or out of body exist*; why is it common knowledge even amongst former-atheists or unbelievers who have experienced it and have come to believe in Christ? The evolutionist's coin-perception about death being the end is consequently incorrect and put into question seeing the truth surely exists about life after death but our perception of it is in error and limited to only what we know and choose to understand. So **Man is only as knowledgeable to the**

point of only what he has discovered and chosen to believe. So, man is limited by his own knowledge, understanding, and belief.

What is the purpose of these VISIONS or NEAR DEATH EXPERIENCES, since they exist and have their own truth-forms? To carefully say it, if the EXISTING TRUTH about *life-after-death* has continued to avail itself to mankind in the past, the present and surely in the future, speaking of an existence beyond death, then we should with open hearts and minds seek to understand it and why there is a place called *Hell* and another called *Heaven*. The most important question to ask: **What is the requirement or underlying truth that determines where we end up; either Heaven or Hell?** This would surprise you to know (if you don't know yet) that even former Atheists, Hindus, Buddhists and Muslims have shared their account of life after death. They spoke of the Christ, angels, demons and the devil with conviction, deep sincerity, great trembling and gravity. In fact, they were all told the *same truth* that Christ Jesus is the only way to Heaven and Eternal Life and that without Him would mean eternal damnation to Hell. You must also understand that before these encounters, no Christian sermon or evangelism could convince them at all until the

instrument of the *passage of death* itself became the last preacher to convert them to believe in Christ.

Will you believe in Christ now because of their testimonies or will you also call them liars because you care less about God and continue on in your pride and sin until it is *too late*. No one can make a bargain with death. When death comes knocking at your door, does that become the *end* or will you face the horror of hell without Christ? **If you have not yet accepted Christ Jesus, it is not too late to do so. Albeit, there is no second chance in the life after death; once your choice is made in this life, it is made and death becomes the *seal* placed on this decision.** Your choice to make Jesus as your Lord and Saviour is right now in this life. Do not even wait for tomorrow to do it; while you have the breath of life in you and the ability to make that choice!

A child by choice can easily call the sun a coin; likewise you can easily do the same with the near death experiences. The point is not that life after death doesn't exist; I have already proven that it exists by the fact that it has been encountered by many individuals; spread over many centuries of human accounts about it. There is a purpose for everything that happens, even life-after-death accounts.

Without getting too technical, **purpose is another way of saying everything in life has a calculated function and outcome because of their own unique design established in the fact that they exist to function and that once they have performed this role they either continue to perform it in replication or in similarity till there is an exit of one truth that allows the entry of another truth.**

Like *physical death* becoming the passage into the *spiritual realm*. After physical life has expired death enters unashamedly and when death has fulfilled its established purpose another truth enters after it; the stark reality of *life that exists after death; will it be eternal life for you or eternal damnation?*

So I ask again, where do the TRUTH of the UNIVERSE and LIFE really end after they go through their own cycle of purpose? If you say God is not the end of near death experiences, then what is?

But if the Eternal God is *the Beginning* then it makes total sense to have God continue His purpose to be *Eternal Life*; without end. *God is the End* of everything that was made, is made and will be made by the *Law of Truth*.

There is a place called *Heaven* and another called *Hell* and the existences of these places have their truths to be fulfilled within the laws set by the Eternal God. If you have read up to this point, by now you would have figured out that the point I have been making is that Jesus Christ, is the Way, the Truth and the Life to the FATHER—**John 14:6. Jesus Christ is Salvation unto the place called Heaven.** Even the words, *Way-Truth-Life* mentioned in scripture emphasise what I have been trying to point out throughout the whole presentation. Christ establishes Himself as *Truth*, because He exists. He is *Life*, because He has a role to play and purpose to be fulfilled because He exists eternally for it. He is the *Way*, because He is the path that leads to an end which He reveals to us; is the Eternal FATHER, God, the Creator.

Jesus Christ our Lord also describes life after death as either *eternal damnation* without CHRIST, or *eternal life* BELIEVING in CHRIST. (**John 3:16-18**)

Just like you cannot see air but you know it is there because you inhale and exhale it; the same is with the spirit realm; you cannot see it literally but you know it is there by faith. The air fills are void that must be occupied just like water or any other object. So to look at an empty space and say there is nothing there

is not actually correct because air is there. Faith in God is like air that occupies space and exists, although it is not seen by the naked eye. And if air is not present then it is a *vacuum* without air. Even the vacuum created achieves the purpose of space and nothingness. The word ‘*nothing*’ is not really nothing because *empty space* and *nothingness* fulfils its purpose to fill the void of a vast amount of *vacuum* in the Universe, if it did not exist then we would have to worry about spaces between galaxies or the air space or land space between objects, or even just silence (that seems to fill the void or the absence of SOUND or NOISE). We do not live in a squashed up world, thank God, we have *space* to move around, breathe and differentiate objects. Space allows entities or other truth-forms to fill their place with difference and uniqueness to present a balanced environment that supports the existence and preservation of life. The sea is where it is and the sky is where it is; and both possess their own attributes to function and the *space* between them is just as important to fulfil its own function.

Also, we discover here that:

**THE ABSENCE OF AN OBJECT OF TRUTH IS
THE EXISTENCE OF ANOTHER OBJECT OF
TRUTH.**

This is almost similar to the earlier principle I established; **“The EXIT of one Truth is the ENTRY of Another. Or the EXIT of one or more truth-forms is The ENTRY of another set of truth-forms.”** The Bible also verifies this and speaks about this law or principle and its existence in various ways:

“To be absent in this life is to be present with the LORD” (2 Corinthians 5:8)

“For to me to live is Christ, and to die is gain.” (Philippians 1:21)

“For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.” (John 3:16)

“For to be carnally minded is death; but to be spiritually minded is life and peace.” (Romans 8:6)

“Therefore if any man be in Christ, He is a new creature: old things are passed away; behold, all things are become new.” (2 Corinthians 5:17)

I wrap up this chapter by saying, God is the BEGINNING AND THE END; the ALPHA AND

OMEGA; the FIRST AND THE LAST; He also is The MOST HIGH GOD and there is no other god beside Him. He alone is the CREATOR of all things that existed, that exist now, and that will exist in the future and without Him no truth-form has Divine permission to function as they would in their natural forms.

“Ye are My witnesses...before Me (God) there was no god formed, neither shall there be after Me.” (Isaiah 43:10)

*“God that made the world and all things therein, seeing that He is Lord of heaven and earth, dwelleth not in temples made with hands; **25** Neither is worshipped with men's hands, as though he needed anything, seeing He giveth to all life, and breath, and all things; **26** And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation; **27** That they should seek the Lord, if haply they might feel after Him, and find Him, though He be not far from every one of us: **28** For in Him we live, and move, and have our being; as certain also of your own poets have said, For we are also His offspring.” (Acts 17:24-28)*

Today if you hear God's Spirit tugging on your heart and calling to you to believe in God and in His Son, Jesus Christ, don't wait another day. Today is the day of your salvation if you have not yet made the LORD GOD your Saviour and Redeemer; the one who is able to save you from eternal damnation and bring you into eternal life by your simply believing in Him. The choice is yours! *Will you choose God?*

PART THREE

CHAPTER 1

THE FIVE (5) PRINCIPLES/KEYS OF GOD FOR MAN

“And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. 18 And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. 19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.” (Matthew 16:17-19)

There are five (5) principles (or Keys of the Kingdom) that establish the relationship between God and Man and these five keys are the foundation of the *Scriptures* from **Genesis** to **Revelation**. It doesn't

matter which part of the Bible you read you will find without fail, the emphasis of these five keys. The devil has purposely attacked these five keys with his set of evil five keys. I will be covering the devil's keys in at the end of this part.

THE FIVE (5) KEYS OF GOD:

1. **WORD, WISDOM and WAY**
2. **LOVE AND LIFE**
3. **FAITH AND HOPE**
4. **TRUTH AND OBEDIENCE**
5. **HUMILITY AND HONOUR AND HOLINESS**

God (The Father-Son-Holy Spirit) does everything by these principles. The FRUIT of these five Keys is the GLORY, POWER and RIGHTEOUSNESS of the INFINITE GOD.

God created all things laying their foundations on these five keys. All things exist on the basis of these five keys with Man, who God's greatest masterpiece, made in the image and likeness of God (Father-Son-Holy Spirit) and was given dominion over all things and to rule over all of them (**Genesis 1:26-28**).

CHAPTER 2

CHRIST JESUS THE FULFILLMENT OF THE LAWS AND PRINCIPLES OF GOD

“Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. 18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.” (Matthew 5:17-18)

CHRIST, the Word of God who is also the Son of God, came in the flesh to fulfil these five (5) keys (**John 1:1-12**) and became the Five Keys for our sakes so that our relationship with God would be established forever in God. Christ is the FULFILMENT of these five Keys. Let us look at the name *Christ* or ANOINTED ONE more carefully.

Creator **C**ALLED US by Covenant (to the)
Heart and **H**ouse of God and became our **H**igh Priest;
(He also became our)

Righteousness and **R**estored us back to God; (God through Christ)

Initiated the process of the five Keys for our sakes; (and Christ became the perfect)

Sacrifice for our Eternal Salvation; (Christ established us in the)

Truth and **G**lory of God through the **C**ross (and became the Glory of God fulfilling all the requirements of the 5 keys of God)

The first letter “C” in the Name Christ reveals that we were Called to come to God. The last letter “t” shows that through His death on the Cross He made a way for us back to the Father. You find these two words; *Called* and *Cross* in the following scripture:

“18 For the preaching of the Cross is to them that perish foolishness; but unto us which are saved it is the Power of God...24 But unto them which are Called, both Jews and Greeks, Christ the Power of God, and the wisdom of God.” (1 Corinthians 1:18, 24)

We were created with five fingers to receive all things from God according to the five principles of God. God releases to us all things also with His five fingers open to us based on the His Five-Key principle.

Christ restored this process and became the fulfilment of that relationship and connection between God and Man forever. Just like the hand and fingers, each principle can act independently, one from the other but no principle is separate in nature from each other.

“So we, being many, are one body in Christ, and every one members one of another.”
(Romans 12:5)

Meaning all five principles bond in ‘One’ and the fulfilling of one of these keys is the fulfilment of the other keys; all five fingers are required to receive with an open hand from God.

*Though the LORD be high, yet hath He respect unto the lowly: but the proud He knoweth afar off. 7 Though I walk in the midst of trouble, thou wilt revive me: thou shalt stretch forth thine hand against the wrath of mine enemies, and thy right hand shall save me. 8 The LORD will perfect that which concerneth me: thy mercy, O LORD, endureth for ever: forsake not the works of thine own hands. **(Psalms 138:6)***

Now we were also created with five toes on each foot and all toes point forward, not backwards. So when God created man based on the five principles and put

in him the foundation of his purpose. God ensured man would move forward only in the five principles of God, and not backwards. The toes do not even point sideways, that is to say, “you will not turn to the left or the right but stay on the plan and purpose of God.”

“Ye shall observe to do therefore as the LORD your God hath commanded you: ye shall not turn aside to the right hand or to the left. 33 Ye shall walk in all the ways which the LORD your God hath commanded you, that ye may live, and that it may be well with you, and that ye may prolong your days in the land which ye shall possess.” (Deuteronomy 5:32-33)

“Keep thy heart with all diligence; for out of it are the issues of life. 24 Put away from thee a froward mouth, and perverse lips put far from thee. 25 Let thine eyes look right on, and let thine eyelids look straight before thee. 26 Ponder the path of thy feet, and let all thy ways be established. 27 Turn not to the right hand nor to the left: remove thy foot from evil.” (Proverbs 4:23-25)

CHAPTER 3

THE CREATOR'S FIVE PURPOSES FOR MAN – (MAN'S PRINCIPLE FOR EXISTENCE)

Man's purpose is summed up in these five principles for his existence:

1. **WILL** and **WORSHIP** (given to man to seek God)
2. **LOVE** and **LIFE** (to partake with God)
3. **FRUITFUL AND BY FAITH**
4. **ORDAINED BY GOD** according to God's five principles/keys (before the foundations of the world)
5. **HEART AND HOLINESS** (in oneness with God)

MAN'S PURPOSE TO WORSHIP:

“But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. 24 God is a Spirit: and they that worship him must worship Him in spirit and in truth.” (John 4:23-24)

MAN'S PURPOSE TO LOVE EXPERIENCE AND ABUNDANT LIFE:

“The thief (devil) cometh not, but for to steal, and to kill, and to destroy: I (Jesus Christ) am come that they might have life, and that they might have it more abundantly.” (John 10:10)

“Thy mercy, O LORD, is in the heavens; and thy faithfulness reacheth unto the clouds. 6 Thy righteousness is like the great mountains; thy judgments are a great deep: O LORD, thou preservest man and beast. 7 How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings. 8 They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures. 9 For with thee is the fountain of life: in thy light shall we see light.” (Psalms 35:5-9)

MAN'S PURPOSE TO BE FRUITFUL AND LIVE BY FAITH

“Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should

remain: that whatsoever ye shall ask of the Father in my name, he may give it you.”
(John 15:16)

“For we (man) walk by faith (in God), not by sight” **(2 Corinthians 5:7)**

MAN’S PURPOSE WAS KNOWN PREDETERMINED AND ORDAINED BY GOD

*“And we know that all things work together for good to them that love God, to them who are the called according to His purpose. **29** For whom he did foreknow, he also did predestinate to be conformed to the image of His Son, that He might be the firstborn among many brethren. **30** Moreover whom He did predestinate, them he also called: and whom He called, them he also justified: and whom He justified, them He also glorified.”*
(Romans 8:28-30)

“Thus saith the LORD, Thy redeemer, and He that formed thee from the womb, I am the LORD that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself;” **(Isaiah 44:24)**

“Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.” (Jeremiah 1:5)

MAN’S PURPOSE TO HAVE A HEART AFTER GOD AND TO WALK IN GOD’S HOLINESS

“And thou, Solomon my son, know thou the God of thy father, and serve him with a perfect heart and with a willing mind: for the LORD searcheth all hearts, and understandeth all the imaginations of the thoughts: if thou seek him, he will be found of thee; but if thou forsake him, he will cast thee off forever.” (1 Chronicles 28:9)

“Follow peace with all men, and holiness, without which no man shall see the Lord.” (Hebrew 12:14)

“For all those things hath mine hand made, and all those things have been, saith the LORD: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my Word.” (Isaiah 66:2)

CHAPTER 4

THE DEVIL'S FIVE KEYS THAT OPPOSE THE FIVE KEYS OF GOD AND DESTROY MAN'S PURPOSE

“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.” (John 8:44)

Satan has tried to destroy the foundation of God's five principles and distort the five principles of the purpose of man toward God with his five evil keys:

1. **World, Wealth and Wine**
2. **Lust of the flesh, Lust of the eye**
3. **Fear and Unbelief**
4. **Disobedience and Rebelliousness**
5. **Pride and Dishonour**

These five evil principles are the foundation of the devil and sin are his main weapons of destruction.

So man's purpose is distorted and destroyed by the five evil principles of the devil so that man will never fulfil his calling and never be established in the five holy and righteous principles of God. That is why Christ came to destroy the works of the devil:

“He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. 9 Whosoever is born of God doth not commit sin; for His seed remaineth in him: and he cannot sin, because he is born of God.” (1 John 3:8-9)

CONCLUSION

To conclude, all man should know by now that a lifespan of one hundred years is short compared to a thousand years and our existence on earth is only temporary. Our true existence lies in the ‘One GOD’ who is eternal life. The only means presented to us to walk in this Life in God is through Christ Jesus. God has laid every law in the realms of the *Spiritual*, *Psychological* and *Physical* and He is Lord over all three realms. Also, all three realms possess glories that can be uncovered and realized but only in the

appropriate manners presented to us; and that is through *faith*. The truth has been given to you, now it is up to you to make the choice to listen to the faith in your heart and obey the still small Voice of God calling out to you today; to *get real with your existence* and follow after God who is the Author of Life; the One LORD who owns all and fills all with His life giving breath and power. To God be all the Glory, Honour, Power and Praise forever, Amen.

*“But what saith it? The Word is nigh thee, even in thy mouth, and in thy heart: that is, the Word of faith, which we preach; **9** That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. **10** For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. **11** For the scripture saith, Whosoever believeth on Him (Jesus) shall not be ashamed. **12** For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. **13** For whosoever shall call upon the name of the Lord shall be saved. **14...17** So then faith cometh by hearing, and hearing by the word of God.” (Romans 10:8-14, 17)*
